This Event is brought to you for free and open access by the Conferences, Workshops, and Lectures at DigitalCommons@Kennesaw State University. It has been accepted for inclusion in KSU Proceedings on Cybersecurity Education, Research and Practice by an authorized administrator of DigitalCommons@Kennesaw State University. For more information, please contact digitalcommons@kennesaw.edu.

Abstract

Why do we learn? Why do we study history? Why do we research the work of others? The answer is that there is value today in what was already learned and experienced, successes and failures. Mr. Dooley, a 25-year security professional and 20-year hospitality executive, will share his experiences and how our history in security will help us in thinking about our future.

Location

KSUC 300

Disciplines

Information Security | Management Information Systems | Technology and Innovation

Preparing for Tomorrow-by-Looking-at-Yesterday

Peter Dooley, Vice President of Information Security at InterContinental Hotels Group PLC

Why do we learn? Why do we study history? Why do we research the work of others? The answer is that there is value today in what was already learned and experienced, successes and failures. Mr. Dooley, a 25-year security professional and 20-year hospitality executive, will share his experiences and how our history in security will help us in thinking about our future.
