### WAR SAVINGS WORKERS

Knox county town chairman of War Savings Workers are called to meet at the Baptist church parlors in Rockland, next Tuesday, Sept. 16, at 2:30 p. m. Mrs. Myra B. Lord of Boston, public field director for New England, Mrs. Grace A. Wing of Portland, State Manager, and Mrs. Annie E. Simmons, Field Secretary, will be among those who will address the meeting.

Occasionally callers at the store of Fuller-Cobb-Davis are caught by the notes of the piano in the balcony, giving skillfully forth the strains of old-fashioned dance tunes, such as make it difficult for the hearer to resist breaking into the changes of an old-time "collation" or going down the center in the "Lads of the Lake." The player is Mrs. Adella Vezzie, whose gift of "playing by ear" has often made her services in demand at country dances. Older people, listening to her playing, are carried back in their minds a generation or two, and hear again the voice of Twister Demuth "rolling off."

## THIRTY-THREE VETERANS

### Attended Annual Reunion In This City Wednesday—The Youngest 71, Oldest 91.

The Fourth Maine Regiment, Second Maine Battery, Berdan's Sharpshooters and Naval Veterans held their annual reunion in this city Wednesday, and in some respects it was the most somber occasion the organization has ever known.

The Grand Army flag hanging dimly at half-staff told the sad story of another veteran gone to the eternal camping ground. The news of the death of Myrick H. Nash's death was learned with universal regret, for he was unfailingly present on such occasions and his good cheer always contributed to their success. The assembling veterans also learned with regret that John W. Titus, who had served the organization many years as secretary and treasurer was unable to be present. Mr. Titus arose and dressed with the intention of going to the hall, but was obliged to confess that he lacked the physical strength and after deciding that his resignation had been accepted, resumed his bed. Mr. Titus has always worked diligently for the success of these annual reunions and his comrades hope to see him restored to health before the next one comes around.

The inclement weather also cast a gloom over the occasion, and there was little else that the veterans could do than gather in the Grand Army hall for a chat, or confide for the pitch and arbitrage championship. Col. William P. Hurley, governor of the Soldiers' Home at Togus came to Rockland especially for the reunion and his genial presence was much appreciated.

Col. Oliver N. Blackington of Auburn, who was elected president of the association last year, had fully expected to be present, but at the last moment was unable to get away. Capt. E. A. Butler, whose recent period of invalidism was not to be guessed from his appearance, presided over the business meeting and John H. Thomas acted as secretary and treasurer pro tem. These officers were elected:

President—Frank E. Aylward, Rockland, Naval Veterans.  
Vice Presidents—Thomas Turner Waddabury, Regiment; George E. Thomas, Rockland, Battery; W. O. Steele, Rockland, Berdan's Sharpshooters; and E. A. Butler, Rockland, Naval Veterans.  
Secretary and Treasurer—John H. Thomas, Rockland, Regiment.  
Eleven deaths have been reported since the last reunion. It was voted to meet at the same place on the second Wednesday of September, 1920.

Tickets were issued to 33 veterans for an appetizing dinner which was served in the upper hall by the Woman's Relief Corps.

The oldest veteran present at the reunion was John Graves of West Rockport, now in his 91st year, and who served in the battery. James W. Clark of Rockland, who served in the Regiment was a good second with his 81 years. James G. Lane, aged 71, was the youngest man present, and must have felt almost as though it

were his coming out party. The others who registered, with their ages, were:

### NEXT WEEK'S CONVENTION

Some of the Events Which Will Make Interest the White Ribbons and Public.

The State convention of the Maine W. C. T. U. will be held in Rockland Wednesday, Thursday and Friday of next week. This is to be a "Victory" convention and will be a season of great rejoicing, on account of the wonderful victories in the temperance world during the past year. A record-breaking convention as to numbers is expected.

Mrs. Althea G. Quimby of Turner, president of the State organization, will preside. Miss Anna Adams Gordon of Exton, Ill., president of the National W. C. T. U., will be a guest of the convention and one of the chief speakers.

On Wednesday morning, Mrs. Althea G. Quimby will give her recommendations, which will be followed by the report of the recording secretary, Miss Isabel H. Slickner and State treasurer, Mrs. Vena L. Johnson. A group of patriotic conservators will speak on the various departments, the general topic being "How My Department Promotes Patriotic Citizenship."

"Systematic Giving," Mrs. Susan L. Grant, S. Windham.  
"Prison and Jail Work," Mrs. Sadie E. Boies, Auburn.  
"Economic and Alms-houses," Miss Harriet J. Loring, Oisfield.  
"Securing Homes for Homeless Children," Mrs. Vena L. Johnson, Westbrook.  
"Sabbath observance," Mrs. Georgia Newwood, Ligon.

On Wednesday afternoon will be heard the following: "Amunition for the Firm Line," Mrs. Gertrude Stevens Lovell, Portland, editor of the State paper, "Star in the East" and Miss Margaret L. Sargent, Portland, business manager. Mrs. Lovell is the only daughter of the late Mrs. L. M. Stevens. She possesses many of the qualities of her noted mother, and is a stirring, vigorous speaker.

In its early days the National W. C. T. U. announced its belief in peace and arbitration, especially in regard to international disputes. Mrs. Hannah J. Bailey of Winthrop, then a young woman, was made the first national and world's superintendent of this department. She still holds the world's superintendency, but Miss Abbe M. Clough of Winthrop is the State Superintendent of this department. Mrs. William Jennings Bryan is the present national superintendent.

Mrs. Bessie S. Oxton of Rockland, key financial woman for Maine in the Jubilee Drive of the National W. C. T. U. for \$1,000,000 will give one of the most vital reports heard at Rockland during the coming State convention. At the present writing Mrs. Oxton reports a very favorable showing for Maine towards securing its quota. Thirty unions have raised their quota and about half the remaining number have their paid or in pledges. It is hoped that the full amount will be pledged, when the counties are heard from at Rockland. Mrs. Oxton has proved the right woman for the place and with business-like perseverance has carried forward her duties.

There will be a W. C. T. U. Institute Wednesday afternoon. Mrs. Sadie H. Bates, State Superintendent will have charge of the Institute.

Several prominent members of the State organization have died during the year. A memorial service will be conducted by Mrs. Ruth E. Walsh of Westbrook, near the noon hour, Thursday.

## STUDLEY BLOCK OPENING

### Important Event in Main Street Business Circles Monday Afternoon and Evening.

The formal opening of V. F. Studley's new furniture and hardware store at 283 Main street, next south of Hotel Rockland, will take place at 1 o'clock next Monday afternoon and will last as late at night as the public cares to stay. The occasion is to be made one of more than ordinary interest, by the presence of Marston's Orchestra, which will give a continuous concert, with the assistance of several well known vocal soloists. Each lady who visits the store will be presented with a carnation, and there will be smokers for the men and novelties for the children. "And nobody need be afraid that there will not be enough to go around" says Mr. Studley.

The erection of an attractive block, 5450 and two stories high, has proceeded rapidly during the summer, and this building, supplemented by the E. D. Graves store and the annex at the rear of the new block, have provided more than 25,000 feet of floor space, and a store which probably has no equal in point of size, in this part of the State.

Special attention was given by the architect to the matter of display windows and the result is a solid expanse of five feet of plate glass on the upper and lower stories. From the opposite side of the street the effect will be very striking, and more after the metropolitan type.

The block is finished in North Carolina pine, with walls and ceiling done in heavier board, panel style. Broad stairways lead to the second floor and to the basement, the latter being fully the equal of either of the stories above it. The block was built by the W. H. Glover Co., and no expense has been spared in carrying out the owner's wishes. The electric lighting system, installed by Harold A. Bobbitt is the best that money could provide. The steam heating apparatus was installed by Fred L. Studley, and is in keeping with all of the other excellent appointments.

At the rear of the main store, ground floor, is an office 18 1/2 feet square, especially arranged for light a carpet room, 14 1/2 feet square, a stove department, 21x22 feet, and back of the last named a mistress room 22x22 feet. The Graves store will be used for the second-hand business, which will be carried on in connection with the sale of new stock.

The removal of the old store to the new will take place Saturday and Sunday, and Mr. Studley will be all ready to receive visitors when 1 o'clock comes Monday afternoon.

Mr. Studley made his debut in local business circles 15 years ago, then devoting himself wholly to second hand furniture. Shrewd management and square dealing conspired to rapid development of the business, and nobody was wholly surprised last spring when the Courier-Gazette announced that Mr. Studley had bought one of the most important pieces of real estate in the city, and would build a business block. Many marveled at his courage in building when materials and labor were so high, but present day conditions seem to fully justify his enterprise.

## THE PRESIDENT RESPONSIBLE

### He Could Long Ago Had Peace Treaty Signed, Sealed and Delivered.

Editor of The Courier-Gazette:—I have seen in the New York Sun of the 8th inst. a communication from Thomas W. Lamont, in which he points out the great loss to this country and the world, through the delay in bringing the Peace Treaty to effect. All will agree as regards the calamity; but who is responsible? None other than the President.

Putting the most favorable construction upon Mr. Wilson's motives, he has shown the least possible tact from the beginning. Instead of appointing the best men from all political parties, he made up a partisan delegation of himself and four obscure men and persisted in interweaving a beam of nations into the treaty, thus causing the delay of which Mr. Lamont complains.

Arrogantly ignoring and insulting the Senate, Mr. Wilson was instrumental in producing a document which it is doubtful the Senate can accept, thus causing more delay.

If the President had adopted the usual course, a treaty of peace might have been made speedily last year and have avoided the ten months delay that has already occurred, to the great detriment of the whole world.

E. A. True.  
Hope, Sept. 10, 1919.

## YOUR FAVORITE POEM

**BEN BOLT**  
Oh, don't you remember sweet Alice, Ben Bolt—  
Sweet Alice whose hair was as brown,  
Who wept with delight when you gave her a  
smile,  
And trembled with fear at your frown?  
In the old church-yard in the valley, Ben Bolt,  
In a corner obscure and alone,  
They have fitted a slab of granite so gray,  
And Alice lies under the stone!  
Under the hickory tree, Ben Bolt,  
Which stood at the foot of the hill,  
Together we laid the mossy shade,  
And listened to Appleton's mill.  
The mill-wheel has fallen to pieces, Ben Bolt,  
The rafters have tumbled in,  
And a quiet that crawls round the walls as you  
gaze  
Has followed the olden din.  
Do you mind the cabin of logs, Ben Bolt,  
At the edge of the pathless wood,  
And the button-bell tree with its motley limbs,  
Which high by the deep, ran the creek,  
The cabin to ruin has gone, Ben Bolt,  
The tree you would seek in vain;  
And where once the lords of the forest warded,  
Grass grows on the master's grave, Ben Bolt,  
And don't you remember the school, Ben Bolt,  
With the master so cruel and grim,  
And the shaded nook by the running brook,  
Where the children went to swim?  
Grass grows on the master's grave, Ben Bolt,  
The spring of the brook is dry,  
And of all the boys who were schoolmates then,  
There are only you and I.  
There is change in the things I loved, Ben Bolt,  
They have changed from the old to the new;  
But I feel in the depths of my spirit the truth,  
There never was change in you,  
Twelve months twenty have passed, Ben Bolt,  
Since first we were friends—yet I hail  
Thy presence, blessing, thy friendship a truth,  
Ben Bolt, of the salt-sea gull.

## To Owners of Small Cars

Note Moderate Prices On  
30 x 3, 30 x 3 1/2 and 31 x 4 Sizes

Compare the following Michelin prices with those of other makes, and you will find that Michelins cost you far less than other quality tires—less even than many ordinary tires.

The Size	Plain Treads	Universal Tread Non-Skids	Rim-Shaped Tubes
30 x 3	\$14.40	\$15.60	\$3.35
30 x 3 1/2	18.90	19.90	3.95
31 x 4	—	27.90	4.50

(Note: Prices do not include war-tax)

Michelin Tires of all sizes are famous for their durability. This is equally true of the smaller sizes, which surpass all other makes for sturdiness and service. For example, the tread of the 30 x 3 1/2 Michelin Universal, is over 3/4 of an inch thick. Let us show you a section of this tire in comparison with other makes and judge for yourself whether you too should not use Michelins.

PRESIDENT IS RESPONSIBLE

But For Mr. Wilson's Headstrong Vanity We Might Long Ago Have Had Peace and a League of Nations.

It was not Mr. Wilson's political enemies who should have tried to deter him from his tour of speech-making at this time. It was his friends.

Since Mr. Wilson left Washington the determination by definition and reservation to amend the peace treaty with the inextinguishable League of Nations has gained such strength that Mr. Wilson's dividing himself with the Senate already concedes the defeat of the treaty unamended.

He is like an actor who is not truly first class. He demands a part where he shall play not merely the principal but the only role. His duty in the matter of peace after the great world conflict was clear, and it by no means involved the idea of a league of nations.

Mr. Wilson's wise course was indicated to him in many ways, of which the Congressional election of 1918 was only one. He was beaten there on the plain issue of unconditional surrender.

He alone is responsible for the delay, for the Senate's seven weeks of deliberation cannot be placed against as many months spent by himself in forcing into the peace treaty those irrelevant and untested opinions which he parades as ideals. It is not too much to say that a great part of the world's unrest, and especially that in labor in so many countries, the development of Bolshevism under different names, would have been largely avoided had Mr. Wilson taken the course of honor.

It is now the business of the Senate to pass the treaty with the reservations which American interests require. But the world will come to recognize how a real league of nations, based upon principles universally accepted, was lost through Mr. Wilson's headstrong vanity—Wall Street Journal.

J. F. GREGORY SONS CO.

THE SEPTEMBER TERM Busy Doings at the County Building—Grand Jury Still in Session.

Knox County Supreme Court convened Tuesday forenoon and had the marks of a long session when the Courier-Gazette went to press today. There is a large amount of civil business, and the fact that the grand jury is still in session indicates a considerable amount of criminal business.

Associate Justice Charles J. Dunn of Orono is conducting his initial Knox county term, and everyone who has had to do with his court thus far is impressed by the impartial and business-like manner with which the proceedings are being handled.

Judge Dunn's stenographer is Fred I. Hyden of Portland. Rev. H. I. Holt of Camden served as chaplain. Two new court officials make their debut—Deputy Sheriff Charles W. Hawley of St. George, who has charge of the first jury; and Peter D. Lynn, who succeeds W. A. Paul as court messenger.

Deputy Sheriff W. H. Kalloun has charge of the grand jury and Deputy Sheriff J. T. McCorison has charge of the second jury. Deputy Sheriff W. C. Perry of Union appears in his familiar role as court crier. Sheriff J. C. Hobbs and County Attorney H. L. Wilbee are attending to their respective departments.

Arthur Brown of South Thomaston and M. M. Duggett of Rockland were finally excused from grand jury service. The traverse jurors excused were J. W. Hopper, St. George, O. B. Lowrey, Rockland, Everett F. Kallouh, South Thomaston, G. O. Robs, Thomaston, J. E. Shuder, Thomaston and Edison Wellman, Washington? The foremen are: Cornelius Doherty, Rockland, grand jury; A. M. Prosser, Camden, first jury; W. H. Perkins, Warren, second jury.

Elva L. Winchenbach, complainant in bastardy, vs Melville Burns, was settled out of court and entered "nether party no further action." Thompson for complainant. Bird for defendant.

The damage suit of Orel E. Davies against Thomas Hawken, in which malicious prosecution and injury to business were alleged, and which was tried before a jury last January, resulting in disagreement, was disposed of by being entered "nether party." Gould for plaintiff. Thompson for defendant.

The first jury trial was held Wednesday the case being an action on account in set-off brought by Erick B. Edgcomb of Appleton against his brother Alfred C. Edgcomb of Montville, the defendant having previously sued the plaintiff and obtained judgment in the Waldo county court. It was claimed that the account in set-off had been prepared in connection with the case tried at Belfast but through oversight was not entered. Board of

horse and general services are included in the account. The defense was a general denial of the set-off claim. As usual in a "test" case there was some amusing testimony, with indications of not lacking that somebody was stretching the truth. A verdict for the defendant was rendered. Staples and Johnson for plaintiff; Robinson for defendant.

Yesterday was largely devoted to the case of Rice Brothers Co. vs Morris and Samuel Shapiro. The plaintiff company was operating a shipyard at Boothbay in 1917 and had under construction a steel battleship, which was being built for the government. A fire practically destroyed the yard and the heat so warped the battleship that the hull was worthless except for scrap iron. Among the junk firms which bid for the materials in the wrecked yard was Shapiro Brothers of Rockland which paid \$1400. It was necessary to use flame torches in dissecting the steel hull and after the work started the owners of the yard asked the junk dealers to save out such parts as might be used in new construction. This was done, and when the dismantling process was completed Shapiro Brothers paid the plaintiffs \$500 in cash claiming that the materials delivered to Rice Brothers represented the balance between that and the sum bid \$1400. The plaintiffs claimed that the materials delivered to them were reserved when the sale was made to the junk men, but in reply to this assertion Shapiro Brothers presented memoranda of sale showing that they had bought "some steel ship and all the scrap iron in the yard." At the suggestion of the presiding justice a conference was held after all the testimony had been presented, and a settlement was effected. The entry was "nether party, no future action." Johnson and Turner for plaintiffs; Smealley for defendants.

The case on trial, this morning, and it was expected to be a brief one, was Arthur T. Simmons vs Henry Watson. A Thomson case of considerable interest is scheduled for this afternoon: Burnham Hyer, Admr. vs. Edward B. Lermund Exr.

THE UNITED WORKMEN

Rockland Lodge Had An Important Session With Grand Officers Present. Rockland Lodge, A. O. U. W., held a jubilee meeting Wednesday night, the occasion being given added prominence through the presence of four grand officers. The visitors were escorted to the lodge room by Albert Wallace and William Chapin, and were there welcomed by Master Workman B. L. Larrabee. All of the officers were in their chairs.

Grand Master R. W. Hanson of Waterville speaking in the condition of the order in this State, declared that it was the only organization which did not make an extra assessment of members in the service, and the only fraternal order which does not levy any assessment upon its members. Grand Recorder J. Warren Jones, stated that the lodge has resources to the amount of \$26,621. It has paid claims in the United States amounting to \$250,000,000 and the payments in Maine total more than \$300,000. Rockland Lodge was organized July 2, 1888. Advisory Council L. A. Walton of Skowhegan gave one of the ablest addresses on "Fraternalism" that any of the members had ever listened to. The value of fraternal insurance was strikingly set forth. L. A. Langley of Lewiston dwelt wholly upon the fraternal phases of the order. Mrs. Kate Chapin, overseer of Rockland Lodge, read an appropriate poem. At the close of the meeting Mrs. Ida Humley and Albert Wallace led in singing "America."

A dance followed with music by Carler's Orchestra. Addison L. Shuts was door manager, assisted by Edgar A. Brown.

The occasion was one of great pleasure to the members and undoubtedly profit to the lodge.

Dr. A. K. P. Harvey, who has been combining medical practice with his summer vacation in this city, has decided to locate here and is now in Washington, D. C., closing up his affairs there. Dr. and Mrs. Harvey will occupy the Rockland Hotel Annex this winter.

RESULT OF TRESPASSING

Fred Copeland's Tragic Death at Thomaston So Viewed by Public Utilities Commission.

The Public Utilities Commission has rendered its decision on the accident near the Thomaston railroad station Aug. 25, when Fred Copeland while walking upon the railroad track between Elliot street and Mechanics street in Thomaston, was struck by Maine Central Extra Freight No. 281, at about 5:37 a. m. and instantly killed. The decision says in part: "This accident is the direct result of trespassing upon the railroad track. This practice is altogether too common, but we believe that everything possible is being done to prevent it. Many accidents could be avoided and many human lives saved each year, if everyone would remember that a railroad track is a dangerous place and that he has no right to be there. Until the law relating to trespassing on railroad tracks is more generally observed by the public, such accidents as we are now considering must inevitably occur."

Mrs. Willard Sprague of Haverhill, Mass., is visiting her cousin, Mrs. Harry Winkworth, Mr. Sprague, after a brief stay here has gone on a fishing trip to Hartland and Calais.

George F. Allen, a member of the night police force in Bath, is spending his vacation in this city, where he resided 14 years ago. He has been with Bath's "Times" two years. Mr. Allen had the good fortune to invest in a Bath residence before the boom struck, and is very comfortably located on High street. Peter Nelson, who has been home on a month's furlough, left yesterday for New York to resume his duties with the Military Police. He is hoping for an early assignment to sea duty. Knox county's statistics for the Maine Register were not compiled this year by Henry V. Starrett of Warren who has had charge of that work practically since 1888, and he was missed all along the line. Mr. Starrett has severed his connection with the publishers in order to attend to his farm and his duties as president of the Georges Valley Fruit Growers' Association. Nelson B. Cobb is in receipt of a letter from Mrs. Thomas Bailey Aldrich, making grateful acknowledgment of his recent gift to the Aldrich Memorial in Paris, N. H., of a "pie" shovel and an iron implement with a four-foot handle used in ancient times for rescuing pigs from the deep recesses of the "brick oven." Mr. Cobb obtained the shovel many years ago, through the late Sanford Starrett, who told him it had formerly been used in the kitchen of Gen. Knox. Mr. Cobb, who is a noted collector, says that this is the only pie shovel he has ever come across, and he thought its natural destination should be the Aldrich Memorial, which kitchen is a rare repository of things unique. The Memorial, by the way, is to close its twenty-fifth season, Sept. 25, having had the largest list of visitors in its history. The August issue of Country Life published a rare descriptive article on the place, from the pen of Alice Van Leer Garrick, "The House of the Bad Boy," with numerous illustrations.

Dennis McMahon superintendent of the sardine factory, has bought through E. J. Smith's real estate agency, the J. Fred Hall house on South Main street. Donald L. Karl of the Post Office staff was operated upon for an advanced case of appendicitis at Sibley Hospital yesterday, following a brief illness. Latest reports are quite reassuring. Percival Kenerson of North Conway, N. H., who was injured at the corner of Summer street, Sept. 3, when his motorcycle collided with an automobile, is gaining steadily at Sibley Hospital, and will probably be able to return home in about a fortnight. Fred Gates, who also figured in the accident, shows but little effects of it, but has never ceased to thank his lucky stars that both came out of it alive. The managers are prepared to furnish a menu for next Thursday's exhibition which cannot fail to satisfy the appetite of all the musical devotees. Dubie and the Leviston cyclone is matched in the main bout with Fred Mollen of East Boston, and the sparks will fly the moment those two doughty fighters enter the ring. Kid Mason and Young Ritchie are due to put on the most exciting kind of a scrap, and are said to be dying on razors so as to be on edge for the affair. There will also be a good preliminary. Harvey Clinie and family entertained a party of Rockland friends at their home in Spruce Hill last night, and their delightful hospitality soon made the yard the target of drizzled rain and the din for which enraptured the crowd. Instrumental music was furnished by Thomas Fleming and William Vinal, and Woodbury Thomas favored the company with several vocal solos. A hot supper was set forth. The guests additional to those mentioned were William Montgomery, Percy Gordon, Palmer Robinson, Frank Butler and Francis Saville. Lewiston Journal—Veterans of the First Maine Cavalry, gathered at the banquet board in Lewiston Wednesday night, and delighted with the unexpected arrival of J. P. Gilley of Rockland. He was given a reception such as few are privileged to enjoy; and a little later, when he responded to a toast, the three cheers and a tiger that greeted him almost filled the roof. Gilley is a native of Rockland, and as his trip to Lewiston shows, and in the full prime of mental vigor, no man in Maine is more beloved, and there was no braver soldier in the Civil war. Francis E. Harrington, who has been superintendent of schools in Woodstock, and formerly in Canaan, is now the principal of the school in the town of Putnam, and has been appointed inspector of night schools in that state, and will enter upon his new duties Oct. 1st, with headquarters at Hartford. The season of night schools in Connecticut is from October to April, and Harrington will spend the additional time to provincial schools. The appointment to this fine position came unsought, and was a great surprise to Mr. Harrington, especially as the position had many aspirants. Mr. Harrington has held his present position for several years, and has been a difficult district doubtless led to his promotion. Capt. Richmond P. Hobson's lecture in the First Baptist Church Wednesday night did not draw quite so large an audience as the speaker's fame deserved. The subject of the lecture, "The Memory of the Future," will be well repaid by the appreciation which was shown when his most telling points were being driven home. Capt. Hobson gave a graphic word painting of the Merrimac affair, dealing modestly with his own share in the affair and using it rather as an illustration of how he was strengthened and revived in that crucial hour by communion with his Maker. Capt. Hobson paid a splendid tribute to the work of the Yanks Over There, and declared that they brought about a decision of the conflict because their brains were not doped by liquor. The speaker's appeal for support in the work of worldwide prohibition resulted in a gratifying list of pledges.

If you are contemplating the purchase of a piano this year now is the most opportune time to make your selection. You will find in the piano department of the Maine Music Company, a splendid assortment of new, high grade pianos, fresh from the factory. These with the used pianos returned from summer cottages, will give you a great variety to select from. Quality combined with reasonable prices and convenient terms makes piano buying easy and guarantees satisfaction. The best bargains are always first to go.

SOLOMON HAMILTON Isle au Haut was saddened Sept. 4 by the death of Solomon Hamilton, its oldest resident, who was in his 95th year. Death came after a long illness. Mr. Hamilton was born April 1, 1829. He was married to Sarah E. Harvey in 1857, who still survives. From this union were born 14 children, seven of whom are now living, five daughters and two sons. He also had 42 grand children and 26 great grandchildren.

The funeral services were held Sunday at his late home. The bearers were four of the grandsons, Ernest and Walter Coombs, Franklin Barber and Everett Robinson. The many beautiful flowers showed the esteem in which he was held by all who knew him. The remains were laid in the family cemetery.

"We must not allow little groups of selfish men to plot the future of America," said the President at Kansas City. No, indeed, not even a little group of one.

BORN Marberg, at Britt Materials Home, Rockland, Sept. 10, to Mr. and Mrs. O. L. Marberg (Miss Alice Cousins) a daughter—weight 9½ pounds. Marberg—Rockport, Sept. 9, to Mr. and Mrs. Edgar Pitts of Lynn, Mass., a son. Whitmore—North Haven, Sept. 3, to Mr. and Mrs. Harry A. Whitmore, a daughter—Lillian Marie.

# Quick remedy

The sufferer from biliousness is only too familiar with all its disturbing symptoms—loss of appetite, headache, dizziness, nausea and vomiting, oftentimes meaning prostration for two or three days and the consequent loss of time from regular duties. Such attacks vary in frequency and duration with different individuals, but there is really no occasion for them to occur at all. That old reliable household medicine "L. F." Atwood's Medicine, taken in teaspoonful doses morning and night, rarely fails to wholly prevent an attack of sick headache or biliousness. If this preventive measure has not been adopted, a deservingly spoonful when the first symptoms appear, will almost invariably ward off a severe attack. It may be obtained of any dealer, in large bottles for fiftycents, or samples free for the asking. "L. F." Medicine Co., Portland, Maine.

A very pretty wedding took place Sept. 3 at home of Mr. and Mrs. Eben Cobb, when their younger daughter Mary Frances was united in marriage to Eugene Bliss Marriner, Rev. F. C. Worcester of Clinton officiating, with the assistance of E. E. Harrison. The double ring service was used. The wedding march was played by Miss Angie Paine. The bride was charming in a gown of white crepe de chine and carried a bouquet of white asters. She was attended by her sister, Mrs. Helen E. Cobb, who was gowned in pink crepe de chine and carried a shower bouquet of mixed flowers. The best man was Paul G. Whittemore of Fayette. An informal reception was held and refreshments were served, after which the happy couple left by auto for Paris unknown. Mrs. Marriner is a graduate of Kent's Hill Seminary and is the favorite of a large circle of friends, an accomplished musician who willingly gave her services as organist for the M. E. church, of which she is an active member. She is also a member of the O. E. S. and Victor Grange. The groom, one of our most popular young men, is the only son of Mr. and Mrs. W. U. Marriner, a graduate of Camden High and Colby College. He was very successful as principal of North Haven High School and is engaged for the coming year as principal of the High School in Rangeley.

**THE MODERN BRAIDED RUG**  
Almost everybody who has been in a New England farmhouse knows what Hand Braided Rugs are—but how many who are familiar with the type which is made from the family rag bag realize that an industry employing several hundred Braid Rug Makers is in existence right in this State?

Yet it is a fact. The Pinkham Associates, Inc., an organization of Braid Rug Makers, has been in existence in Portland, Maine seven years ago. Just a few women supplied the demand at first but as the years went by, more and more became Pinkham Associates and took up the work.

Of course, the modern braided rug is somewhat different than those which were made from odds and ends for the present day rugs are made entirely of new cloths which are purchased direct from the mills and have never been used in the past. The patterns are all carefully planned by Pinkham Associates Designers and the cloths are dyed for the colors required by Pinkham Associates Dyers.

The actual making of the Pinkham Braided Rugs—the braiding and sewing the homes and farmhouses, by women who want to be earning money for the rug—is done now as it always was, in the homes and farmhouses, by women who want to be earning money for the time not required for their household duties.

Full particulars about the work will gladly be sent to any woman who is interested to know more about the industry by addressing Pinkham Associates, Inc., 117 Washington Ave., Portland, Maine—city.

## Toll Service At Reduced Cost

**YOU CAN SAVE ABOUT 25 PER CENT on toll rates if you can use the station-to-station method; that is, asking for "Anyone" when making a toll call.**

When your business cannot be transacted except with one particular person, and there is doubt that he will be at hand when called, the use of this method is not advised.

In such cases the person-to-person call is recommended. In most instances, however, the person wanted is at hand, or there is present some alternate with whom business may be transacted or a message left.

If, in your judgment, you can get satisfactory results by calling for "Anyone," it will pay you to do so.

**YOU CAN SAVE MORE THAN 50 PER CENT on toll rates for calls to points more than 75 miles away, between 8.30 p. m. and midnight, if made by the station-to-station method; that is, if the call is made for "Anyone" instead of for a particular party.**

Lesser reductions apply to points over 32 and less than 75 miles away.

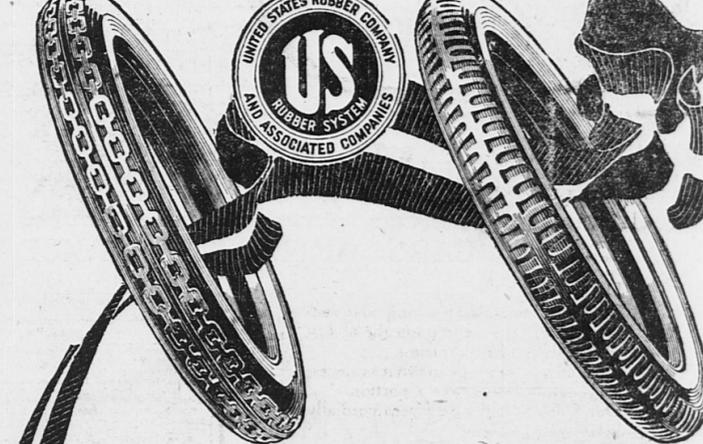

**YOU CAN SAVE 75 PER CENT on toll rates for station-to-station calls made between midnight and 4.30 A. M., to points more than 75 miles away, if made by the station-to-station method.**

Quicker service will be obtained if you call the telephone number desired. If you do not know the number, the toll operator will get it for you.

**Illustrative Comparisons in Cost for Calls to points from 75 to 300 Miles Away.**

FORMER SHERIFF INDORSES TANLAC

"Money Couldn't Buy the Good It Did Me," Says Hon. A. R. Anderson.

"Money couldn't buy the good Tanlac has done me, and I will gladly recommend it for what it has done in my case," said Hon. Archie B. Anderson, of Houston, Texas, ex-Sheriff of Harris County, recently.

Mr. Anderson is unquestionably, not only one of the best known, but one of the most popular men ever held public office in the State of Texas. After serving as Deputy Sheriff of Harris County for twelve years, Mr. Anderson was elected Chief of Police of the city of Houston. He had occupied this office only a short time when the Sheriff of Harris County died. Mr. Anderson's friends persuaded him to make the race for the unexpired term of Sheriff to which he was easily elected. He was honored with re-election seven different times and served the people in this important office for fifteen consecutive years. Then Mr. Armstrong declined reelection and retired to private life. He cast his lot among the people of Houston and is a large property owner and prominent citizen of that interesting and prosperous city.

"I was in a run-down condition," continued Mr. Anderson, "and had no appetite at all. I could hardly sleep at night and never felt like getting up in the morning. I was so tired, I had the worst form of indigestion, suffered all the time from gas on my stomach, and was continually belching up undigested food. I had to take my coffee without sugar, as when I drank it with sugar, I would just belch for hours. I would not eat and my health was so poor that I began to feel that I was being poisoned and suffered with neuralgia, which was the worst sort, and nothing seemed to help me only in a temporary way. I just can't tell you how I did suffer for the past four years and up to the time I began taking Tanlac, a few weeks ago.

"When I began taking Tanlac, I felt like I had been relieved of troubles like mine I just felt like I couldn't make a mistake by taking Tanlac and it has done even more for me than I had expected. I began to feel better after taking my first bottle and within a few days I was started on my third and I'm different man already. I sleep like a log now and eat just any and everything I want without the slightest discomfort afterwards. I am glad to endorse Tanlac because it does the work and I'm telling all my friends just what it's doing for me. I never felt better in my life than I do since taking Tanlac. I am willing for you to publish my statement and let every suffering person who may wish benefit by my experience with this great medicine."

Garrett Schenk vs.
Georges Valley Railroad Co., et al.

ORDER OF NOTICE
Whereas, in pursuance of decree made by this court, the property, rights, and franchises of the Georges Valley Railroad have been sold, and the report of the receiver making thereon is on file in this court.

Now, it is ordered, that all parties having any claim against said railroad, its property, rights, or franchises, do hereby file in this court at Supreme Court Room, Rockland, on the 16th day of September, at ten o'clock in the forenoon, and prove said claim, that the right to the proceeds of said sale may then and there be adjudicated.

That said notice be given by publishing this order three times in The Courier-Gazette, a newspaper published at Rockland, Maine, the first publication to be at least ten days before the date above fixed.

### THE YOUNG REUNION

The 28th annual reunion of the Young family was held at the old home of Sanford Young at Pleasantville, Sept. 4. There was a good gathering. Several families from Lincolnville, Warren, Rockland, Camden and West Somerville, Me., attended. Mr. and Mrs. Herbert Young of West Somerville have become members of the reunion together with Maurice Wyllie, Miss Bessie Carol and eight little youngsters. The day was glorious and after a lunch lay for the gods the Young people found plenty of amusement in taking snap shots of different groups and in posing on the lake. Even though there were white caps on the water and some got a ducking once in a while it was great fun. At about 2 o'clock the president, O. H. Blake of Rockland, called the meeting to order. Chaplain L. H. Young of Pleasantville offered prayer. The new officers and committees are: President, L. H. Young; vice president, Myron Wentworth; Garter Daniels and Fred H. Wyllie; chaplain, Fred Wyllie; secretary and treasurer, Miss Carrie Wyllie; committee on location, Deleston Young, Fred Young and Myron Wentworth; committee on obituary, Josephine Young, Mrs. Fred Hardy and Mrs. Parker Young; committee on entertainment, Myra Young, Chester Wyllie and Mrs. Laura Robinson; committee on arrangements, Mr. and Mrs. Fred Wyllie and Allen Young. It was voted to hold the next reunion at the home of Fred Wyllie in Warren.

### OVERLOOK-ESANCY REUNION

The 8th annual reunion of the Overlook-Esancy families, held at Burketville Grange hall Sept. 4, was very pleasant and successful, both families were well represented. The day was fine, everybody in excellent spirits, and the dinner one of best. After dinner a short time was spent in recalling past days. The meeting was called to order for business by Brother W. E. Overlock. Mrs. Ella Butler as chairman of the entertainment committee furnished an excellent program. Special mention should be made of the instrumental music by Olive Overlock. Officers were elected: W. E. Overlock, president; Ella Butler, DeForest Ripley, Jesse Overlock and Frank Esancy, vice president; Carl Overlock, secretary and treasurer. It was decided to hold the 1920 reunion at same place in September. Several letters from absent members who were unable to attend were much enjoyed. Cards of invitation are sent to all members by the secretary and it is hoped the next year all those unable to attend will drop a line of greeting to secretary to be read.

### THE MANK REUNION

The fifth annual reunion of the Mank family was held at Old Spring Grove, East Waldoboro, Sept. 4, having been postponed one day on account of the heavy rains. Many who had planned to attend Wednesday were unable to make arrangements to be present on the following day. Mrs. Sarah Benner, aged 85, was the oldest of the 110 members present, and Charles Leavitt Bowers, aged 7 months, was the youngest. The business meeting was called to order by L. I. Mank, and these officers and committees were chosen: President, L. Forest L. Mank; vice president, Leavitt L. Mank; secretary, Hazel Bowers; treasurer, Edwin A.

### Is Ice Cream Ice Cream?

Some people have an idea that ice cream is ice cream, and that's all. There is a great difference between ice cream and Jersey Ice Cream. When we make ice cream, ours is not an indifferent mixing of ingredients. We make a careful selection of materials that go toward making up Jersey Ice Cream—just the right kind and amount of flavoring and sweetening, and scrupulous care and cleanliness in every stage of handling. ## A TEACHER OF "NEW THOUGHT"

Believe "FRUIT-A-TIVES" Highest Result of "New Thought" in Medicine.

MR. A. A. YOUNG

"I am not in the habit of praising any material medicine as I am an advocate of New Thought, but some time ago, I had such a bad attack of Liver and Stomach Trouble that I gave up thinking I did not have it, and took a natural medicine, 'Fruit-a-tives' or Fruit Liver Tablets.

Most gratifying was the result. It relieved my liver and stomach trouble, cleaned up my yellowish complexion and put new blood in my body.

While I am no backslider from 'New Thought', I feel there may be times when a help to nature may be necessary; and if so, I believe that 'Fruit-a-tives' is the highest result of New Thought in medicine."

### NORTH HAVEN

Misses Vona and Serita Beverage have returned to their duties in Washington. Mrs. Mary Leadbetter returned from Lewiston Wednesday and attended the Leadbetter reunion Thursday. Miss Charlie Gillis arrived home from Washington last week. She has the month of September for her vacation. James Lewis goes very soon to Portland to attend the Portland High School. Mrs. James A. Lewis of Rockland was the guest of Mr. and Mrs. George F. Lewis Thursday. Miss Edith Hopkiss, who is a teacher in the Malden schools, has entered upon her duties. The summer has ended and our season's guests are leaving. A few are to remain until October. The wedding of Miss Ida Brown, daughter of Mr. and Mrs. Will Brown, took place at noon Monday.

### WEST LIBERTY

F. S. Emerson has sold his farm buildings and lumber lot to parties in Lewiston, who have also bought the Boynton and Thomson lumber lot and will put a mill in this fall. We note of a big pickerel a South Liberty party caught that was 230 inches long and he claims it is no fish story. It certainly was some fish and your humble scribe can only remember of one larger which he caught when a small boy which was, if we remember correctly, 275 inches and it took four men to land him, and a pair of horses to haul him home, and this is no fish story. Mr. and Mrs. R. P. Morang of Montville Center and Misses Hilda and Dorothy Johnson were the guests of Mr. and Mrs. Willis Turner Sunday. Bert E. Cunningham, while cranking his motor car, had his leg and arm jammed with the pedal so badly that he has been unable to walk on it for a week. Bradstreet & Coles, our local meatmen, bought two wild bulls of A. F. Boynton which had to be shot. V. D. Bradstreet shot one and B. E. Cunningham the other; the latter fired 28 bullets into his head before he would stop and go down. To say they are tough is no name for it. Bert Brown, who has been visiting his family has returned to his work at Middleton, Conn. Alfred Barlow last his valuable horse No. 28-Go one day recently. It is said he died of a broken heart. Your scribe doesn't think so, as he was too old for such foolish things. Morton L. Clark went to Bangor to attend the funeral of his brother, James Clark, who died there recently.

### LIBERTY

James Overlock, A. Fuller and Harlow Flanders are working for Stanley Powell building a barn on the Golden place. Mrs. John Light and son Lewis have been on a visit to relatives in Augusta. Mr. and Mrs. George O'Brien and daughter of North Vassalboro called on Mr. and Mrs. Everett Overlock Sunday. O. B. Fuller was in town Monday on business. Clifford Leiger is working for C. E. Overlock, digging potatoes. Bernard Leiger is working for Roscoe Cunningham. Mr. and Mrs. Harry Cunningham of Boston are visiting relatives in town. S. T. Overlock is doing mason work for Miss Powell.

### WEST APPLETON

Frank Johnson is home from Toga for a visit. Harry Miller of Bath spent Sunday with his family. William McLain was in North Appleton recently calling on friends. Ray Bartlett has built a silo; Riley Linscott of Burkettville did the work. Mrs. Lois Bartlett, who has been visiting in Franklin, has returned home. Mr. and Mrs. George Fowles were in Belmont Sunday. Mr. and Mrs. Sherman of Washington were week-end guests of William McLain and family.

### GREEN'S ISLAND

Mrs. Fred M. Robbins of Heron Neck Light station is visiting her mother at Southwest Harbor. Her husband expects to join her later. Mr. and Mrs. Fred Haggitt have returned home after spending a vacation at Sea View, and we are wondering if Mr. Haggitt is still watching for the hawk. I Lawson Bray spent the weekend with his mother, Mrs. Rilla Bray. Miss Flora Bray spent Wednesday in town. Bert Witham loaded the sardine boat Fish Hawk Sept. 7. Mrs. Rilla Bray and son Phillips have gone on an extended trip to Portland. Douglas Gamage has been visiting his sister, Mrs. Oliver Wiggin, at the pound. Capt. Witham in the Trimburial, called at the island yesterday. We are all glad to hear that his wife is gaining at the hospital. Bradford Bray spent Sunday at North Haven. Mr. and Mrs. Bert Witham entertained company at Sea View Thursday. A most enjoyable evening was spent in playing games, after which a delicious buffet lunch was served. Bradford Bray picked up a bottle on his way from his lobster traps Tuesday. The bottle contained a card asking the finder to send for his reward at St. Andrews, N. B.

### THE FRIENDSHIP CONTROVERSY

Garden Vandals Wore Woman's Tennis Shoes Says This Correspondent.

Before reading this brief but truthful item, just get a copy of last week's Courier-Gazette and under the heading "That Friendship Affair," you may read a few lines that must have been written, either without regard for truth, or through ignorance. The story first tells about a certain "beautiful home" is Friendship, and this perhaps is true for we have many fine dwellings here, but the writer should have considered that a fine home and lawn does not constitute a "beautiful home." But this is where the "fiction and exaggeration" departs from the truth, in stating that the garden was destroyed by some kind person during the night after the boys returned from court. From my personal experience I could hardly call the party that did this dirty work a kind person. As a matter of fact, if the garden was hurt at all, it was surely done the night before the trial. Perhaps public sympathy was needed. The next morning the debris was cleared away so that the great multitude of people could come and gaze upon this awful destruction, they could not locate the exact spot where the hurricane had struck.

In this garden were a few bean poles and a handsome crop of weeds, and the only change that the destroyers made was that the bean poles were partly undressed. Of course this was an embarrassing position for Mrs. Bean Pole to be in, but it happened that the Messrs. Bean were all gentlemen and so they turned their heads. The invader must have forgotten to wear a pair of men's shoes, for the tracks left in the garden were those of a woman's tennis shoe, and the Friendship males left off wearing those in 1744. Of course the boys will have to take the blame, especially from those who do not know conditions. But supposing a crowd of boys did so to that garden intending to put it out of commission. If they couldn't have done a better job than the party who addressed Mrs. Bean Pole, then I'm ashamed to call myself a son of Adam. A Soldier and a Bill Player.

## Hebron Academy

HEBRON, MAINE

YOUR boy or your girl—his future or her future—depends upon the training of today.

At Hebron, students—girls and boys—receive the advantages of a school national in reputation and national in scope. Here the environment, the close contact with students from many parts of the country, the course of studies, the plans of play, make for better bodies and broader minds.

Hebron Academy is ideal for college preparation and also offers practical courses for those not preparing for college. Its location, without resort to distracting entertainments, affords an excellent opportunity for study, and conditions are most home-like.

Of ten buildings two are dormitories, one for girls and one for boys. Both are of the most spacious and most beautiful type in New England. Wholesome rivalry in all sports.

Practical courses including Sewing, Home Economics, Domestic Chemistry, Delineating and Business English and Arithmetic. For catalog and further information, address

GET A GOOD GRIP ON HEALTH

Look out for the unnatural weakness that indicates thinning of the blood, and lack of power. It means that your bodily organs are starving for want of good nourishment; that the red corpuscles are fewer, unequal to demands of health. Hood's Sarsaparilla increases strength of the delicate and nervous, restores red corpuscles, makes the blood carry health to every part, creates an appetite. If you need a good cathartic medicine, Hood's Pills will satisfy.
