This Presentation is brought to you for free and open access by the School of Computer Science and Engineering at DigitalCommons@SHU. It has been accepted for inclusion in School of Computer Science & Engineering Faculty Publications by an authorized administrator of DigitalCommons@SHU. For more information, please contact [ferribyp@sacredheart.edu](mailto:ferribyp@sacredheart.edu), [lysobeyb@sacredheart.edu](mailto:lysobeyb@sacredheart.edu).

# USING MACROMEDIA DIRECTOR FOR MULTIMEDIA DESIGN ON THE WWW

## *SIGCSE SPONSORED WORKSHOP*

*Dominick Pinto and Sandra Honda Adams  
Sacred Heart University*

The workshop will introduce the attendee to the basic components of Director 7.0 software including the use of stage, cast members, score, paint window, and scripting. The presenters will demonstrate a few completed "movies" and then lead the attendees through the complete development of a "movie." The workshop will feature a hands-on component to allow participation by the audience. The final movie will be "shocked" in order to facilitate the movie to be viewed on the WWW.
