After I wrote I realized that I did have a paper to present (which I had written for submission to Recherche Sociologique).

"The French Mother tongue Population of Miami in 1908 and 1970: A Research Note"

I will use that on March 2. Thanks for support.

Dear Madeline:

Got your letter on Tuesday. Good to hear from you again. Yes, I will schedule you for the standard allotment of fifteen minutes (15 mins.), during which you can deliver a presentation on your preliminary findings and methodology used in your census analysis relating to Maine residents claiming French as a mother-tongue.

The final details of the meeting will be sent out within the next couple of weeks---and I will list your topic as one of the presentations.

Thanks for supporting our efforts.
