CLASS ODE

*How well we remember
How well we recall
Faces of yesterday,
Remember them all.*

*We remember the passion
To strive and succeed;
We remember the yearning
To guide and to lead.*

*So many have helped us;
A hand stronger still
Has outward been straining
To grant us the will.*

*The will to succeed,
To achieve what we've done.
The will to deserve
This tribute we've won.*

*The passion of youth
How it hungrily waits
To reach that great height
When each one may partake.*

*To teach little children
To help in some way,
To make their tomorrows
Both brighter and gay.*

*College—we'll miss you
Our life has been here.
Each memory you gave us
Will live through the years.*

*To you who have helped us,
To friends, old and new,
We owe this great day
Of tribute to you.*

*Darkness will fall,
Stillness will come,
The future is ours;
New life has begun.*
