Description of the Papers

This collection of approximately 75 items largely consists of histories he wrote about Turner, Maine, the Bonney family, Portland Junior College staff, and himself. There is a poetry file as well. The chronological file has several World War II letters from former students and there is a 1951 postcard cancelled on the U.S.S. Allagash. Honorary degrees and a taped 1974 interview with Bonney conclude the material.
