GUEST LECTURER
Peter C. Hill, PhD

Peter C. Hill, PhD, is professor of psychology at Rosemead School of Psychology, Biola University, in La Mirada, California. With approximately 120 peer-reviewed journal articles and book chapters primarily in the psychology of religion and spirituality, Dr. Hill focuses his research interests on religious/spiritual measurement, positive psychological virtues such as humility and forgiveness, religious fundamentalism, and the role of affect in religious or spiritual experience. He has received two grants in the study of humility from the John Templeton Foundation. Dr. Hill has coauthored or coedited six books, including *The Psychology of Fundamentalism: An Intratextual Approach* (2005), *Measures of Religiosity* (1999), the *Baker Encyclopedia of Psychology* (1999), and the 5th edition of the leading psychology of religion textbook *The Psychology of Religion: An Empirical Approach* (2018). He is a past president of Division 36 (Society for the Psychology of Religion and Spirituality) of the American Psychological Association (APA) and was elected Fellow of the APA in 1998.
