## SPoT Kitchen

Did you know that SPoT Coffee has its very own SPoT kitchen? Oh yeah, we have our very own SPoT Chefs - Chef Eric Granville & Pastry Chef Jenny Laney - graduates from none other than the CIA in New York City. They lead our team of cooks and bakers.

We slice & dice, mix & knead, bake & cook it up fresh every day. All of our products are the very freshest & made from scratch.

What does that mean? Well, we're no fans of the freezer that's for sure! Shake & bake & scoop & serve can stay home.

We start off with the basics & put them together for incredible gourmet delights - fresh meats, vegetables, herbs, spices, flour, butter & fruits. We even chop our own chocolate we get in gigantic chunks straight from Belgium.

At SPoT Coffee we like things the old fashioned way cuz it tastes better - don't ya' think?
