Kennedy Out to Win Support in Congress

By JACK BELL
WASHINGTON (AP)—The Kennedy administration buckles down this week for an operation aimed at salvaging part of its battered legislative program and putting opponents of its proposals on record.

First on the agenda laid out in a series of conferences between congressional Democratic leaders and White House aides is an effort to get the House to accept a \$277-million stopgap money measure the Senate passed Saturday.

Canada Begins Belt-Tightening

OTTAWA (AP)—Canada today began a belt-tightening emergency austerity regime of widespread tariff increases and government economy ordered by Prime Minister John G. Diefenbaker to bolster the Canadian dollar.

Diefenbaker, whose Progressive Conservative party was badly weakened in the general election last week, called on Canadians to support the new measures "in a spirit of national purpose."

Stock Market Sharply Lower, Trading Heavy

NEW YORK (AP)—Stock market prices suffered another sharp setback in heavy trading today. Almost all sections of the market were lower by early afternoon with most key issues down fractions to 1/4 share.

Analysts were unable to cite any new economic factor that might be contributing to the continued decline. The rapid trading pace caused the ticker to run late at times.

State Highway Toll Up to 248 Over Weekend

BY THE ASSOCIATED PRESS
Traffic accidents claimed the lives of a man and woman in Minnesota Sunday and a young Waldorf, Minn., man early today, carrying the highway toll to 248 compared with 295 a year ago.

Dead were Harland A. Jeddelloh, 19, of rural Waldorf, Peter Wellvang, 74, Zumbrota, and Mrs. Jennie Cavillia, 48, Minneapolis. Jeddelloh was fatally injured early today when his car went off State Highway 30 near Amboy, about 20 miles south of Mankato, and rolled end for end in the ditch. He died in a Mankato hospital about three hours after the accident.

Wellvang was killed when his car collided with an ambulance as he pulled out onto Highway 52 from a side road near his Zumbrota home.

The ambulance was carrying Myron Vincent Sr., 60, from a Rochester hospital to the Twin Cities airport, where he was to have been flown to his Inglewood, Calif. home.

Vincent instead was returned to Rochester for treatment of injuries. Only cut and bruised were Craig Thompson, 22, Minneapolis, the ambulance driver, and Herbert Robertson, 24, Byron, his assistant.

Mrs. Cavillia died in a head-on collision in the Minneapolis suburb of Brooklyn Park late Sunday.

Two other Minneapolisites, Albert Bergstein, 66, and Esther Nelson, 61, both were hospitalized in reported serious condition.

Khrushchev Flies Home After Week in Romania

VIENNA (AP)—Soviet Premier Khrushchev flew back to Moscow today after a seven-day visit to Communist Romania. He praised the warm Soviet-Romanian friendship in a brief farewell speech.

Radio Bucharest said a great crowd lined the streets to the airport, covering them with flowers for the official motorcade.

West Invites Russia to New Berlin Talks

LONDON (AP)—The Big Three Western powers today invited Russia to new four-power talks in Berlin to ease border tensions and promote free movement in the divided city.

The Western powers left open the date for the proposed parity. Similar American, British and French notes delivered at the Kremlin rejected Soviet charges that the West is to blame for a recent series of shooting incidents across the Communist-built wall.

Britain's note, released here by the Foreign Office, countered with this observation: "It is significant that before Aug. 13, 1961, (when the wall was built) the sector boundary between East and West Berlin was free from violence."

"There is, in fact, no doubt whatsoever that the violent incidents to which the Soviet note draws attention are the direct consequences of the decisions to cut off the free movement of persons within Berlin."

Rusk Confers With British, Airs Problems

By ARTHUR GAVSHON
LONDON (AP)—U.S. Secretary of State Dean Rusk met with British Foreign Secretary Lord Home today to align British-American policies on the most urgent problems of Europe, Asia and Africa.

As the two statesmen began their conference the three big Western powers sent notes to the Soviet Union urging early East-West talks in Berlin to ease tensions along the wall through the divided city.

American, British and French notes were sent to Moscow for delivery, probably by Tuesday. They proposed that the Big Four commandants meet in an attempt to curb shooting incidents along the wall that divides the Communist and Western sectors of the city.

The Western notes replied to a warning earlier this month from Moscow. The Soviets blamed a series of shootings across the Communist-built wall on what they called German Fascist elements backed by the Allies.

The Soviets demanded Western action to halt these incidents, which were termed provocative or else face the possibility that the U.S.S.R. would come to the aid of the East German Communist ally.

Rusk brought with him new and stiffened American proposals for a Berlin settlement.

Qualified informants reported the United States has raised its price for a settlement of the dispute because Washington is convinced that the Soviet Union is in the grip of a grave internal crisis.

"It seems to us that the entire Communist camp is in the midst of a very serious food shortage," one authority said.

"With agricultural output and organization fouled up, the Soviet leadership may well be rethinking its foreign policies. This, therefore, is no time for Western concessions without very definite counter-concessions."

Rusk reportedly told West German Chancellor Konrad Adenauer in Bonn Friday that the Americans, for the time being at least, are dropping the idea of proposing an international authority to run the air, land and water lanes into Berlin.

This plan, which caused so much discussion between Washington and Bonn, could be revised if the Russians publicly abandon their demand for the withdrawal of American, British and French garrisons from the city.

Another educational stand calls for income tax deductions for tuition to non-public elementary and secondary schools.

Vigorous support of a national program to permit dairy farmers to "keep supplies of milk in better balance with demand in order to progressively improve milk prices and dairy farm income."

The plank called for boosting price supports on manufactured milk products to 90 percent of parity.

The Administrative Committee decided Sunday to hold the party's 1962 convention in La Crosse, the 1964 election year meeting in Milwaukee.

Other platform positions included: Further action for substantial increases in faculty salaries at state operated institutions of high-

er learning. Another educational stand calls for income tax deductions for tuition to non-public elementary and secondary schools.

Prayer in School Unconstitutional

WASHINGTON (AP)—The Supreme Court ruled today the offering of a 22-word daily prayer in New York state's public schools violates the U.S. Constitution.

Five parents with children in schools in New Hyde Park, N.Y., had questioned the practice as a violation of the principle of separation of church and state.

New York State's Board of Regents, the governing body of the public school system, recommended that this prayer be spoken in school opening exercises.

"Almighty God, we acknowledge our dependence upon thee, and we beg thy blessings upon us, our parents, our teachers and our country."

Justice Black wrote the court majority opinion which declared: "We think that by using its public school system to encourage recitation of the regent's prayer, the State of New York has adopted a practice wholly inconsistent with the establishment clause" of the U.S. Constitution.

The first amendment to the constitution commands that "Congress shall make no law respecting an establishment of religion."

Justice Stewart wrote a dissenting opinion which declared "the court has misapprehended a great constitutional principle."

Stewart added, "I cannot see how an 'official religion' is established by letting those who want to say a prayer say it. On the contrary, I think that to deny the wish of these school children to join in reciting this prayer is to deny them the opportunity of sharing in the spiritual heritage of our nation."

Justice Douglas wrote an opinion concurring with the majority. Justices Frankfurter and White took no part.

The court's vote thus was 6-1.

California Law On Drug Addicts Unconstitutional

WASHINGTON (AP)—The Supreme Court ruled unconstitutional today a California law making it a crime to be addicted to narcotics or to make unprescribed use of them.

Justice Stewart delivered the 6-2 decision. Justice White, who went on the high bench April 16, wrote his first dissenting opinion, protesting that the court had gone too far in its decision. Justice Clark also dissented. Justice Frankfurter took no part.

The California statute reads: "No person shall use, or be addicted to the use of, narcotics, except when administered by or under the direction of a person licensed by the state to prescribe and administer narcotics."

Stewart said the California law had to be put in the same category as statutes which inflicted cruel and unusual punishment.

Violent Storm Hits New York

By THE ASSOCIATED PRESS
Storms diminished and rains tapered off today after Sunday's violent weather in areas from the central Rockies to the Atlantic Coast.

Severe thunderstorms, with heavy rain and hail, and strong winds, hit many sections along the Atlantic Coast.

A storm which struck the New York metropolitan area flooded thousands of homes, toppled power lines and caused widespread traffic jams. At least two persons were killed in the storm, which caused the heaviest damage in Brooklyn.

Philadelphia was drenched with nearly three inches of rain in a period of 97 minutes, the heaviest downpour for the period in 64 years. In Camden, N.J., the heavy rains flooded the city's post office basement, soaking 200 bags of parcel post mail. Washouts delayed several trains in southern New Jersey.

Nearly two inches of rain in the doused areas in Rhode Island, most of it within a two-hour period. Some minor flooding was reported throughout the state.

In the Midwest, a severe thunderstorm rumbled across the St. Louis area, causing some flash floods. Wind gusts up to 45 m.p.h. swept the Ponca City, Okla., area as the stormy weather spread across sections of Oklahoma, Missouri and Arkansas.

Hail pelted the Memphis, Tenn., area. Nearly three inches of rain fell in Muscle Shoals, Ala.

In the West, hail also fell in Casper, Wyo., with a line of thunderstorms from areas in the central Rockies southeastward to the lower Mississippi Valley and eastward into the coastal plains.

The mercury soared to 115 Sunday in Imperial, Calif., and Yuma Ariz. It was 98 in Boise, Idaho, 97 in Walla Walla, Wash., and 96 in Bendleton, Ore., and Salt Lake City.

California reported the highest and lowest temperatures at mid-night. It was 99 in Blythe, in the southern section, and 49 in Arcata, in the northwest.

High Court Declares N.Y. Edict Invalid

SAVES BOY IN 75-FOOT FALL... Bradford Simms, 6, is examined in hospital in Bronx, N.Y., today by Dr. Ferdinando Caturani, assisted by nurse Eileen Sheridan, after surviving a fall from a sixth-floor window. Hero of the incident was Edward Susino, 36, right, who dashed beneath the boy to break his 75-foot fall. Susino suffered bruises and scrapes, the boy apparently was not hurt. (AP Photofax)

GI Released By Reds Denies Commie Line

By MALCOLM W. BROWNE
SAIGON, South Viet Nam (AP)—A U.S. soldier has denied Communist claims he denounced the United States while a prisoner of Viet Cong guerrillas. He charged the Reds tried to brainwash him at gunpoint.

Spec. 4 George F. Fryett Jr. of California, released Sunday after six months captivity, told U.S. officials he did not cooperate with the Communists despite their attempts to indoctrinate him politically.

The Viet Cong in a recent broadcast claimed Fryett, 26, had told them he learned he was "an accomplice of the criminal marauders of U.S. imperialism and the Diem administration of South Viet Nam."

The broadcast quoted Fryett as saying: "The only thing I can say is that I am very sorry for having played a role in the forces that are being exploited in South Viet Nam. The truth has been concealed from the American public. This situation should not be allowed to continue."

Fryett told officials here that other than gun threats during some of the brainwashing sessions, his captors did not mistreat him.

He said he had been under heavy guard all during his captivity and was bound most of the time. He said he had made one unsuccessful escape try.

Fryett was not allowed to see newsmen. He was described as tired but apparently in good health. Officials said he had lost about 25 pounds since he disappeared Christmas Day.

The soldier said he was set free about 60 miles north of Saigon near the village of Cham Thang and put on a bus. He said he had no idea he was to be released until Sunday morning.

Badgers Raise Spirits, \$250,000

MILWAUKEE (AP)—Wisconsin Republicans raised their spirits and a gross of some \$250,000 Saturday night at a banquet featuring Sen. Barry Goldwater.

The session at the Auditorium also was a personal triumph for 78-year-old Sen. Alexander Wiley, seeking a fifth term, who presented the Arizona conservative to a crowd of more than 3,400.

The GOP state convention in 1956 refused, because of his age as well as other factors, to endorse Wiley for a fourth term but the Chippewa Falls veteran proved his getting power by defeating Rep. Glenn Davis in the primary and winning a sweeping victory that November.

He was introduced Saturday night by Philip Kuehn, the endorsed candidate for governor and state chairman when the convention spurned Wiley.

Kuehn termed Wiley the man who "led the Republican fight back to power against the old Progressive machine."

"Six years ago," he said, "a young man who was also Republican state chairman participated in a bout with a U.S. senator. The young man was loaded with spirit and the senator was loaded with votes. Now, six years later, that same young man—graying a little—introduces to you the same senator, still serving hard and running strong."

WILEY acknowledged that Kuehn received convention approval this year for another try at the governor's chair and noted that the convention "also endorsed me. . . this year."

Goldwater urged his party to unite for victory and said it should end "this claptrap that we are divided."

In addition to praising Wiley, he cited Wisconsin's Republican delegation in the House for a solid vote against the Kennedy farm bill earlier in the week.

"They just saved the American farmer from the police state," he said.

Goldwater, mentioned frequently as a presidential possibility, lashed at Democrats in the nation's capitol, terming them "reactionaries of this age."

The banquet at \$100 a plate was more than a sellout for its capacity of 2,400 diners, though some 200 ticket buyers did not attend. Also sold were 2,000 balcony seats at \$5 each; some 1,200 of them showed up.

Wisconsin Democrats Put Sales Tax Repeal Plank in Platform

SHERBORN, Wis. (AP)—Wisconsin Democrats have made repeal of the state's selective sales tax the key issue in their 1962 campaign, thus adopting the program of the party's leading candidate for governor, Atty. Gen. John Reynolds.

However, there was one warning that the approach might not be successful and another warning that the party faces other troubles.

The decision was made Saturday at the Democratic state convention which gave approval to another Reynolds project when it added to the platform a commitment of recent action by both state and federal courts to compel reapportionment "when legislators fail to perform their constitutional duties."

The attorney general irritated the court moves that brought about a call by Gov. Cloyd Nelson for a special session of the Legislature to work out a bill to realign the state's legislative and congressional districts.

The delegates shouted their stand on repeal of the state's three percent selective sales tax less than 24 hours after hearing the governor say that the anti-sales tax approach might jeopardize his campaign for the U.S. Senate. He hinted it might mean the same for other Democratic candidates.

The party's Administrative Committee was told Sunday by state party chairman Patrick Lucey that unless a "tremendous effort" is made to get a full slate of Democratic candidates for legislative and courthouse offices "we are going to fall flat on our faces."

Reynolds Asks 3 U.S. Judges To Redistrict

MADISON, Wis. (AP)—Atty. Gen. John Reynolds asked a panel of three federal judges today to name a special master, or fact

finder, and begin its own job of reapportioning Wisconsin's political districts. In a petition filed in U.S. District Court in Madison, Reynolds asked that the court complete the realignment by June 30 to give candidates "a reasonable time to circulate their nomination papers for the Sept. 11 primary." The Democratic attorney general noted that the Republican controlled Legislature now is convened to tackle the job of reapportionment. But he said it was his belief that the state lawmakers would not complete action on a "valid apportionment act" by June 30.

NASON ON EDUCATION

Still Openings For Freshmen

By **LESLIE J. NASON, Ed. D.**
Professor of Education,
University of Southern California

Did your favorite college reject your application? Cheer up. It's not the end of the world.

The admissions officer who turned you down may have been doing you a favor. Perhaps you were not a good risk to succeed in his college. He may have saved you from failure.

He based his judgment on your record and application. Perhaps your high school record was not up to the standards of his college. Or perhaps you failed to present your case in the best possible light.

WHATEVER THE reasons for your rejection, don't give up now. A college education is too important to your future. You still have an opportunity to demonstrate that you can succeed.

Here are some things you can do:

- Consult your guidance counselor. The chances are he is in touch with accredited colleges that are still looking actively for students to fill out their freshman classes.

Review your rejected applications. Check your preparation and aptitude. Choose a field and a

college in which you feel you have a chance to succeed.

Write to the organizations which have been set up to put students in touch with college that have openings. They charge a fee of \$10 to \$15, which should be sent with your application and records. They are:

- Association of College Admissions Counselors, 2300 Shermer Rd., Northbrook, Ill.
- College Admissions Center, 610 Church St., Evanston, Ill.
- College Admissions Assistance Center, 41 East 65th St., New York, N.Y.
- Catholic College Admissions Center, 500 Salisbury St., Worcester, 9, Mass.

while universities often use inexperienced instructors to teach lower division classes. A junior college will give you a chance to demonstrate your ability to do quality college work.

A year or two at a junior college can make you more welcome at a four-year university—even at the university of your choice which turned you down this year.

THESE CENTERS will make your application and record available to colleges that still have room for students. Most of their applicants get invitations from one or more colleges.

They are two-year colleges offering courses designed for students who intend to transfer to four-year schools without loss of credit. Sometimes junior colleges give a better education than some larger universities. Many hire only teachers with master's degrees

Swimming Classes Begin July 9 at Lake City Beach

LAKE CITY, Minn. — Red Cross swimming classes for beginners will be conducted by Miss Bernadine Hoelt at the beach here between July 9 and Aug. 3.

Classes have been cut to four weeks this year because of a shortage of Red Cross funds, according to Mrs. B. A. Flesche, chairman.

The period from July 9-20 is for Lake City children and the remaining time for the surrounding communities. Further information may be secured from Mrs. Flesche or Mrs. Warren Timm, Red Cross water safety chairman at Kellogg. Beginners have an opportunity to enroll in private classes taught by Miss Hoelt.

Crop-Spraying Plane Crashes Near Altura

ALTURA, Minn. — An insecticide-laden spraying plane cracked up 100 feet from the Clarence Frisch farmhouse seven miles north of here Sunday morning. The pilot, Marlow Madsen, Anoka, emerged from the wrecked plane with a slightly injured hand.

An engine failure was given as the reason for the crackup.

Madsen, spraying a 45-acre pea field on the Frisch farm, was making a westward pass across the north side of the field about 8:30 a.m., flying parallel to roadside high-tension electric lines.

REACHING THE WEST edge of the field, he gunned the engine for a climb but it failed to respond. The undercarriage snagged a garden fence and dragged the plane to the ground about 40 feet inside the vegetable plot where it came to rest between two small apple trees, just 100 feet short of the Frisch house. The plane's wheels were torn off and the propeller was badly bent.

The Frisch family was in church at the time of the crash. Driving home shortly before 9 a.m., Frisch said the first impression he had was that a line full of clothes had collapsed in the houseyard. Approaching home, he saw what had happened.

Frisch reported the pilot as saying his speed was 80 miles per hour. The barbed wire garden fence, which functioned much the same as aircraft carrier arresting gear, prevented the plane from slamming into the side of the Frisch house.

THERE WERE NO witnesses to the accident but a number of returning churchgoers were on the scene a few minutes later, Frisch said. Bystanders were warned to keep away from the plane because its 90-gallon spraying tank was crushed, releasing toxic fumes from the estimated 45 gallons of parathion insecticide it carried.

Frisch, whose address is Minnesota Rt. 1, farms 570 acres of land and raises peas as a contract grower for Lakeside Packing Co., Plainview. Two sons and three of four daughters are now home with their parents. One of the two sons, LeRoy, is home on Furlough from Ft. Polk, La., where he is in service as a private in the 544th Ordnance company, an activated reserve unit from Wabasha. He will return to his unit July 6.

Record Crowds At Alma Center For Festival

ALMA CENTER, Wis.—The 17th annual Strawberry Festival closed its 3-day event Sunday with the largest crowd in its history. Six thousand to 8,000 people filled the village of 500 to overflowing all day Sunday, parking the cars far out into the country in all four directions, according to Buster Lea, chairman.

Lea had no estimate of the number of strawberries consumed, but 15 members of the American Legion Auxiliary and the VFW post worked from 6 to 11 p.m. Thursday and Friday nights stemming and washing the berries for their stands, and three restaurateurs served strawberry shortcake all three days.

The Auxiliary also featured barbecued chicken and the VFW, hot beef sandwiches.

Fifty-seven units took part in the parade Sunday. Greenwood, Black River Falls and Alma Center High School bands, a band from Camp McCoy, and the Eau Claire Drum and Bugle Corps were featured in addition to the float carrying Judy Gaede, 17-year-old festival queen, who was crowned Saturday night by Miss Betty Cummings, 1961 queen. With her were her attendants.

The festival had its largest fireworks display to date Sunday night, ending the festival, but crowds stayed around to patronize the Tip Top Shows until 12:30 this morning.

Folks came from throughout Wisconsin and surrounding states, Lea said. The festival is one of the most highly rated in Wisconsin, he said.

Mexican Girl, 11, Has 7-Pound Baby Boy

SAN LUIS, Sonora, Mex. (AP)—An 11-year-old Mexican girl gave birth last week to a 7-pound boy.

Dr. Ernesto Rendon-Alduenda, the attending physician, said delivery was routine and both mother and son are healthy.

Dr. Rendon-Alduenda said the baby was born June 19 in San Luis Community Hospital. The physician said the mother is unmarried.

San Luis is a border town, about 200 miles southwest of Yuma, Ariz.

Woman Trapped in Basement

Crops Levelled, Cattle Injured in Hail Storm

Scattered storms in the West-ern Wisconsin area late Saturday afternoon resulted in considerable damage from hail. Hardest hit were the George Crawford and Stanley Anderson farms in Armour Valley, Town Naples, Buffalo County, where cornfields were destroyed.

First the corn and hay were pounded into the ground and then broken off by hail, and then carried away by heavy rain, reducing the acreage to the appearance of plowed fields.

The storm, starting about 4 p.m., struck an area about three miles south of Mondovi on J1ghway 37 and swung southeasterly into Armour and Bennett valleys.

On the David Nyre farm in Naples Township a hailstone the size of an egg knocked the eye out of a pig, Mrs. Crawford on a farm nearby went into the basement through an outside stairway when she saw the storm coming and was trapped inside for a time because hail lay so heavily on the door.

Hail was reported to be one-half foot deep in some places in Armour Valley, and by noon Sunday piles of hailstones were still around buildings.

Backs of cows were bruised and bleeding when farmers brought

them in for milking Saturday night.

May 18 inches high was cut off and pounded into the ground in some places. All crops on the Anderson and Crawford farms were destroyed. Anderson had to shovel piles of hailstones from in front of the door to his garage to get his car. Windows were knocked out in the path of the storm, which was several miles wide.

Crops were damaged on the Marvin Fimreile, Gordon and Emil Norby, Tillier Gray and Sherman Cooke farms in Bennett Valley and a tree was felled on the Bennett Valley road, obstructing traffic for a time.

Trees, particularly alders along creek bottoms, were stripped of their leaves.

Most farmers who lost corn and hay were reported to have no hail insurance.

A hay elevator on the Marcille Rud farm a mile east of Gilmanon on Highway 121 was knocked over by high winds which accompanied the storm. Fields were flooded, but no buildings were destroyed.

Some hail damage was done in Mondovi, but Gilmanon, a mile south of the storm, got just a few sprinkles of rain.

In Vosse Coulee and Big Slough southeast of Pigeon Falls corn and grain fields were flattened

2 Similar Accidents Result in 4 Injuries

Attempting to pass trucks making left turns resulted in extensive damage and four injuries to two motorists in separate accidents today and Sunday, Sheriff George Fort reported.

Almost exactly the same circumstances were involved in each accident.

At 10:25 today, George B. Griffith Jr., 23, Caledonia, Minn., was driving north on Highway 61 about a mile south of Homer. A high-way patrolman said he was in the outside lane of a four-lane highway when he started his turn.

A CAR DRIVEN BY Raymond Wipf, 27, Ellsworth Air Force Base, Ellsworth, S. D., struck the truck as he attempted to pass on the inside lane.

Wipf suffered cuts and bruises on his face and was taken to Winona General Hospital. Also admitted to the hospital were Mrs. Eva Barry, 25, same address, and her daughter, Colleen, 7. Mrs. Barry suffered cuts and bruises on her face and a possible broken right ankle. Colleen suffered a possible broken shoulder.

Another son, Bobby, 7, was not injured.

Wipf and Mrs. Barry were en route to Ellsworth Air Force base to be married.

The car Wipf was driving received an estimated \$1,500 damage. Griffith's truck was not damaged.

GRIFFITH WAS CHARGED by Highway Patrol with driving with faulty equipment and driving in the wrong lane of traffic for turning. He was to appear later today at Goodview Justice Court to face charges.

A very similar accident occurred at 2:35 p.m. Sunday about one mile north of Minnesota City on Highway 61.

Jean Scott, truck driver from Knoxville, Tenn., was nearly stopped as he drove north on High-

way 61. He was attempting to turn left (west) into a private driveway.

Another vehicle driven by Herbert E. Staven, Milwaukee, Wis., collided with Smith's truck as he attempted to pass the truck on the left.

Staven was treated for cuts and bruises on his head at Winona General Hospital and released.

Scott was charged by the Highway Patrol with having defective equipment. He posted a \$15 bond at Goodview Justice Court and continued his trip north.

A THIRD ACCIDENT occurred on CSAH 6 about two and a half miles east of Waterville at 1:05 a.m. Sunday.

Sheriff's deputies said the cars driven by Hugo Eggert, Winona, Minn., and Wayne E. Meyer, 19, Rushford, Minn., both were traveling east.

Meyer, who was unable to see clearly because of patches of fog, struck Eggert's car in the rear.

Damage to Eggert's car was estimated by sheriff's deputies at \$75, to Meyer's car, \$100.

Eggert complained of a neck injury but was not admitted to a hospital.

More Pleasant Weather Seen For Tuesday

Although some portions of Winona were swept by severe thunderstorms Saturday afternoon, the immediate vicinity escaped the storm and had one of the most pleasant weekends of the season.

The temperature soared to 86 both Saturday and Sunday afternoon, drawing hundreds to river beach spots. The Lake Park Beach was crowded both afternoons and many others were swimming at Latch Beach and on sandbars along the river.

Twenty-five boats were counted on one island below the city late Sunday.

MOSTLY FAIR TONIGHT and Tuesday with no important change in temperature is the forecast. A low of 55-62 is forecast for tonight and a high of 82-88 for Tuesday afternoon.

Cool nights prevailed with the low Sunday morning 58 and this morning 60. At noon today the reading was 77.

For the next five days, the weatherman says temperatures will average near normal with precipitation averaging up to three-quarters of an inch, occurring as scattered showers and thunderstorms after the middle of the week.

The weekend highs were much higher than a year ago when the high for the day was 76. The low was 46. On that day .05 of an inch of rain fell in the city. The all-time high for June 25 was 96 in 1873 and 1901 and the low 47 in 1926. The mean for the past 24 hours was 73. Normal for this day is 72.

Pleasant summer weather prevailed over the state with Redwood Falls and St. Cloud equalling Winona's 86 maximum. Lowest reading this morning was 47 at Duluth, only mark in the 40s in Minnesota.

Mississippi stages in this section continued to decline over the weekend with the stage at Winona 6.1 today and slated to drop to 5.8 by Wednesday.

Mostly fair and pleasant weather smiled on Wisconsin Sunday following an afternoon and evening of high wind and tornado activity in parts of the state.

More Sonic Booms Set For Minnesota

By THE ASSOCIATED PRESS
More sonic booms can be expected across parts of the North-west this week, the Air Force announced. Flights of supersonic B58 bombers will include:

Minot, N.D. to Minneapolis and Milwaukee, Monday through Friday, 6:22 to 9:22 p.m. daily (CDT).
Jamestown, N.D. to Minneapolis and Milwaukee, Monday, Tuesday, Thursday, Friday, 6:45 to 9:45 p.m.

Quincy, Ill. to Minneapolis, Tuesday through Saturday, 10:25 to 11 p.m.

Two Boats Reported Stolen From Moorings

Two boats were reported stolen during the weekend, Sheriff George Fort said.

Arnold Haake, 313 Laird St., reported at 9:10 a.m. Sunday that his boat, valued at about \$50, was missing from its location on the Old Riverdale property near Dakota. The boat is gray and had a cover. A chain and lock used in securing the boat also were missing. Its license number is MN 6270 AG.

Reinhardt Jacobs, 506 E. 2nd St., reported at 2 p.m. Sunday that his boat was taken from its location back of Max Conrad Field. It is a 14-footer and is painted white with green stripes. Its license number is MN 1416 BE. Jacobs valued the boat at about \$75.

CAR DAMAGED
The Daily News incorrectly reported Sunday that a car driven by Donald W. Monson, 521 Washington St., scraped the side of a car driven by Mrs. Clarence Cheslik, 406 E. 3rd St., which had started to back into a parking stall 4:35 p.m. Saturday. Mrs. Cheslik actually struck Monson.

TOKYO (AP)—The Japanese Maritime Safety Board said today a number of South Koreans trying to slip into Japan illegally increased sharply during May.

An average of 20 Koreans were arrested monthly for the first four months of the year. The figure increased to 131 in May and arrests during the first half of June totaled 73, spokesmen said.

Officials believe there may be a further increase in illegal entrants as a result of the currency reforms instituted in South Korea earlier this month.

WANDELUST... Gene Giffen began a 3,500 mile cross-country bicycle trip from his Washington, D. C., home Wednesday. Destination: World's Fair. Sunday he stopped to camp at Prairie Island and instead became vortex of neighborhood attention at 968 W. Broadway. (Daily News photo)

'Nothing Can Stop You...'

Youth World's Fair Bound on Bicycle

By MARY BARWISE
Daily News Staff Writer

A plucky Eagle Scout paused on a long journey to meet Winona last night. More accurately, perhaps, Winona met him.

A host of youngsters pressed into the John Sagen home at 908 W. Broadway to hear a 15-year-old Washington D. C. youth tell his tale of the open road.

GENE GIFFEN LEFT home Wednesday on a 3,500 mile trip to

Seattle's World Fair. He earned this trip through his paper route and had been angling for his parents' permission since September. His mother, two sisters and one brother have misgivings, but Gene's father figures his son will return by bus when the going gets rough. Gene's family has never lived in a place longer than three years. His dad is an Army engineer so they've been in Japan, Hawaii, Germany, most of Europe (by car) and Alaska.

His is a will-o'-the-wisp journey Wednesday night — Chicago (He got a lift); Thursday — Darien, Wis.; Friday — Madison; Saturday — Richland Center and Sunday — Winona. Mrs. Sagen, mailing a letter at the Post office Sunday evening saw the bronzed youth and shouted, "Been traveling a long way surprised her. Mrs. Sagen thought Gene might prefer a comfortable bed to a sleeping bag on Prairie Island, and neighborhood youngsters were overjoyed.

AS QUESTIONS pounded on towards midnight Sunday Gene kept pushing ahead his planned hour of departure this morning. But at 9 a.m. today his gear was strapped to his Italian-made bicycle and after a lift to Rochester, he planned to bike 75 miles. Where he will sleep tonight? Gene doesn't know. He hasn't looked at a map. But ahead are the badlands of South Dakota, Yellowstone National Park, the Rockies, and finally Gene hopes to celebrate his 16th birthday at the World's Fair July 21. He'll spend just three days there and maybe take a little bicycle tour of the Coast before returning home by bus about August 7 in time for his junior year at Mount Vernon High School.

Is it a lonely 3,500 miles? Gene doesn't think so. "It's kind of hard to get lonely. I meet so many nice people. In September 9 or 10 fellows planned to go with me, but something happened to each of them. I prefer it alone."

And the people he meets along the road? In Fox River Grove, Ill., Gene met a man from Luxemburg who had spent 26 years building a castle from natural rock. He'd made everything himself — the iron grill work, a moat, draw bridge, chains, towers and turrets, and lived there all alone. He told Gene, "If you really want to do something badly enough, nothing can stop you."

Police were called to the Red Top Trailer Court area near Pelzer Street at about 8 p.m. Saturday. A group of about 50 persons had gathered. Richmond was arrested following an investigation of the complaints received at police headquarters.

Following are the charges to which Richmond pleaded guilty, with sentences he received on each: Driving after revocation of his license, \$75 fine or 25 days in city jail; reckless driving, \$30 fine or 10 days in city jail; resisting arrest, \$25 or eight days in city jail, and driving an unregistered motor vehicle, \$25 or eight days in city jail, the sentences to run consecutively.

Judge Bruski also ordered that Richmond's license plates be impounded and his registration card turned in.

John J. Bries, 315 E. 4th St., also pleaded guilty in municipal court to a charge of driving after suspension of his license.

Bries was arrested by police at 1:50 p.m. Saturday at Main Street and Mankato Avenue.

Judge Bruski sentenced him to pay a \$30 fine or serve 10 days in city jail. He also ordered that Bries' license plates be impounded and his registration card turned in. Bries paid the fine.

Congregation Fetes School Principal

W. H. Nolte, who has been principal of St. Matthew's school for the past four years, and his family were honored at a farewell dinner at St. Matthew's Lutheran Church Sunday.

Nolte has accepted a call to the music department of Dr. Martin Luther College, New Ulm. He will help train future teachers and organists for the Wisconsin Evangelical Lutheran Synod. He obtained his master's in music from Northwestern University.

While at St. Matthew's he has taught in the junior high department, and served as organist and choir director.

John Caldwell spoke in behalf of the fulltime education committee, Howard Heup for the faculty and Robert Eckelberg, who presented Mrs. Nolte with a gift, for the PTA.

Henry Emecke, president of the congregation, presented a monetary gift to Nolte in behalf of the congregation.

The choir sang, "Lead Me On" and the Nolte family sang, "Guide Me Oh Thou Great Jehovah."

The Noltes have eight children, Margaret, who will teach at Kenosha, Wis., William and Jerome, students at Dr. Martin Luther, Ruth, John, Carol, Annette and Doris.

Lloyd Nelson was toastmaster for the event.

Mr. and Mrs. Robert Eckelberg, Mr. and Mrs. James Gaurley and Mr. and Mrs. Eugene Crapleska, officers of the PTA, were in charge of the dinner.

No Injuries In 5 Weekend Accidents Here

Five accidents resulting in \$650 damage occurred during the weekend. There were no injuries but one driver was charged.

Police said that cars driven by Sheryl Lien, 603 Olmstead St., and Ardel Luedke, 21, Winona Rt. 3, collided at West 3rd and Washington streets at 10:40 p.m. Saturday.

Lien was driving west on 3rd Street while Luedke was traveling south on Washington.

Damage to each car was estimated by police at more than \$100.

Luedke was charged with failing to yield the right of way. He pleaded guilty in municipal court today and paid a \$15 fine.

EARLIER SATURDAY, at 12:01 p.m., a car driven by Orville Runkel, 121 E. King St., struck the rear of another car driven by Mrs. Joseph Bambeck, 1251 Gilmore Ave., police said.

Both cars were driving south on Lafayette Street. Mrs. Bambeck had slowed down for the intersection at 4th Street when she was struck from behind by Runkel.

Damage to Mrs. Bambeck's car was estimated by police at more than \$50. Runkel's damage was not determined.

Later Saturday, at 8 p.m., cars driven by Mrs. Edmund R. Pelowski, 209 W. 5th St., and Jerome Wineski, 23, 875 E. 5th St., collided on North Drive of East Lake Park, about 700 feet east of Mankato Avenue.

Mrs. Pelowski was driving west on North Drive when she struck Wineski's car which was pulling away from a parking space—also driving west.

POLICE ESTIMATED that Wineski's car had received more than \$100 damage. Damage to Mrs. Pelowski's car was not reported.

Two more accidents occurred Sunday.

Police said that cars driven by Joseph Plein, Altura, Minn., and Michael Maloney, 1059 W. 5th St., collided at Sarnia and Hamilton streets at 2:30 p.m.

The accident was not investigated by police but each car reportedly received more than \$50 damage.

At 10:50 p.m. cars driven by Francis J. Quirk, Lawler, Iowa, and Clark Bernsdorf, Hokah, Minn., collided at Highways 61 and 43.

Police said that Quirk had stopped for a spotlight on Highway 61 facing east. Bernsdorf, who also was driving east, failed in his attempt to avoid striking Quirk.

Damage to each car was estimated by police at more than \$100.

Arcadia Teacher Joins Peace Corps

ARCADIA, Wis. (Special)—Miss Rosemary Marek, girl's physical education teacher at the Arcadia High School the past four years, left Monday for College Park, Md., where she will receive two months training for the U. S. Peace Corps.

Early in September Miss Marek will leave for British Honduras for a two year assignment, probably as instructor at St. George's Teacher Training College, Belize.

Miss Marek is a native of Cadott, Wis. She resigned from the staff of Arcadia High School at the close of the school term. She had been accepted by the Peace Corps earlier in the year but did not receive her assignment until recently.

Duke Hospital Drops Racial Segregation

DURHAM, N.C. (AP)—Duke Hospital has eliminated its policy of racial segregation for private rooms.

The hospital announced Saturday that "private patients of all races, creeds and origins may now be admitted to private rooms at the hospital."

Duke University opened its graduate schools to all races 15 months ago, and earlier this month opened the undergraduate school to Negroes.

YOUR DOLLARS BURN!

That's right, your dollars burn when forests burn! Last year people started more than 83,000 forest fires—one every 6 minutes, night and day, every day, in this country!

It cost more than \$100,000,000 to control these fires, and you have to pay. Add to this the resource loss and the cost of rehabilitation, reseedling, and erosion control and the bill is closer to half a billion dollars.

"What can you do for your country?"

It Happened Last Night Wood, Beatty Survive Europe

By EARL WILSON
NEW YORK — Natalie Wood and Warren Beatty still sweethearts after a long European trip—and that's quite a test!—left the midtown hotel they've been resting in and went to Second City Square East in the Village and sat quietly in a corner. Their half-year romance may not seem long to you. But alongside the quick turnover of some stars, it's practically a golden wedding anniversary.

Republicans now serve "A Kennedy Cocktail": Stocks-on-the-rocks. Calling all wives! July Redbook says don't leave a husband over a casual affair: "Brief infidelity should not break up a really solid marriage." If you really care, Sbyl Burton's back in London waiting for Richard to open the door. Frank Sinatra and Nancy Sin are good friends but he was not with her this NY trip. He was with her, Nancy, the Mike Romanoff's, Mrs. Peter Lawford, etc., before hopping to LA. Only regular oasis he got to was Jilly's on W. 52nd St., with the piano bar. Mayor Robert Wagner's most unusual autographed photo is from Nehru who befuddledly (WOW!) inscribed it to "Richard Wagner."

GERMANY'S MARLENE Schmidt, here to relinquish her "Miss Universe" title over CBS TV July 14 when we pick her successor at Miami Beach, was asked how she felt when chosen. "I laughed," she said, "out of one eye and cried out of the other."

Carol Channing tells me her partnership with George Burns "is a lifetime thing"—they'll do a TV spec here after their July date at the Las Vegas Dunes, perhaps movies, maybe even a "George & Carol" TV series.

Burns tells Carol she'll get used to his cigars: "Gracie gets sick now just from not smelling them." He kids her about confusing names and introducing a man named Glenn as Bill. Carol took him to a Christian Science room and pointed to a picture of Mary Baker Eddy. "Don't tell me!" said George. "It's Bill!" Burns closes the act by saying, "Now Carol will

go back to her husband and I will go back to my pool table."

MEL ALLEN, Circus Saints & Sinners' Fall Guy, got ribbed by Tex O'Rourke about his college baseball playing. "He was a utility infielder and futility batter," said Tex. "The only batter who ever struck out on a pitcher's balk to first base." I was the first to say "A Funny Thing Happened on the Way to the Forum" was a smash—and so going for my second look, I had to sit on a step! Now as hot an attraction as "Succeed"—maybe hotter. And that shapely Lucienne Broidou!

Leonard Koppett defines JFK's dilemma: "How to Concede to Business Without Really Crying." Jean (Chockful-o-Money) Martin's got a press agent; plans acting splash. Bobo Rockefeller was at the Penguin after an art-buying spree.

TODAY'S BEST LAUGH: The really sophisticated restaurant, notes Jack Guinn of the Denver Post, is one that lists: "Martini, 90¢; children's portion, 50¢."

WISH I'D SAID THAT: "Etc." is a sign used to make people think you know more than you do. —Quote.

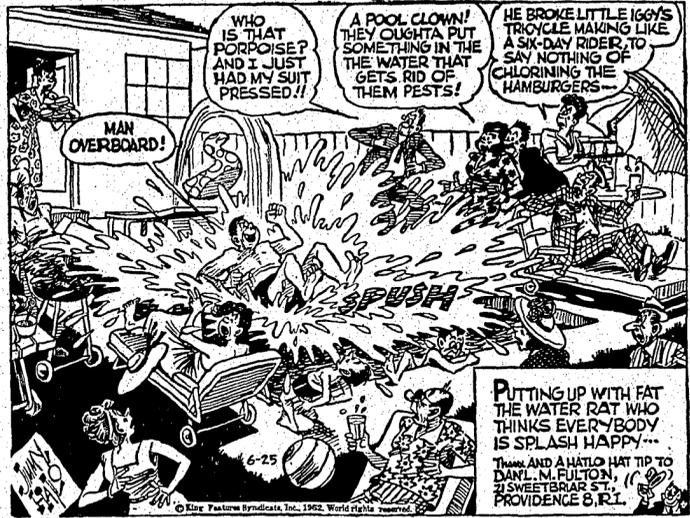

A drunk on his way home wandered into a zoo and stood before the hippopotamus' cage (relates Charlie Wadsworth). "Don't look at me that way, baby," he said, "I can explain everything." "That's earl, brother."

\$40,307 Contract OKed at Lake City

LAKE CITY, Minn.—City Council recently authorized a contract to Kason Well Drilling Co. for \$40,307.75 for sewer and water extension on Lakewood Avenue, at the recommendation of the water and light board.

Other bidders were Littrup Nelson, Rochester, \$51,235; Carl W. Frank Winona, \$46,618; Winona Plumbing Co., \$52,166; and Swanson Heating & Plumbing \$55,147. Fred Jacob, representing Gillett & Eaton, petitioned council for an 8-inch water main on 8th Street from Jewell Avenue to the G & E plant to enable use of a sprinkler system in the building. Council is taking action to grant the request.

They'll Do It Every Time

29 Pass Beginner Swimming Tests

By GRETCHEN L. LAMBERTON
As a child on my grandfather's farm years ago the June hay-making time was always the most fun of the whole summer. It wasn't quite as wildly exciting as the fall threshing time when 20 or so extra helpers milled around, but it was our favorite of all farm operations. Of course a good deal of the glamor of haymaking time was due to the role the horses played and the fact that we children were allowed a part in at least the last phase of the operation.

First the hay was mowed by a horse-drawn mowing machine; in this operation we youngsters were only allowed to bring out to the field the mid-morning and mid-afternoon lunch which usually consisted of homemade root beer and big brick cheese sandwiches. Next the hay was turned over and over to dry in the sun; at first this was done by my uncles and a hired man using pitchforks, later by a horse-drawn machine called a hay-tender that tossed the hay around. Finally when the hay was dry came the Big Day when two big work horses drew onto the field the hay wagon with its tall sides.

Hitched to the back of the wagon was a tall slanting contraption that tossed the hay up onto the wagon, and we children walked along behind it watching fascinatedly. When the wagon was partially filled with hay an uncle would toss us up into the wagon and there we milled around on top of the ever-growing hay pile. Always whichever uncle was driving the team let us "help" drive. Once a small grass snake was tossed up with the hay, and that was exciting. The sweet-smelling hay pile grew higher and higher until it seemed to us children to tower to the very sky. Finally the wagon was loaded to the limit and we youngsters perched dizzily on the very top drowned in clover sweetness and almost overcome with the excitement of helping Uncle George drive the horses into the hay barn. When the wagon was in the proper place the horses were unhitched and hitched to a long rope pulley that moved a giant hayfork up and down and back and forth. As the horses were driven back and forth in the barn yard, with us children tagging along behind holding the ends of the reins, this fork would descend, take a huge bite of hay and lift it up into the top of the hay loft and spit it out. It was terribly exciting.

But today hay is made by a powerful tractor with no personality. In the old haymaking days each horse had a different personality and was our dear friend—Big Jim, Tom, Big Mike, Sam, Nellie, Dave and Maude, and many others.

Today's tractor pulls the efficient mower, then a machine that turns the hay and sweeps it into rows. Next the tractor pulls the baler that presses the hay into tidy rectangles tied twice. Next it pulls the hay rack with attached bale-thrower that slings bales up into the wagon; then the tractor pulls the loaded wagon to the hay barn where an inclined mechanical elevator runs bales up into the hay loft.

It's all most efficient and unexciting today, and two men and a tractor can bring in a big hay crop that used to require a dozen prancing horses, a dozen assorted uncles and hired men, and a crowd of children. I'm glad I had the thrill of those long ago hay making days on an old time horse-powered farm.

DEAR ABBY:

Let Son Find Out for Self

By ABIGAIL VAN BUREN
DEAR ABBY: Our daughter-in-law is living with us while our son is overseas. She has been running around with every Tom, Dick and Harry. We have tried everything to get her to act like a respectable married woman, but we can't reach her. Our own parents live in another state and know nothing of this. Our son will be home in three months. Do you think we ought to write and tell him she has been running around? He'll find out when he gets home and we might as well prepare him for the shock.
BROKENHEARTED PARENTS

DEAR PARENTS: Don't write your son news of this kind when he is thousands of miles away and can do nothing about it but worry. There is no "preparation" possible for a shock like this. It will keep.

DEAR ABBY: My wife has all day to read the paper, but she waits until I get in bed before doing it. The light bothers me, and the rustling of the paper drives me out of my mind. We've been married for almost 20 years and I think that's long enough to be a good sport. Any advice?
HAROLD

DEAR HAROLD: Have you ever told HER? Give her a little heat and perhaps you'll get less light.

DEAR ABBY: I have a skin ailment. Unfortunately it is on my face and neck where everyone can see it. Sometimes it is very conspicuous and other times it is not. My problem is that every time I run into friends they say, "You MUST try my doctor. I am satisfied with my own doctor and don't want to try anyone else's. I takes the names of their doctors just to be polite, but have no intentions of seeing them. Many of my friends have phoned to ask me if I've gone to their doctors yet. Some have had the nerve to make an appointment for me! How can I shut them up?
CONFUSED

DEAR CONFUSED: Why appear interested in "trying" another doctor when you are satisfied with your own? If you feel that progress is being made in curing or controlling your rash, say so. Otherwise, perhaps it IS time for a change.

DEAR ABBY: Tell the woman who complained because her husband snored not to gripe. At least she knows where he is at night.
NOT SO LUCKY

Neighbors gathered. Early Sunday morning the police came. About 9:15 the cat came out of the wall the same way he had gone in.

Science Shrinks Piles New Way Without Surgery Stops Itch-Relieves Pain

Preparation H®—The Only Hemorrhoidal Remedy In World That Contains New Healing Substance.

Every Claim Verified By Doctors and Proved By 4 Leading Clinics.

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop burning rectal itch and relieve pain — without surgery or painful injections.

In one hemorrhoid case after another prompt relief was reported — also a 'striking improvement' in from 2 to 4 days. These reports were verified by a doctor's observations and proved by four leading clinics.

Pain and itching were promptly relieved. And while gently relieving this distress — actual reduction (shrinking) of hemorrhoids took place. Most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astounding statements as "Piles have ceased to be a problem!" And among these sufferers were a wide variety of hemorrhoid conditions some of 10 to 20 years' standing.

All this was accomplished at home without surgery, injections, narcotics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world famous research insti-

tute. This new healing substance is offered in ointment or convenient suppository form called Preparation H. And Preparation H is the only hemorrhoidal remedy in the world containing this truly magical healing substance.

Magic Healing Power Discovered By Accident

Like many great discoveries—the effectiveness of Preparation H was also discovered quite by accident. In the laboratories of a famous research institution in Cincinnati, Ohio—renowned scientists were conducting advanced medical tests.

During an ether-extracting procedure, there was a sudden explosion. An assistant was severely burned. As an emergency measure, large quantities of an ointment (still in an experimental stage) were smeared on. To everyone's amazement—pain ceased immediately and the skin healed remarkably fast without scarring.

Later tests revealed this ointment was full of a new substance which has the astonishing power to heal injured skin. This substance was then scientifically combined with other effective medical ingredients into a product called Preparation H. And here's why this remarkable

hemorrhoid remedy is so successful — Preparation H promptly relieves pain and burning rectal itch. Shrinks hemorrhoids without surgery. Heals injured tissue back to normal and helps prevent infection of hemorrhoids.

Every claim made for Preparation H has been verified by doctors. This is the only hemorrhoidal remedy containing Bio-Dyne. Just ask for Preparation H at any drug counter in ointment or suppository form.

3 Hospitalized After Accident Near Galesville

GALESVILLE, Wis. (Special)—Three people are patients at St. Francis Hospital, La Crosse, as the result of a two-car collision just north of Hunter's bridge southeast of here about 8:45 p.m. Saturday. Four others involved were only slightly injured.

Trempealeau County Under-sheriff Eugene Bjold, Whitehall, said Miss Gladys Rall, 56, teacher at Sarinaw, Mich., was driving north with five passengers in her 1960 car when Clifton R. Thompson, 20, rural Arcadia, proceeding south in her lane of traffic, struck the left front of her car.

According to Bjold, Thompson had passed four cars and was making an effort to get back into his own lane when he struck the Rall car with the left side of his 1962 vehicle, which was demolished. Damage to the Rall car is only to the front.

None of the passengers was thrown out and the cars didn't tip. Miss Rall received an injury to the right knee and complained of chest pains when admitted, but was in satisfactory condition this morning, the hospital reported.

Riding with her in the front seat were Mrs. Gerald Rall, 47, Galesville, her sister-in-law, who received head cuts, bruises over her entire body and a possible fracture of the right thumb, and Mrs. Vivian Gibson, her sister, who lives in California, who was taken to the hospital but not admitted.

Riding in the back seat were Miss Rall's brothers, Glenn, Madison, and Gerald, Galesville, and her brother-in-law, Jack Gibson, husband of Vivian. The men were not injured.

Thompson has a possible fracture of the pelvis and bruises.

No charges have yet been filed, the sheriff's office said.

Justice of Peace Married 72,000

PHILADELPHIA (AP)—Dawson Martin Yerkes, "the marrying squire of Milbourne," who claimed to have married more couples than any single public official, died Sunday.

Yerkes, 80, a justice of the peace in suburban Milbourne since 1913, claimed he married 36,000 couples during his tenure.

He also claimed the record for marriages in a day, 44; marriages in a week, 69, and marriages in a year, 1,948.

Fillmore DFL Hears Candidate For Congress

LANESBORO, Minn. (Special)—David Graven, Albert Lea, candidate for Congress from the 1st District, opposing Albert Quie, incumbent, Dennison, Minn., told a group of 175 attending a dinner at the Community Hall here Sunday evening, "Time is running out for a decent farm program."

Graven and other speakers were introduced by their wives at the 6:30 dinner arranged by the Fillmore County DFL Women's Club.

"We are not helping President Kennedy by returning Republicans to Washington," Graven said. "The 1st District hasn't done anything for Kennedy, but now we have a realistic chance to help him by carrying the district."

"I believe in starting early and running fast. I won't promise much, because I don't believe in making promises, but I will promise you one thing—I will be the best Congressman you ever elected from the 1st District."

If elected, Graven will be the first Democrat representing the district.

Warren Eustis, Rochester, 1st District DFL chairman, said, "You have built something new in Fillmore County—your candidates are vital and dedicated, and people are giving up other commitments to work for them." Campaign headquarters for Graven have been set up in Rochester.

Other speakers were Sen. A. M. Keith, Rochester; George Farr, state DFL chairman; Jerome Gunderson, Mabel, who will run for the Senate, and Harold Harstad, Harmony, who will run for state representative.

Mrs. Gunderson, chairman of the club, presided.

New Record Set for Indoor Roller Skating

LONDON (AP)—Mrs. Pat Tomasi, 28, roller skated 20.7 miles in one hour at an indoor rink Sunday night and claimed a world record.

The previous claimant of the record for this distance was another Briton, Les Woodley, 26.

Advice From Senior: Don't Quit School

ALEXANDER, N.Y. (AP)—Harold Merle, 23, who quit high school six years ago but returned later to finish, found himself the commencement speaker when his class graduated. His advice: "Don't quit school."

"Stay in school at the proper

age and take all that is offered," he told his classmates at Alexander Central School at Saturday's commencement.

Merle, married and the father of two children, plans to continue his education at a technical school for electronics.

Studying for his high school diploma, Merle got a part-time job as a mechanic to support his family.

Buffalo County Commended for Park Development

ALMA, Wis.—"Wisconsin has a lot to offer north of a line extending from La Crosse to Green Bay. The people in this vicinity have realized it and are doing something about it," said Tom Pattison, Wisconsin FHA director, at the two-day Rieck's Lake Park festival here Sunday.

"This is witnessed here by the development of this park in the past two years," he continued. "Buffalo County was one of the first counties in the state that believed soil conservation was a worthwhile thing."

"MOST COMMUNITIES take their natural resources for granted. The assets in your community have been fully developed," Pattison stated. "Businesses are started because you believe in people and they believe in you."

"Alma is one of the most beautiful spots in the state. You have water, hills and the kind of recreational possibilities that no one else has."

"I compliment the men who have spent the time by volunteer help. They deserve credit for seeing an asset and developing it into something worthwhile," he said.

"The things such as lumber products, rivers or waterways may be used for years and years. Put all your trust and faith in that which you think will leave a problem instead of a solution. I pledge my support to your organization and hope that they will continue to develop this beautiful spot," Pattison said in conclusion.

PATTISON'S address was the highlight of the two-day festival

AMAZING PSORIASIS STORY

Jan. 10, 1960 — Pittsburgh, Pa. "Doctored for psoriasis 30 years. Spent much money to no avail. Then used GHP Ointment and Tablets for 2 weeks. Scales disappeared as if by magic. Retarded Children Classes Postponed

Recreational classes for retarded children, originally scheduled to begin this week at Lucas Lodge, have been postponed indefinitely.

Applicants will be notified by mail as to date and time of class meetings. Volunteer teachers and Mrs. Jaycees representatives are meeting with high school Red Cross volunteers to organize the summer program.

Parents of all retarded children have been urged to attend a meeting of the Winona County Association for Retarded Children Thursday at 8:15 p.m. at Lake Park Lodge.

There will be an election of an advisory board for establishment of a day center for retarded preschool children, trainable children unable to attend classes and those who have completed courses in the public schools.

Any information about the program may be obtained from Mrs. Richard Callender, 301 W. Broadway.

Mrs. Kenneth Burmeister, 267 E. 4th St., has been appointed Mrs. Jaycees' representative on the association board of directors. The Mrs. Jaycees' statewide project is fund-raising for the mentally retarded.

Arcadia Scouts Plan Marksmanship Practice

ARCADIA, Wis. (Special)—Arcadia Boy Scouts will start rifle shooting practice soon, according to Kingo Andow, Scoutmaster. The sport is included in Camp Decorah activities. The Arcadia troop will camp there in July.

Before beginning practice, Scouts must have written permission from their parents. The practice will be well supervised, said Andow.

The scouts will conduct another paper drive in the city Tuesday. Residents are asked to have scrap paper beside the sidewalk in the morning, preferable tied in bundles. It will be picked up by scouts during the day.

at the park developed by the Alma Rod and Gun Club.

The festival was climaxed by a fire works display late Sunday night.

The Nelson Rod and Gun Club team won the canoe tipping contest in the afternoon and LaCroix Johnson, Cochrane, won the boat.

Carmion Boyd, daughter of Mr. and Mrs. Robert Boyd, Alma, reigned as queen. She was crowned at the coronation ball Saturday night.

Contracts Awarded For La Crescent Street Projects

LA CRESCENT, Minn. (Special)—The La Crescent Village Council at a special meeting Friday awarded contracts to Lang Construction Co., La Crosse, for \$7,645.95 for installation of curb and gutter, and Hector Construction Co., Caledonia, \$20,786 for blacktop, sealcoat, and sewer and water connections in the proposed 1962 street improvement plan.

Williams Construction Co., La Crosse, bid \$7,796 on the curb and gutter installation and Mathy Construction Co., La Crosse, entered a bid of \$21,760 for the proposed street improvements.

A public hearing was held on proposed amendments to the zoning ordinance as presented by petition of the residents of an area between Highway 61 and Walnut Street in the north part of the village. They asked that this area be changed from commercial to a one-family residential district, or in some cases to a limited multiple residential or multiple dwelling district.

The zoning commission recommended the proposed changes to the council. Glen Garvey, Mrs. Arnold Frick and James Griffen spoke on behalf of the petition and no persons opposed the change. Councilman Martin Miller asked that the amendment be made, and council agreed.

Specifications on the proposed new fire truck drawn up by a committee headed by Ralph Timm of the volunteer fire department were discussed by the Council. Changes were recommended by L. T. Duxbury Jr., village attorney, so that more bids would be received prior to the July 2 opening of the new truck. Sixty days were added to the delivery date so that bidders could submit a bid on either a 1962 or '63 model. Other changes in the specifications will be mailed to interested bidders by Duxbury.

Rochester Youths Cited on Liquor Counts at Wabasha

WABASHA, Minn. (Special)—Four boys from a party of seven pleaded guilty in justice court before Henry Kronebusch at 2 p.m. Saturday to possession of intoxicating liquor. With them were three girls who are scheduled to appear on the same charge at 10 a.m. Tuesday.

Later this week another group of youths will be charged for the same offense and arraigned before Kronebusch.

Robert Hollenhorst, Norton Maas, John and James Shiley, the latter brothers, were sentenced to \$50 fines plus \$4 costs. Of the fines, \$25 was suspended in each case.

They were arrested at 11:45 p.m. Friday by Wabasha County Deputies Marilyn Aiken and Ed Lager at the park at Boys Rest near the Rochester power dam.

Apprehended with them were Lois Peterson, Sharon Biglar and Lois Dunagan. All the youths are between 18 and 20, with Rochester address.

SURPRISE PARTY . . . Members of St. Matthew's Lutheran Church congregation surprised the Rev. and Mrs. A. L. Mennicke Saturday evening with a 25th wedding anniversary reception in the church assembly room. T. J. Mahlke, right, is shown offering congratulations to Pastor Mennicke as Mrs. Mennicke looks on.

The reception followed a family dinner party at the home of the Mennickes at which Mrs. Mennicke's parents, the Rev. and Mrs. L. C. Kirst, Beaver Dam, Wis., and her brother-in-law

and sister, the Rev. and Mrs. Arnold Schroeder and son John, and three brothers, Leonard, Eugene and Robert Kirst and Rev. Mennicke's sister-in-law, Mrs. Victor Mennicke, Milwaukee, were guests.

Mrs. Henry Ehmecke and Mrs. W. H. Nolte presided at the reception table and the Mennicke's daughter, Miss Marie Mennicke, cut the cake, donated by a member of the congregation. Mr. Ehmecke made the gift presentation from the congregation.

Verna Przybilla, Roy J. Kujak Exchange Vows

ARCADIA, Wis. (Special)—Colored peonies in standards and lighted candles in candelabra decorated the altar of St. Michael's Catholic Church, Arcadia, when Miss Verna Przybilla, daughter of Mr. and Mrs. Peter Przybilla, Arcadia, became the bride of Roy J. Kujak, son of Mrs. Alice Kujak, Arcadia, and the late Harry Kujak.

The doubling ceremony was performed June 16 by the Rev. Francis Disher. Traditional nuptial music was played by Mrs. Edward Patzner, organist, who accompanied the choir as they sang hymns to the Blessed Virgin during the nuptial high Mass. They sang "On This Day O' Beautiful Mother," as she placed her flowers at the Blessed Virgin's altar and "Pans Anselmus."

Mr. and Mrs. Roy T. Kujak (King's Studio)

THE BRIDE, given in marriage by her father, wore a white chapel length gown of Chantilly lace over bridal bouquet taffeta. Her fitted bodice was designed with a scalloped sabin a neckline etched with sequins and seed pearls and long sleeves. The bouffant skirt was styled with sequin edging and cabbage roses flowing into the chapel train. A lace crown of pearls and crystal drops held her silk illusion veil. She carried a bouquet of American beauty roses and carried a crystal rosary, gift of the bridegroom.

The bride chose her sisters, Miss Bernice Przybilla, Arcadia as maid of honor and Barbara Przybilla as bridesmaid. They wore orchid colored street-length sheaths of nylon organza fashioned with scoop necklines, short cap sleeves and fitted bodices. The bouffant skirts were held with bows, at the waistline. Matching crowns trimmed with crystal spears held their blush veils and they carried bou-

quets of white and yellow carnations. Their crystal earrings and necklaces were gifts of the bride.

Flower girls, Charlotte Guza, daughter of Mr. and Mrs. Clarence Guza, Independence, and Beverly Hertzfeldt, daughter of Mr. and Mrs. Eugene Hertzfeldt, Independence, are cousins of the bride. They wore white floor-length gowns of Alencon lace fashioned with enlared scoop necklines and fitted taffeta bodices. The bouffant skirts were of lace tiers. Matching tulle crowns fashioned of pearl and crystal aches held their blush veils. They carried bouquets of white and orchid carnations and wore crystal necklaces and bracelets, gifts of the bride.

George Kujak, brother of the bridegroom was best man and Thomas Kliniek, cousin of the bridegroom was groomsmen.

Richard Kujak and Frank Kliniek, cousins of the bridegroom, ushered.

The mother of the bride wore a multicolor sheath with white accessories. The bridegroom's mother wore a dusty rose cotton lace dress with matching accessories. Both wore corsages of pink tea roses.

A noon dinner for 85 and a reception for 250 from 2 to 5 p.m. were held at the Arcadia County Club. The wedding cake, made by Mrs. John Matszko, centered the bridal table. Assorted garden flowers were used on the other tables.

Mrs. Rose Kupietz, Mrs. Albert Klonecki, Mrs. Aloysius Slaby Sr., Miss Frances Pampuch, Arcadia, and Mrs. Clarence Guza, Mrs. Eugene Hertzfeldt, Mrs. Everett Klimek and Mrs. Harry Lyga, Independence, aunts of the bride, and Mrs. Leonard Marsolek, Independence were in charge of the kitchen.

Waitresses were the Misses Janet Olson, Auth Kudig, Dorothy Marsolek, cousin of the bride, Independence, and Kathleen Thomsen, Rita Slaby and Jane Abbs, Arcadia. The wedding cake was served by Miss Luanne Sobotta. Guests were registered by Miss Marie Ressel. Music for dancing was furnished by Miss Marlotte Sluga, Independence, a ryl the bride's cousin, Peter Marsolek, Eau Claire.

The bride is a graduate of Independence High School and was employed at Arcadia Industries, Inc. The bridegroom attended Arcadia schools and is engaged in farming near Arcadia, where the couple will make their home.

Mr. and Mrs. William Owen (Wehrenberg Studio)

Karen Marks Becomes Bride Of William Owen

GILMANTON, Wis. (Special)—Trinity Lutheran Church, Gilmanton, was the setting June 16 for the wedding of Miss Karen Mae Marks and William Bernard Owen. The Rev. A. G. Hemer read the double-ring nuptials.

Parent of the couple are Mr. and Mrs. Harry Marks, Rt. 3, Mondovi, and Mr. and Mrs. Robert Owen, rural Durand. The bride was given in marriage by her father before an altar decorated with white gladioli and turquoise pom-poms, palms and candelabras.

A SCOOP neckline embellished with seed pearls styled the bride's sheath gown of peau de soie. The skirt was fashioned with a panel down the front with split side and a large cabbage rose that flowed into a chapel train. Her silk illusion veil was highlighted with lace petal clouche with sequins and pearls and held by a silk organza cabbage rose. She carried a cascade of pink sweetheart roses and stephanotis.

Maid of honor was Miss Melitta Marks, Mondovi, R. 3, sister of the bride. She wore a nylon organza street-length dress in white with cap sleeves accenting a pleated bodice and satin binding around the neckline and at the waist and two satin bows down the back of the bouffant skirt. Matching petal clouche highlighted by a cabbage rose held her blush veil. She carried a crescent cascade of turquoise and white carnations.

Bridesmaids were Mrs. James Marvin Mork, Pepin, Wis., sisters of the bride, and Mrs. James Kees, Durand, Wis., sister of the bridegroom. They wore gowns identical to the maid of honor, with pearl necklaces and earrings, gifts of the bride. They carried cascades of white and turquoise carnations.

ROGER OWEN, Durand, Wis., was his brother's best man. Groomsmen were James Kees, Marvin Mork and James Nelson, Joe and John Norris, Durand, ushered.

More than 375 guests attended a reception in the church social rooms, where the bride's mother greeted guests in a Chantilly lace dress in aqua, and Mrs. Owen, in a mint green sheath.

Mrs. Evans Moty, Ellendale, and Mrs. N. E. Elden, Beaver Dam, Wis., poured. Hostesses were Miss Penny Gilmore, Minneapolis, and Susan Brommer, Durand. Mrs. Erven Gehrke, Alma, served the wedding cake. Waitresses were Mary Bronner, Durand, Ellen and Adele Subr, Fountain City, and Della Jean Elden, Beaver Dam. Janet Priefert and Barbara Plett, Mondovi, served ice cream. Gifts were opened by Miss Diane Rud, Gilmanton; Jane Balk, Eau Claire, and Mrs. William Couch, Mondovi.

A wedding rehearsal supper was served at Joel's at Mondovi, June 10, with the bridegroom's parents as hosts.

The bride is a graduate of Gilmanton High School and the bridegroom is a graduate of Durand High School. They will be at home at the Owen home farm, rural Durand, following a trip to Canada.

Fallen Ceiling Closes Store

Extensive but undetermined damage resulted when a portion of an artificial ceiling fell at Diana Shops, 54 E. 3rd St., early Tuesday afternoon.

An employee of the women's apothecary said today that everything in the store was covered with the fine plaster sand. Size of the area which fell is about 25 by 40 feet. All of the table merchandise was kept at the front of the store, directly under the area which collapsed. The store will remain closed at least a week.

\$4,089 Added To 1962 City Building Total

Permits for five residential and one commercial improvement projects, with a total estimated construction cost of \$4,089, were issued last week by the city engineer's office.

The dollar volume of new construction in the city this year now is \$985,119, compared with \$1,378,389 at this time a year ago. There have been 12 new house permits issued, six fewer than last year.

LAST WEEK'S permits went to:
 Meryl Nichols, 531 Glen View Dr., \$1,039 for construction of a garage.
 Diana Shops, 54 E. 3rd St., \$800 for remodeling necessitated by last week's collapse of a ceiling. Bruce McNally is the contractor.
 Arnold Schreiber, 1283 W. 5th St., \$700 for construction of a garage at 1676 Harover St.
 Walter Porter, 754 E. 2nd St., \$700 for construction of a garage.
 George Grupa, 76 Otis St., \$800 for garage construction.
 John Fitzgerald, 64 Lenox St., \$50 for siding.

PERMITS FOR gas-fired installations were drawn by Kranning's Sales & Service for Miss Joan Kite, 425 Huff St. Quality Sheet Metal Works for Lester Redmann, 520 Lincoln St., and W. D. FeinSmith, 667 Grand St.

Kranning's look permits for oil heating, ventilating or air conditioning installations for Victor Gilbertsen, 474 W. King St., Harold Wood, 1203 W. 4th St., Mrs. Richard Maxwell, 508 Glen View Ct., Dr. J. V. Waddell, 1289 W. Broadway; Mrs. John Druey, 309 W. Wabasha St., and Cyril Reppinski, 206 Steuben St.

Plumber License Exam Scheduled

Winona plumbers were reminded today of examinations for state master and journeyman plumber's licenses to be given Sept. 10 and 11 at 8:30 a.m. in the Agricultural Building on the St. Paul campus of the University of Minnesota.

Conducted by the Minnesota State Board of Health, the examination for journeymen will be on Sept. 10 and for master plumbers the following day.

State law provides that in Winona and any other city or village in the state with a population of 5,000 or more and a waterworks or sewage system, no person or firm can work as a master or journeyman plumber without a state license.

Applications for the examinations must be filed with the board of health by Aug. 15.

Check Heating System Now, Avoid That Fall Rush

Any plumbing-heating contractor can tell you that his busiest time for installing, modernizing, repairing or checking residential heating systems is late autumn.

The wise homeowner, says the Plumbing-Heating-Cooling Information Bureau, sees to these matters during the summer and thus is assured of getting what he wants before the big rush.

Every heating system should be checked for proper operation once a year by an experienced contractor.

ROUGHEN THE GLOSS

Check the area under the eaves and on other protected parts of house siding before repainting to see whether the old finish is still glossy. If it is, roughen the surface with sandpaper so that the new paint will adhere better.

Work with wood on weekends and during vacation. Few towns are so small they do not boast a trained carpenter.

House of the Week

Modest Ranch Poses as Mansion

By **JULES LOH**
 A covered arch portico, a flagstone entry porch, and the illusion of enormous frontage give this modest house the sort of dignified grandeur sought by most 20th century suburbanites.

Because of its L-shape, the side wall linear dimensions viewed from the front walk total 80 feet in the two car garage version of the plan.

Yet the total width of the house is only 58 feet (47 feet in the single car garage plan). Also helping to emphasize the horizontal lines is the architect's decorous use of brick and shingles.

THE PLAN is J-27 in the House of the Week series, designed by architect Herman H. York.

For all its appearance of vast size, the home is well within the medium category—only 1,556 square feet of living area. The single garage would add 245 square feet of overall area, twice that for the double garage plan. Depth is 49 feet 5 inches.

The design includes three bedrooms, two bathrooms, living room, dining room, family room and kitchen. There is a full basement, with the stairs located in the kitchen.

THE FRONT porch flagstone extends right on inside to the foyer—a truly functional foyer, in that it provides direct access not only to the formal living room but to the family room as well.

While the view from the foyer into the family room is a pleasant one, focusing on the fireplace, architect York has provided a door for those moments when the room develops that lived-in look most family rooms acquire as soon as school lets out.

And this room will indeed be lived in. It opens onto the rear terrace, and is developed in an open plan with the kitchen—the two most-used areas on any house, especially at this time of year.

HERMAN YORK is an architect who pays close attention to detail, providing those little touches which set a house apart as a fine home rather than just a run of the mill dwelling.

For example, the shuttered and diamond lighted windows, and the dove cote detail over the window box, give the exterior real residential class.

Inside, note the curved wall surrounding the planter in the living room. Modern techniques make this a simple matter to build, and it certainly relieves the severity of right angles and straight lines found in most homes.

Such finery doesn't at all indicate the practical matters of space and economy have been ignored, however.

TO ILLUSTRATE, the bathroom plumbing is back-to-back so both rooms can be served by the same lines; and the single chimney handles all the flues required for furnace, fireplace and outdoor barbecue grill.

A bay window, viewed directly from the foyer, gives the living room a good first impression. The living room-dining room ell is 28 feet long overall, large enough to develop interesting furniture arrangements.

Sliding glass doors could be substituted for the double windows in the dining room, if access from the formal area of the house to the rear terrace is important. For general ventilation, however, windows are preferable and the plan as shown probably is more desirable.

ANOTHER optional change a homeowner might consider would be to place a door in the main bathroom so both the tub and lavatory could be used at the same time. Though somewhat less glamorous, this would add to the bathroom's use capacity.

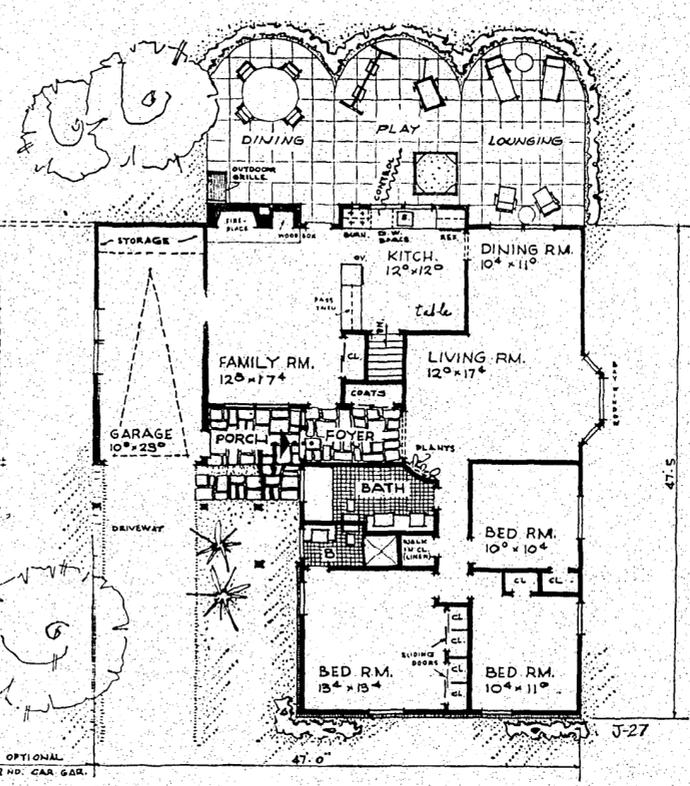

A final suggestion by York is to use prefinished plywood or hardboard on the foyer walls and family room to add interest and reduce maintenance.

J-27 Statistics

A three bedroom ranch with two full bathrooms, living room, dining room, family room and kitchen; full basement; with either single or double garage.
 House contains 1,556 square

ILLUSION OF SIZE: The L-shape of this design provides side wall linear dimensions of 80 feet, viewed from the front walk, while the house actually is only 58 feet wide. It contains three bedrooms, two full baths, living room, dining room, family room and kitchen in 1,556 square feet of living area.

FLOOR PLAN: Sliding glass doors could be substituted for double windows in dining room if access to rear terrace is desired. House contains 1,556 square feet of living area in dimensions of 49'5" deep by 48' wide in double car version; 47' wide in single garage plan.

Interested in Resilient Tile? Here Are Types

By AP NEWSFEATURES

Resilient floor tiles continue to rank high on the list of best-selling do-it-yourself materials.

Their continued popularity is due to their ease of application, even by those who find other handyman chores too difficult to tackle.

Here are some facts about the better-known varieties of resilient floor tiles:

ASPHALT — Low in cost and wears well. Can be used in low-ground levels and on concrete surfaces. Should not be used outdoors where there are temperature extremes. Must not be cleaned or polished with any product containing oils or solvents. Special types of asphalt tile are grease-proof.

VINYL — Flexible and durable. Resistant to acids, grease, oil and stains. Comes in a wide variety of sparkling colors. Most manufacturers recommend occasional waxing for appearance and protection.

RUBBER — Also flexible. Easy to walk on and virtually noiseless. Resistant to acids and most stains. Almost slip-proof. Should not be cleaned or polished with products containing solvents. Inclined to fade when exposed continuously to bright sunlight.

CORK — Easy to walk on. Has a luxurious appearance. Excessive use of water should be avoided. May or may not be waxed. Penetrating floor sealer sometimes recommended for easier maintenance.

LINOLEUM — Economical and

Antibiotics Aid Trees

Antibiotics are helping trees, as well as men and beasts, to stay healthy. In northern Idaho forests, two wonder drugs, Phyteactin and Acidemine, are reported winning a battle against blister rust, a killing, cancerous fungus growth. About 80,000 acres of white pine forests have been sprayed with these antibiotics since 1957 with such success that foresters expect a 250 percent increase in white pine production in the treated areas.

PAINTING GALVANIZED STEEL

Here's how to get a lasting paint job on galvanized metal gutters and pipes. Remove all loose or peeling paint with a wire brush and use steel wool to remove all rust. Be sure the metal is free of loose dirt and oil or grease. Then brush on a coat of zinc dust-zinc oxide paint or a primer designed for galvanized steel. After this has dried use either the same paint that you're applying to the wood siding, or colorful exterior enamel or trim paint.

easy to apply. Available in a wide range of colors and patterns. Should not be varnished or lacquered.

In laying any kind of floor tiles, you can hardly go wrong unless you disregard the manufacturer's instructions regarding the application of the adhesive.

It makes a difference how much adhesive is applied and how long the manufacturer tells you to wait before placing the tiles on the adhesive.

The most common mistake of the amateur is to apply too much adhesive, which later will result in a seepage through the tile joints. Aside from that, putting down floor tiles is easy.

Some Lewiston Flower Show Notes

Flower shows are intriguing to most people who love color and artistic arrangements of flowers and foliage.

The show we visited last Wednesday in the Public School Auditorium, Lewiston, Minn., was no exception. It was held by the Flower Society and though the season hasn't been too favorable for some of the garden flowers there was a good representation.

Several specimen blooms of delphinium were very good. Though some especially fine late ones were on display. Some of the rose specimens were very good, though a few that were on exhibit showed a lack of good conditioning.

The arrangements, on the whole, were very good and displayed considerable adaptability in the use of such flowering shrubs as the double mock orange and the red spiraea owing to the scarcity of garden flowers. The centerpieces on individual card tables with table cloth and accessories were attractive.

It was a pleasure to see the number of arrangements under the section set aside for young people. This seems to be a growing classification in the Lewiston show.

Outdoor Grill Motors Need Grounding

Warning of hazards involved in operation of electrical devices—including portable outdoor grills with motor-driven spits—without proper grounding devices was given today by George Jessen, city electrical inspector.

Jessen emphasized that state law requires that all portable electric tools be grounded in accordance with safety provisions of the National Electrical Code. A three-wire cord, three-wire plug and three-wire receptacle of the grounding type are necessary.

Jessen said that he has condemned many portable tools and outdoor electric devices that failed to meet standards and made special mention of the outdoor grills.

These, he said, are motor operated and connected by electric cords to convenience outlets of 120 volts.

Jessen said he has noticed that these motors aren't provided with grounded cords or plugs and commented, "It is just as dangerous to use these motors ungrounded as any other portable tool or motor. If these grill motors are left out

Double Defeat Irks Twins' Manager; Southpaw Pleis Recalled

MINNEAPOLIS (AP) — Sam Mele hasn't had much occasion to be mad this season the way his Minnesota Twins have been hovering near the top of the American League heap.

Sunday evening Sam was mad. The Twins had just suffered their first doubleheader loss of the season to the Los Angeles Angels, 3-2 in 10 innings and 7-6.

It wasn't so much that his Twins had lost two games that made Mele mad, it was how they did it.

They held one-run leads going into the ninth inning in both games and couldn't hold on. The relief pitching simply collapsed.

"I feel like we deserved to win two games today," Mele snorted. "When you go into the ninth with leads twice and can't hold them, then what kind of pitching is that?"

Starters Jack Kralick and Joe Bonikowski worked well enough to win. Kralick permitted only one run—a home run—and five hits in seven innings in the first game before being lifted for a pinchhitter. Bonikowski blanked Los Angeles on only three singles before running into trouble in the sixth inning of the second game when LA got to him for a pair of runs.

But relievers Ray Moore, Dick Sigman, Lee Stange and Georges Maranda couldn't check the Angels' late-inning rallies.

Stigman (3-2) did strike out six batters in a two-inning stint in the second game, but he also got tagged for the Angels' winning run in the first contest and was charged with that loss.

Maranda (1-2) gave up Billy Moran's game-winning home run in the top of the ninth of the second game and took the loss.

The Twins announced Sunday night the recall of southpaw Bill Pleis from Vancouver of the Pacific Coast League to try to

shore up the mound corps. Pleis, 4-2 with the Twins last year, was sent to Vancouver this spring. He was 5-3 with the weak-hitting Mounties and had the PCL's best earned run average at 1.96.

Mele said he plans to use Pleis, who will join the club in New York for the start of a three-game series Tuesday night, primarily as a reliever, but "if I need a starter, he'll start."

To make room for Pleis, the Twins optioned righthander Jim Donohue to Vancouver. Donohue was obtained for pitcher Don Lee in a recent trade with the Angels.

The Twins lost the first game Sunday when the Angels' Albie Pearson scored from third on Leon Wagner's sacrifice fly in the top of the 10th.

The Twins got both their runs in the seventh when they broke up a no-hit bid by Los Angeles' Ken McBride. Earl Batley's double, Ziolo Versalles' single, two walks and an error produced the runs.

The Twins rallied for two runs in the last of the eighth to take a 6-5 lead in the second game only to blow it as Joe Koppe homered off Moore and Moran hit his second home run of the day. Moran also homered in the third inning of the first game.

Reserve catcher Jerry Zimmerman, who had a single and double in the second game, was lost for 10 days to two weeks when he suffered a dislocated and split middle finger on his right hand when winged by a foul ball. The wound required four stitches to close. Zimmerman did not accompany the team to New York.

Rich Rollins' batting slump continued through eight games. Dur-

ing the stretch, the erstwhile league hitting leader has collected only three hits in 34 times at bat and his average has shrunk from .360 to .328, still good for third in the league.

The Twins had swept four doubleheaders and split another before Sunday's showing. Despite the double setback, the Minnesotans remained in second place, 1½ games behind Cleveland.

The five-game, three-day Los Angeles series drew 85,140 fans, compared with 55,551 for all nine Angel games here last season. Sunday's crowd totaled 55,451, a record for a Sunday twin bill here.

NATIONALS HERE IN FUTURE?

Ski Meet Pleases Many

By GARY EVANS
Daily News Sports Writer

"An excellent tournament."

That was the opinion of Janet Ostberg, who served as second chief judge for the Sugar Loaf Ski Squad's open water ski tournament on Lake Winona Saturday and Sunday.

"This was by far the biggest tournament in number of entries

that we've ever been at," echoed her husband, Jack, who served as chief judge. "When I speak of tournaments I'm also including the Nationals and that's no lie."

"THE MEET was run off excellently for a first attempt by a club," Janet commented. "When you figure that we had 100 people register on the day of the meet, you have to expect some confusion. You can't say enough for the

Sugar Loaf squad. They handled everything like professionals."

The meet, which drew over 200 contestants, also led to talk of the future.

"I would say that Winona would have to be given every consideration as a future spot for the nationals," Ostberg stated. "The location is ideal. The lake is just perfect, and there is adequate room to accommodate the spectators. I know that we would like

to see the meet here."

SUNDAY'S performance was highlighted by the show of experts at the end of the day's events.

Trick jumping, trick skiing and the big crowd-pleaser of the day, kite-skiing, entertained the fans that jammed both sides of the lake.

Leon Baudin soared up to 70 feet behind the tow boat powered by two motors. Several times he came swooping across the shore, much to the delight of the children and horror of the parents.

In regular competition, John Ostberg, 13, added another feather to his cap as he placed second in junior boys tricks.

JUDY BALL of White Bear Lake was a double winner as she skied to firsts in women's slalom and jump.

She was the only double winner yesterday. Winona performers were shut out over the two-day tournament, reflecting the strong field of outside entries.

Paul Blumentritt and Chuck Biesanz turned in the best performances. Blumentritt almost had a win in tricks but he spilled off his skis on the final lap.

"I could have won if I wouldn't have fallen," Blumentritt, noticeably angry with himself, stated. "I can't understand what made me fall. I've done that turn around a dozen times and never fallen. Maybe I was too sure of myself."

BIESANZ HAD a good series of jumps but was nosed out by T. G. Ghiloni of Port Edwards, Wis.

"I think we can class the tournament a success in every department except finances," John Koprovski, president of the Sugar Loaf squad, said. "We probably will run in the hole."

"We get a cut of the profits on the Jaycee concession stand and also the chicken fry. This could mean that we might break even. It was good experience and I think that the performers were well satisfied."

From then until the 22nd it was pitching, defense and a flurry of missed chances. In overtime, the Tigers had several opportunities to break it open—particularly in the 11th, when Colavito's triple and intentional walks filled the bases with none out. The threat died as Chico Fernandez lined out to short left and Dick Brown's foul popped into a double play on a squeeze bunt.

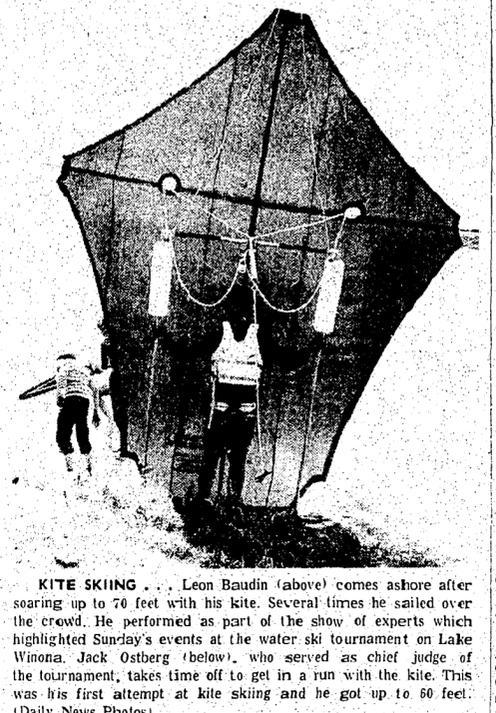

With Regan on the mound as Detroit's seventh pitcher in the 22nd, Roger Maris drew a one-out walk and Reed — a defensive replacement for the hobbled Mickey Mantle — drove one into the seats in left. Colavito stirred the crowd in the last of the 22nd when he singled with two out, but Norm Cash flied to left for Detroit's 66th and final out.

Boulton, also the seventh pitcher for the Yankees, yielded just three singles and two walks in his seven-inning stint.

The major league record for longest game by innings is the historic 26-inning 1-1 tie between Brooklyn and Boston in 1920. The American League mark is 24 innings — Detroit-Philadelphia in 1945 and Philadelphia-Boston in 1906.

Washington left-hander Claude Osteen held Cleveland to six hits in the Senators' victory, while Harry Bright chipped in with a homer and key single. The Indians gained a split with the aid of two unearned runs in the second game. Chuck Essegian, who homered earlier, scored the tying run on Bob Johnson's throwing error in the sixth and Butba Phillips then singled across the clancher. Frank Funk won in relief and the loss went to Pete Burnside. Jim Perry was Cleveland's loser in the opener.

Ray Herbert scattered six hits as the White Sox whipped Kansas City, but the A's ended their losing string in the second game, foiling Early Wynn's fourth bid for his 29th career victory. They chased the 42-year-old right-hander with six singles in the sixth for three runs, wiping out a 2-0 Chicago lead.

BEAT DODGERS 12-10

Robinson, Reds In Hot Streak

By JOE REICHLER
Associated Press Sports Writer

Frank Robinson, the National League's most valuable player of 1961, is in the midst of a hot streak that may not only carry him to his second straight MVP award but also bring the second straight pennant to the Cincinnati Reds.

The Reds, after a wretched start, were hanging doggedly in the race today, seven games behind league-leading Los Angeles after taking a 12-10 slugfest match from the Dodgers Sunday. Four homers, two of them by Robinson, carried the Reds to victory. Robinson's homers, his 10th and 11th of the season, drove in four runs and gave the Reds fresh momentum after they had squandered an early 5-0 lead.

San Francisco's Giants defeated Warren Spahn and the Milwaukee Braves 3-1 to climb to within 1½ games of the Dodgers. Pittsburgh dropped a doubleheader to the Chicago Cubs, 4-3 and 8-4, to fall 6½ games off the pace, and only a half game in front of the fourth-place Reds. St. Louis split with Philadelphia, winning the second game, 5-1, after the Phils had won the opener, 3-1. Rain came pouring down during the third inning of the first game in New York and washed out a scheduled doubleheader between Houston and the Mets.

Robinson's first homer enabled the Reds to regain the lead, 6-5, after the Dodgers had scored five runs in the second to match Cincinnati's five in the first. The slugging outfielder homered again in the fourth, this time with two on.

Robinson has made 48 hits in the Reds' last 30 games, boosting his batting average from .250 May 25 to .316. During that stretch, he has hit at a .390 clip, with eight homers and 32 runs batted in.

Willie Mays doubled home two runs in the fifth to snap a 1-1 tie and give Juan Marichal his 11th triumph. The young San Francisco right-hander permitted the Braves only four hits as he outduelled the veteran Spahn, who absorbed his ninth defeat against six victories.

Ernie Banks drove in the 90th run of his career in the first game and hit his 20th homer of the season in the nightcap as the Cubs took both ends of a doubleheader

from the Pirates. Rookie Lou Brock paced the Cubs in the second game with a single, double and triple as right-hander Cal Koonce gained his fifth victory.

The Phillies got only three hits off St. Louis pitching in the opener but one was a two-run homer by Don Demeter which was the margin of victory. Chris Short went the distance for his fourth triumph. Curt Simmons won his eighth for the Cards in the nightcap, aided by a four-run seventh at the expense of loser Dennis Benet.

Homer in 22nd Inning Gives Yanks 9-7 Victory

By JIM HACKLEMAN
Associated Press Sports Writer

When it comes to staging a history-making baseball production, two unlikely candidates for starring roles would be a third-string outfielder named Jackie Reed and a second-line relief pitcher named Jim Bouton.

But Reed and Bouton shared the spotlight Sunday as the New York Yankees overcame the Detroit Tigers in a 22-inning American League drama that lasted exactly seven hours. Reed provided the decisive punch, his first big league homer with a man on in the 22nd, and Bouton supplied the key pitching, seven innings of three-hit relief to win 9-7.

In time, the game at Tiger Stadium was the longest ever played in the majors. In innings only four other big league marathons have gone further. It started off as a Yankee runaway as they bombed Frank Lary for six runs in the first and another run

in the second. While the Tigers were catching up and holding on, a succession of five Detroit pitchers shut out the Yankees for 19 innings before Reed blasted Phil Regan.

Long before the Yankee-Tiger duel was settled, other AL action was in the books. First-place Cleveland beat Washington 4-2 after losing the opener of the doubleheader to the Senators 3-1. Los Angeles trimmed Minnesota twice, 3-2 in 10 innings and 7-6, dropping the Twins a game and a half behind the Indians; Chicago handed Kansas City its seventh straight defeat, 6-1, then lost to the Athletics 5-2; and Boston crowned Baltimore twice, 3-2 and 8-5.

Clete Boyer climaxed the Yanks' big burst against Lary in the first with a three-run homer, but the Tigers quickly routed them before further. New York starter Bob Turley, who was lifted with one out in the first after yielding two walks, a homer to rookie Purnell Golay,

then another walk. Another Yankee run came across in the second, then Detroit pushed three in off Jim Coaker in the third and drew even against Bill Stafford in the sixth when Bill Bruton scored on Rocky Colavito's single — his second of seven hits for the long day.

From then until the 22nd it was pitching, defense and a flurry of missed chances. In overtime, the Tigers had several opportunities to break it open—particularly in the 11th, when Colavito's triple and intentional walks filled the bases with none out. VFW Buddies Nip Saints On Two-Hitter

ST. CHARLES, Minn. — (Special) Winona's VFW Buddies pushed across a single run in the second inning and made it stand up for a 1-0 victory over St. Charles here Saturday.

The win was the second in three games for Winona which shares first place in the Eastern Division of the VFW Midget League.

In other games Saturday, Albert Lza nudged New Ulm 3-0 in two extra innings, Waseca trounced Lake City 8-7, also in two extra innings; Wells edged Mankato 6-4, and Fairbault topped Austin 5-2.

A triple by Jack Weimerskirch and a bloop single by Bob Allaire produced the winning run at St. Charles.

Tony Kruezer pitched two-hit ball for his second straight triumph, fanning six while walking five.

Winona got seven hits, including a triple by Gary Curran, off St. Charles' Gary Johnson.

"We just leave too many runners stranded on bases," said Earl Brugger, Winona coach. "We can't hit when we need to. Our fielding is good, but our hitting is poor."

Winona plays host to Austin next Saturday with a chance to take over undisputed first should Lake City stop Fairbault.

FORD VICTOR... Doug Ford (left) holds the cup along with Baltimore Mayor J. Harold Grady after winning the Eastern Open golf tournament Sunday at Baltimore, Md. He carded 279 for 72 holes, finishing a stroke up on Bob Goalby. Ford won \$5,300 and is within \$29 of totaling \$300,000 for his career as a professional. (AP Photofax)

GOALBY SECOND

Ford Captures Eastern Open

BALTIMORE (AP)—Bob Goalby had something else to remember today from his close traveling golf companion, Doug Ford: Don't get rattled when the heat's on.

Goalby had a first-hand exhibition of Ford's dogged temperament gained in 13 active years on the money circuit.

They played together in the last trip of the Eastern Open golf tournament Sunday.

Ford, who had enjoyed a six-stroke lead at the end of 36 holes, saw it melt away during the fourth round. The last man with a chance at him was Goalby.

With three holes to play, Ford was ahead by one stroke. At the 16th, Goalby sank a six-foot putt for a birdie. Ford matched it with a four-footer.

At the next-to-last hole—which Ford had tabbed early in the tournament as key spot on the Mount Pleasant course—Goalby drove the 201-yard green and Ford missed it. But Doug calmly shipped to four feet of the cup and sank his par.

On the last hole, Goalby's second shot was 15 feet past the cup and Ford was a dozen feet to the side. Goalby, twice nervously waving gnats away from the ball, putted boldly but the ball fell off sharply to the left at the last second and missed.

Ford putted out safely in two for a tense one-stroke victory. He had matched par 72 on the last round and gone over by one in the third round.

In the first 36 holes he had been 10 under par. His total 279 was nine under par, second highest score to win the Eastern.

It was the second victory of the year for the 39-year-old Ford and the first prize of \$5,300 boosted his take to \$21,341.

Winona Dogs Sweep Stake

ROCHESTER, Minn. (Special)—Winona dogs swept in the puppy stake Sunday at the Libbey farms here.

Cocoa Boy, owned and handled by Cliff Murray, was first followed by Willard Matzke's Brown Bomber and Bob Abraham's Tri-Sida Country Boy.

In the derby stake, Storm at West Newton, owned and handled by Leo Inman, took a second.

Ten dogs were entered in the derby and 12 in the puppy stake.

Seven Winona Archers Win No. 1 Awards

Seven Winona archers won top awards in their divisions Sunday at the Central Field Archery shoot sponsored by the Winona Bowhunters here.

More than 100 archers competed from La Crosse, Sparta, Tomah, Kendall, Richland Center and Winona.

IN AN unprecedented feat, Winona won all the first place awards in each division of the men's class and top trophy in the women's expert class.

In the men's champion class, Robert Pratzke with a score of 411 took the top trophy in the shoot. Bob Grochowski was second with a score of 392.

Le Roy Backus took the men's expert trophy with a score of 346. Second was Tom Kosidowski with 306, third Carl Fratzke Sr., with 288.

In men's bowmen class, Gilbert Hoesley with 336 won first place with Kenneth Wurch taking second with 268.

Ralph Wiczorek with 330 won first place in the men's archer class.

In men's hunter class, Dr. E. G. Nash with a score of 264 won first place. Paul Mc James with 252 won second.

IN WOMEN'S expert class, Thelma Fischer won the first place trophy with a score of 269. In women's bowmen class, Bonnie Hoesley won third place with 146.

In the Women's archer class, Marlene Wurch with 111 won third place.

In the junior boys class, all three places were won by Winona archers. Dave Weinman was first with 308, Gary Fratzke with 279 and Jim Backus with 216 followed.

Next shoot for Winona Bowhunters July 4. The regular Bow event will consist of regular spot targets on half the range and

Merchants Win as Beck Fans 18; Alma Victor

Fred Beck came through with his second top pitching performance Sunday and the Winona Merchants topped Gilmanston 2-0 in the Hiawatha Valley League.

The big surprise came at Rollingstone where Alma crushed the league-leaders 12-5, dropping them

to second. Trempealeau took advantage of Rollingstone's loss to climb into undisputed first place by walloping Kellogg 15-6.

Sorenson Wins Collegiate Golf

ALBUQUERQUE, N.M. (AP)—Wisconsin's Carol Sorenson is the new collegiate women's golf champion, after a sub par performance in winning the title in the 18th annual tournament on Saturday.

Miss Sorenson, the daughter of a Janesville, Wis., high school golf coach, took the crown by blazing to a 5 and 4 victory over defending champion Judy Hoerner, a 21-year-old University of Washington graduate and daughter of a Seattle golf pro.

The victory was Miss Sorenson's second major women's college conquest in the last year and second on the long and rugged University of New Mexico course.

She won the Tucker Intercollegiate—regarded as the No. 2 women's college tourney—here last October.

The final round, scheduled for 36 holes over the 6,476-yard course, was played in 94-degree temperatures.

Hunter Round Target faces on the other half. It will be followed by the annual shoot between members of the Winona Police Department using firearms and the Bowhunters with bows and arrows. This will start at 2:30 p.m. and is open to the public.

SCHWEBACH ACES NO. 3 AT ARCADIA

ARCADIA, Wis. (Special)—Joe Schwabach of Independence registered a hole-in-one on the par three 210-yard No. 3 hole at the Country Club here Sunday.

He used a No. 2 iron in registering the ace. His total for the nine holes was 38.

Hill, Belgian Win Le Mans

LE MANS, France (AP)—Olivier Gendebien, one of the world's premier race drivers, is retiring from a competition with a record he hopes will not stand long.

Gendebien, of Belgium, teamed with Phil Hill, Santa Monica, Calif., and nursed a Ferrari to an easy victory in the 24-hour Le Mans auto race Sunday, a record fourth for the Belgian and the third for Hill.

Gendebien, 37, said he hopes Hill will quickly match his total with some other teammate.

"I've had a well-filled career," he said, "and now I can leave a place for others. I am now the recordman for Le Mans victories, and I hope that Phil can join me on this pedestal."

to be played at night and the Saints were ready for an afternoon game.

Beck, who struck out 19 in shutting out Kellogg last Sunday, came through with 18 strikeouts in beating Gilmanston. He allowed but two hits.

Alma chucker Gary Kochenderfer fired a two-hitter against Rollingstone. He struck out eight.

ROGER ROFFLER, Frank Huber and Gary Evans had two singles each for Alma. Bob and Jim Schmidt had singles for the losers.

Budd Injured; Uelses Fails In AAU Meet

WALNUT, Calif. (AP)—Track and field records books were in for a rewrite today as a 40-man team headed for Chicago to prepare for upcoming meets with Poland and the Soviet Union and the 74th national AAU championships passed into history.

Missing from the American team which will face Poland and the Soviet Union at Palo Alto, Calif., on July 21-22 will be one of the nation's top sprinters and two of its 16-foot pole vaulters.

limit was 15 feet. Newly admitted to the 16-foot club was veteran Ron Morris of the Southern California Striders, with 16 feet 1/4 inch. He became the fourth man to break 16 feet.

The one-time University of Southern California athlete discarded his trusty old metal pole, one that he treasured like an old pair of carpet slippers, for the new fiberglass stick.

Morris, of course, made the U.S. team, and so did the University of Washington's John Cramer with the best jump of his life, 15-8 1/4. He beat out Turk on fewer misses at lower heights.

One world mark was tied and three American records were broken as the AAU carnival wound up Saturday night.

For the first time in American track annals, four men hit the tape in the mile under four minutes.

COX PBA VICTOR SPOKANE, Wash. (AP) Darylee Cox, Bellingham, Wash., defeated Harry Smith, St. Louis, Mo., to take the \$3,000 prize money in the 16-game final of the Professional Bowlers' Association Spokane Open here Sunday.

Americans Will Bother Aussies At Wimbledon

WIMBLEDON, England (AP)—The 76th Wimbledon Lawn Tennis Championships opened today, with the Australians favored to take the singles titles and the Americans as their principal challengers.

Rod Laver, last year's winner of the men's crown, was top seed and a heavy choice to do it again.

Margaret Smith was the favorite to win the women's section, with Maria Bueno of Brazil and Darlene Hard of Long Beach, Calif., rated her most dangerous rivals.

The Australians dominated the first day's program, which was devoted entirely to the first round of the men's singles. There were 25 Australians in the first round, compared with 16 Americans and 15 Britons.

An official of the All-England Club, which runs the Wimbledon tournament, said the Australian entry is the biggest of all time.

Laver, as defending champion, was traditionally scheduled to lead off the championships on the center court. His opponent was Nareth Kumar of India.

Chuck McKinley of St. Ann, Mo., last year's defeated finalist and the United States' brightest hope in the men's event, faced Australian Owen French, who has not played at Wimbledon before.

One American who could spring a surprise was Jon Douglas, of Santa Monica, Calif. He was scheduled to meet Roy Emerson of Australia, the No. 2 seed.

Advertising Key To U.S. Growth, Newsmen Told

BRainerd, Minn.—Advertising is a key to economic growth in our society, Richard E. Forbes, Detroit advertising man said at the annual convention of the Northwest Daily Press Association here over the weekend. Mr. Forbes said that communication of facts about goods and services is of vital importance to the workings of a free economy and to the general welfare of the people.

"Only as people are made aware of the goods and services that are available can the free market do its work in stimulating steady economic growth, the kind of growth that the people of our country want and need," he said.

And how to make advertising an even more effective communicator, he added, is one of the greatest challenges facing us in the advertising business today.

Commenting on the nation's business economy, he said there is every reason that confidence in the future will grow steadily.

Total employment is at an all-time high, and is moving steadily higher.

New plant and equipment expenditures in 1962 are expected to reach their highest levels in five years.

Personal income and personal savings are high and total retail sales continue to grow.

New car sales are running at a better rate than at any time since 1955, and sales of used cars also are up.

"Seen as a whole, the general business picture is highly favorable," he said. "And it goes without saying that the continued strength of the economy is going to mean that more dollars will be moving into advertising."

Attending from Winona were William F. White, Winona Daily and Sunday News, publisher, and C. E. Linden, business manager and advertising director.

Stocks Down Sharply on Heavy Trade

NEW YORK (AP)—The stock market continued sharply lower in heavy trading early this afternoon.

The Associated Press average of 60 stocks took a substantial loss of 2.10 to 200.40 at noon, with industrials off 3.00, rails off 1.20, and utilities off .90.

Key stocks fell along a broad front, with most losses fractional but ranging to a point or more to drag the average down.

The weekend news brought nothing to inspire more bullish thinking. The decline continued where last week's sharp sell-off ended.

Steels, motors, rails chemicals, tobaccos, drugs, rubbers, electrical equipments and utilities joined the retreat. Airlines were mixed. A few of the "growth" stocks which have taken such heavy losses were up.

Ford was off a fraction despite settlement of the strike at its Cleveland stamping plant. GM was steady, Chrysler off a fraction.

Losses of about 2 points were taken by Texaco and Du Pont. Down around a point were Union Carbide, Allied Chemical, Sears Roebuck, Goodrich, Liggett & Myers, Lorillard and IBM.

Johns-Manville advanced about a point, Xerox gained more than a point and Polaroid added about 2. Fractional gains were posted for Liltion Industries, Radio Corp., Eastman Kodak and International Telephone.

Prices moved irregularly lower in fairly active trading on the American Stock Exchange.

Corporate and U.S. government bonds declined.
