Volume 1, No. 3
April 1997

LAST CHANCE TO LOBBY YOUR LEGISLATOR TO PASS L.D. 1116 - AN ACT TO PREVENT DISCRIMINATION!!!

If you have not done so already please immediately call or write your state representative & senator and urge them to Vote Yes on this bill. MLGPA especially requests that people in Donald Berry's (Belmont, Waldo, Morrill, Lincolnville, Searsport, Swanville, Searsmont) and Rodney McElroy's (Burnham, Freedom, Knox, Liberty, Montville, Palermo, Thorndike, Troy, Unity) districts are especially asked to contact them, For State Reps: call 1-800-423-2900 or House of Representatives, State House Station #2, Augusta 04333. At home Mr. Berry is 342-5675 and Mr. McElroy is 948-5225.

If you speak to either of these gentlemen and get a definite response, one way or the other let Mitzi know at 338-5889. We believe Joe Brooks (Brooks, Monroe, Frankfort, Jackson, Prospect, Stockton Springs, Winterport) will vote to pass, but if anyone could confirm this to Mitzi it would be appreciated. They are trying to get a head count in the House as the vote to pass there is not as sure as it is in the Senate! Other folks should send letters of thanks to Senator Susan Longley for her co-sponsorship and leadership on this historic piece of legislation and to State Rep. David Lindahl (Belfast, Isleboro, Northport) for his promised support. Senator Longley can be reached at State House Station #3, Augusta 04333 or 1-800-423-6900 and Rep. Lindahl at the above House of Representatives address.

COMMON CIRCLE FOR HUMAN RIGHTS APPLIES FOR MAINE EQUITY FUND GRANTS
