Woodstock, N. B., July 4th 1891 1902

Hon. J. P. Brew

Dear Sir and bro.

Could I trouble attention for a short time as to whether or not amongst Divisions, to the Conducting of which you may have frequently been a witness, you have known certain differences to exist about modes of procedure. An instance I have known difficulties to arise relative to an objection to an amendment which being passed was allowed to dispose of a question ^{orig.} resolution included. According to Gushing's Manual which we use, if I understand it, the resolution as amended would ~~immediately~~ follow the acceptance of an amendment. I do not cast in this letter an opinion professionally, but simply to mention one or two features of ordinary debate which you might recall as a bail officer of the G.O.H. some precedent or experience, such as I mention being under discussion and leading me to believe were unsettled and disputed measures.

I had an appeal lately from one Divⁿ - ment on an amendment which was ignored by the Chair. I mentally decided that the Chair was right because the amendment had apparently no relation to the original question and hence partook of the character of a separate question. When having consulted Gushing's Manual, however,

Chapter IX, Sec. IX, paragraph 133 I found what
appears to sustain a difference of opinion, viz.,
that words can be stricken out and others
introduced of a "wholly different tenor."
I know you must now be busy preparing "with
a ~~small~~ multiplicity of duties" for the Nat'l
Convention, so if you have not time to give any
attention to this letter at present I shall not
be disappointed. I thank you for having always
kindly answered my communications, although,
as I am aware Constitutionally I should
not expect a Nat'l officer to honor them.
I remain, fraternally,
H. O. W. 204

Dear Sir: Bro

Just prior to the Provincial
Conventions last month - I had a letter from Halifax
Nova Scotia stating he had not yet received their Charter.
Some time ago I forwarded the \$100 dollars for it - and
you said a new Charter was being got up and
there would be some delay. As this is the only matter
hanging from my term of office I wish to bring it to your
attention - and ask you to have Charter forwarded to Halifax
as soon as possible. Kindly let me know what has been
done in the matter. E. A. B. of Fredericton has been
elected Pres Sect - and in him I think we will have
a Capable Officer. Our last Convention was a great success
and a good impression of the A. S. H. was left in the
places in which it was held. Very Fraternally Yrs.

Dear Sir & Bro -

Replying to yours of the 24th regarding ac would say that I simply have been forwarding money on ac as I thought you would just have the one ac for New Brunswick. I find it difficult for Division Officers to permit in business like way and very often they dont send the Division and I have to simply credit to their respective Counties however I hope to be able to send you a statement and also close the ac at an early date

Thanking You for your kindness
and hoping this will find you well
