*Fuller Theological Seminary instituted the Payton Lectures in 1948, providing for a series of five divinity lectures annually by a competent scholar outside the regular faculty, in one of the following areas: the uniqueness or confirmation of the historic Christian faith, the confutation of non-Christian or sub-Christian views, or the formulation of Biblical doctrines.*

*The Lectures are named for Dr. and Mrs. John E. Payton, the parents of Mrs. Charles E. Fuller, wife of the founder of the Seminary.*
