PJC BEATS MVTI 53 -54

In a rip-roaring game at the Portland YMCA, PJC's hoop squad fought, wrestled and scored in spurts to take a win over a trying but defeated MVTI team. The MVTI'ers gave up height but sharp-shooting Bill O'Gara, Bob Kelly, (Wrestling) Jim Caselden, (Ace) Jim Degifico, (hey-pasano), (Scrappy) Maurie Melloon, Butch Currier, and the rest of the squad (You too, Odie) ...really put on a good show for PJC. At times though, it looked like the squads should have brought along their football gear instead of just kneepads. A rip-roaring salute to our PJC cagers from the NEWSANCE staff.

JAZZ CLUB HEARS NEW KENTON ALBUM

At the regular Wednesday night meeting of the Jazz Club in the cafeteria at PJC, the members had a fine time listening to records from the new \$25.00 jazz album, "The Kenton Era" which features the entire musical career of Stan Kenton. Such adjectives as "fabulous" and "the greatest" were heard all evening. The club is planning a special series of lectures and music on the history of jazz, from New Orleans to the present. This is an excellent chance for anyone who doesn't know anything about jazz music to find out all about it. Don't be a deadhead, - become sophisticated and be able to discuss this favorite college topic! Now's your chance to gain some knowledge in a different field. See Paul Bankson, Norm Richards, or Dick Winckler, and they'll be glad to welcome you to the Jazz Club.

Congratulations, Students of PJC!!

The collections at the assembly for this year's Heart Fund Drive far surpassed those of previous years and the results were beyond the highest expectations. Twice as much was collected as was expected. On behalf of the Maine Heart Association, Dick Kilbride says thanks to the students, Mrs. McCormack, and Mrs. Fisher for their help. The NEWSANCE staff says congrats to Dick, and to you students!

Campus Cat Calls In Back <sup>Staff</sup>

The Newsance Staff has unanimously voted to "PURGE" any and all literature pertaining to "KILL-JOY" Dior the guy who has ruined more beautiful scenery than all the B-29's did in WWII....Moe Sharpe says; "That guys gotta go"....(What's your sentiments???)..One jerk to another.."I can swim, Cancee?"....They say a man's home is his castle well it is , until you get married....This Week's Poisonality: "the guy that never studies but agrues over his exams like he was an Encyclopedia Britanica".....We may not have seen any groundhogs around here last month but "Dagmar" our PJC Gray Squirrelrell showed her Puss ~~around~~ around the Campus now and then....If you boys with the negative exponents to solve think that's hard, just think what the Bureau of Internal Revenue goes through to figure out your income tax returns.....There seems to be some debate over who has the most unique type of tie Mr. Freundlich or Mr. Goff....Some of the boys around here look like they have been on a good old fashioned "Bender".. but its only the boys of the Beaver Dance Fame trying for first honors... Are the winters getting colder...well, read this and find out...Since the plunging neckline went out of style, last winter, the boys started wearing their gloves again....?????Don't those muddy paths around here remind any of you guys of some-where else...That's right ...the Rice Paddies in Korea.....Our two go-getters Leight Brown and Ed Logue did a swell job for last week's supper....Keep it up, boys..... *It Could Be You!!!*

Would you....the student of PJC, like to be one of those eleven American fliers held in Red-China on outrageous charges?? You are damn right you wouldn't....they are rotting to death for lack of appropriate public sentiment. It's the duty of every American to "Sound-Off" to his Congressman and demand that they be released by whatever means are possible.

In the early 19th Century, when our American sailors were held in Algerian dungeons, did we act the way we are acting now? Not on your life..the slogan then, and it worked wonders, was "Millions for Defense, But Not One Cent For Tribute!"

Why wasn't this our sentiment when our fliers were ransomed from the Red-dominated Czech government???

It's because you and I, the Average American, do not realize how important our Voice in the Government really is.

Your Voice directed in the promotion of the "Will" to free these men held in Red-China and put a stop to the ever-increasing encroachment of American Civil Rights by Red-Prevaricators is the most important weapon in this country today.

Write your Congressman today!!! It could be you?????

An asset to any school is someone who will contribute his services.. L. Brown has contributed more then that required of any ten men... He has made a Ping-pong table for PNC'S enjoyment and yours...The Student Council provides the materials ans "BROWNIE" produces..Who knows maybe we can promot a tennis-table tournament. Thanz Brownie.
