Document Version:

Publisher's PDF, also known as Version of record

Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.

COPY BUT NOT PASTE
An exploration of crossborder
medical curriculum partnerships

Dominique Waterval
26 April 2018

1. Een crossborder curriculum partnerschap is een complexe vorm van internationalisering waarvan de lange termijn voordelen nog moeten worden onderzocht. (dit proefschrift)
2. In medische curriculum partnerschappen zijn sommige aanpassingen binnen de context van de host onvermijdelijk, andere wenselijk. (dit proefschrift)
3. Een crossborder curriculum partnerschap a priori afkeuren, omdat het niet past binnen de context van een host country gezondheidzorg systeem, getuigt van ethocentristisch denken. (dit proefschrift)
4. De internationale leeromgeving van een host instituut biedt een mogelijkheid om artsen internationaal relevante vaardigheden aan te leren die passen bij een wereldburgerschap. (dit proefschrift)
5. De daadwerkelijke overdracht van materiaal is vaak een ondoordacht en onderschat kernproces in een crossborder curriculum partnerschap. (dit proefschrift)
6. "Intelligence plus character-that is the goal of true education."—Martin Luther King Jr.
7. "Education: the path from cocky ignorance to miserable uncertainty."—Mark Twain
8. "It's all about appropriate communication geared to the context."—Valerie van den Eertwegh
9. "A Strava KOM a day, keeps the doctor away."—Dirk Posthouwer
10. "If A is a success in life, then A equals x plus y plus z. Work is x; y is play; and z is keeping your mouth shut."—Albert Einstein
11. "Hold your beliefs lightly. Certainty is not necessarily a friend of sanity, although it is often mistaken for it."—The School of Life
