We were quite pleased by the favorable response to the content and format of issues 1 and 2 of Volume 74. The cover design was compliments of Mr. Paul Stevenson of the Graphics Arts Section of the University Publications Office.

The Editor-in-Chief for Volume 75 of the West Virginia Law Review is Donald M. O'Rourke of Martinsburg, West Virginia.

The Law Review apologizes for failing to give credit to Miss Jean Hamm for her collaboration with Mr. Ray Ratliff in his Fairness Doctrine article appearing at page 120 of issues 1 and 2 of Volume 74 of the Law Review.

Because of funding problems and increased publication costs, we have been forced to limit this year's Law Review to fewer pages than in the past. This has caused us to omit some quality articles that would otherwise have been published.

We invite you to peruse this issue of Volume 74, and we welcome any comments concerning the articles contained herein. It is through this process of feedback that we are able to produce the type of publication that is the most useful and informative to the Bar.
