## about jazz combo I

Over the past four years, the lineup in Jazz Combo I has stayed consistent allowing the group to develop its own unique sound. It is rare for students in an academic environment to have this opportunity to study and grow together as a cohesive group. During their time at KSU, Jazz Combo I has been the featured performer at countless events including three KSU Jazz Nights at Churchill Grounds, and students from the group have been featured at the Georgia Music Awards, and accompanied Trey Wright for concerts in Montepulciano, Italy, in the Summer of 2015.

In the past the group has focused each performance on a specific composer including Wayne Shorter, Bill Evans and Brian Blade. Tonight the group will present a concert of original works that they have been composing this semester.

# about the school of music

Welcome to the Bailey Performance Center. We are thrilled that you are here!

The School of Music at Kennesaw State University is an exciting place to live, work and learn. Housed in the College of the Arts, the School is infused with masterfully skilled and dedicated performing teachers who care deeply about their profession, our programs, our community, and every student involved in music and the arts. This Performance Center is the jewel in our crown! We are so excited about the musical and

artistic events that happen here, and we are excited that you are here with us to enjoy them! The School of Music is busy preparing our students to be productive artists. We want them to be accomplished and creative leaders of the arts world of tomorrow, professionals who are diversely trained and well-practiced. Diverse in their backgrounds, our students hail from many of the leading musical arts and honors organizations from across the southeast, and as a School of Music, we are dedicated to the purpose of furthering the arts and cultural offerings to our region and beyond.

Please take a look through our program book and notice those who advertise with us. They support us financially and help make this performance possible. I know that they will appreciate your patronage and support! Also, please note our *"Name a Seat Campaign"* listed within this program book. In preparation of our tenth anniversary, we have established a goal of naming 100 seats. Perhaps there is someone you would like to see honored in this way!

I look forward to a long and rewarding relationship with you. With your continued support of music and the arts, there is nothing that we cannot accomplish together!

Stephen W. Plate, DMA  
Director, KSU School of Music
