THE LASALLE STORY

LaSalle College, now in its 117th year of service to higher education and the Philadelphia community, was founded March 20, 1863 by the Brothers of the Christian Schools and derives its name from the founder of the Christian Brothers, St. John Baptist de LaSalle.

Today, almost 7,500 day and evening division students attend classes on LaSalle's 58 acre campus located at 20th and Olney Avenue adjacent to the historic East Germantown section of the city.

Olney Hall, a multi-purpose modern facility, contains 39 classrooms, 15 student seminars and study rooms, and 107 faculty offices as well as such special-purpose areas as a planetarium, an amphitheatre, language laboratories, and audio-visual rooms. It houses the liberal arts area departments of English, education, history, languages, political science, and sociology.

Hayman Hall, the college's \$4 million physical recreation center which opened in September, 1972, contains the Joseph Kirk Memorial Natatorium with separate swimming and diving facilities, an underwater observation deck, and seats for 1,700 spectators. Three regulation-size basketball courts, a one-twelfth mile indoor suspended track, and areas for fencing, wrestling, squash, handball, gymnastics, and general exercise are the other features of the complex.

Ten modern residence halls accommodate 1,000 out-of-town students. A \$2 million, three-story College Union Building includes a Little Theatre as well as dining halls, assembly rooms, ballroom, and other student facilities. An annex to this building has recently been added.

The \$2.5 million Holyrody Science Center

houses lecture rooms and laboratories for study and research in biology, chemistry, geology, physics, and psychology. The David Leo Lawrence Memorial Library contains 190,000 volumes, periodical files for some 700 journals, and a library annex in the former Wister gymnasium opened in January, 1974, increasing library space by 50 percent.

The Army ROTC program is available to freshmen, who may apply for ROTC scholarships for advance studies. Some 215 men and women are enrolled in the ROTC program.

LaSalle's day and evening divisions offer degree programs in Arts and Sciences and Business Administration. An MBA program began in September, 1976. Graduate programs are also offered in theology and education. LaSalle initiated Philadelphia's first Weekend College in September, 1975, enabling men and women to take courses exclusively on Saturdays and Sundays. LaSalle also offers Evening Division courses off-campus in Northeast Philadelphia and Center City. The 350 member faculty is composed of Christian Brothers, priests, and lay professors. The college has been coeducational in the evening division since February, 1967 and in its day school since September, 1970.

Students at LaSalle come from 21 states, most of them located in the northeastern part of the United States. Fourteen countries are represented in the student body. Over 75 percent of them plan graduate work and about 1,000 degrees are conferred annually on day and evening division seniors. LaSalle's alumni totals 21,000 with more than 80 percent of them still living in the tri-state areas of Pennsylvania, New Jersey, and Delaware.

ATHLETIC DIRECTOR

WILLIAM D. BRADSHAW

William D. Bradshaw, a 1969 graduate of LaSalle College, was named Director of Intercollegiate Athletics and Recreation in December of 1977.

Under Bradshaw's direction, the LaSalle athletic program has expanded to 22 intercollegiate sports and experienced renewed comprehensive success. Many of LaSalle's athletic teams have risen to national prominence during Bradshaw's four-year tenure, including the women's field hockey team, which last year won the AIAW Division II national championship, and the swimming team which captured the East Coast Conference Championship the last two years.

Bradshaw's efforts have also generated one of the most demanding basketball schedules in the East and the Explorers regularly travel more than any team in the region to meet the nation's top basketball teams.

Bradshaw has been an active member in both the East Coast Conference as well as the Philadelphia Big 5 and Eastern College Athletic Conference. This year the 34-year-old Bradshaw is chairman of the Big 5 Athletic Directors and is also Vice-President of the East Coast Conference. He is Games Committee Chairman for ECC basketball and Chairman for the Committee for ECC Basketball Promotions.

During his college athletic career, Bradshaw

was one of the finest baseball players ever to wear the Blue and Gold of LaSalle. A second baseman who captained the 1969 squad, he batted .415. Bradshaw played two seasons in the Washington Senators/Texas Rangers organization before a broken ankle prematurely ended his career.

Before returning to his alma mater as athletic director, Bradshaw earned a master's degree in guidance and counseling from Niagara University in 1972. He coached the Purple Eagle baseball team for three seasons, directing the team to a school record 29 wins in 1974.

Bradshaw resides in Wyndmoor, PA with his wife Elaine, and one-year-old daughter Lesley Ashton.

ASSOCIATE ATHLETIC DIRECTOR

JOSEPH F. O'DONNELL

Joseph F. O'Donnell was named associate athletic director in 1978. Originally appointed assistant athletic director in 1972, he continues to serve as coordinator of Hayman Hall, the college's \$4 million physical recreation center.

A 1965 graduate of LaSalle with a B.A. in economics, O'Donnell taught social studies at Father Judge, his high school alma mater, from 1965 to 1970. At Father Judge, O'Donnell coached the school's soccer squad and was credited with developing 28 All-Catholic players, four of whom received All-Scholastic honors, and one All-American status.

In 1970, O'Donnell served as a recreation leader for the city of Philadelphia at the Jardel Center. He was a member of the Department of Recreation Soccer Committee, and also as-

sisted Bill Wilkinson with the 1970 Explorer soccer team which posted the first winning season in the college's history.

O'Donnell and his wife, Marie, reside in Jenkintown, Pennsylvania.

HEAD COACH

DAVE "LEFTY" ERVIN

Dave "Lefty" Ervin begins his third year as head coach of the LaSalle College basketball team after leading the Explorers to winning seasons in each of his first two campaigns.

Ervin's career record stands at a fine 36-22, a record that includes several big upsets. In his first season, Ervin engineered a 62-60 win against Notre Dame, the first time LaSalle has beaten the Irish, and last season the Explorers surprised local rivals Villanova and St. Joseph's, both teams that reached the NCAA tournament.

The 36-year-old Ervin is the fifteenth head coach in the history of intercollegiate basketball at LaSalle. He was appointed head coach on August 30, 1979, succeeding Paul Westhead, now head coach of the Los Angeles Lakers of the National Basketball Association.

A 1968 graduate of LaSalle, Ervin served as an assistant coach at his alma mater under Tom Gola (1969-1970) and Westhead (1971-1977). During his tenure as an assistant, the Explorers posted a 146-93 record and reached the 20-win plateau three times, including the 1969 team which finished with a 23-1 record.

After the 1977 season, Ervin left LaSalle College and accepted the head coaching position at LaSalle High School, where he also taught psychology. In only two seasons, he directed a team which consisted of three starting sophomores to a playoff appearance in the highly competitive Philadelphia Catholic League.

Ervin was a fine two-sport athlete during his collegiate days at LaSalle. In his senior year he captained both the Explorer basketball and baseball teams. He set a school record for most appearances by a pitcher with 12, a record that still stands. Ervin concluded his basketball career at LaSalle with 756 points, including a career high 31 points against Syracuse in his sophomore year. He was honored in his senior year with the Joseph Schmitz Jr. Award as the senior who best exemplifies the high traditions of LaSalle College in loyalty, sportsmanship and courage.

Ervin, who is a prominent lecturer at dozens of basketball camps during the off-season, resides in King of Prussia, PA with his wife Dee, son Matt and daughter Erica.

ASSISTANT COACHES

MARCEL ARRIBI

Marcel Arribi begins his second season with the LaSalle basketball program.

The 29-year-old Arribi is a 1974 graduate of Gannon University where he was a three-year performer for the Golden Knights basketball squad. An excellent passer and playmaker, Arribi finished his Gannon career as the school's second leading assist man.

A native of Cliffside Park, NJ, Arribi earned his bachelor's degree in social studies at Gannon and his master's degree in educational psychology from Edinboro State College in 1977.

Before accepting the position at LaSalle, Arribi was an assistant coach at Gannon.

Marcel and his wife Jeanie Holt-Arribi, reside in North Hills, PA.

JOE MIHALICH

Joe Mihalich, a 1978 graduate of LaSalle and co-captain of the Explorer basketball team his senior year, is the newest addition to the LaSalle coaching staff.

Mihalich had been assistant basketball coach at DeMatha High School, a perennial power in the Washington, DC area since his graduation from LaSalle. As head coach of DeMatha's JV team, Mihalich posted a 39-5 record in his three years. Last season, subbing for head coach Morgan Wootten who was ill, Mihalich directed DeMatha's varsity squad to the DC City Title Championship against unbeaten and second ranked Dunbar High before 15,000 fans in Maryland's Cole Field House.

Joe and his wife Mary reside in Philadelphia.

SAM RINES

Sam Rines starts his second season as a part-time assistant to "Lefty" Ervin and the LaSalle basketball program.

Rines had been assistant basketball coach at Abington High for seven years before coming to LaSalle. He has also served as director and supervisor of the Abington Township Recreational Basketball Program since 1975.

A 1968 graduate of Cheyney State College, the 37-year-old Rines earned his master's degree from Beaver College in 1976.

Sam and his wife Fannie Elizabeth reside in North Hills, PA with their three children, Donna, Charlezetta and Samuel, III.

Says the thrills of his career were beating Notre Dame his freshman year and knocking off Villanova in three overtimes last season . . . Played his high school ball at Cardinal O'Hara High, averaging 16.4 points and 9.8 rebounds to earn All-Catholic honors.

WHY LASALLE?

"I had a lot of family ties here. My dad went here and family friends also went to LaSalle. Growing up, I always watched them play and wanted to play at LaSalle."

LEFTY'S LINE

"Dave has a nice touch from the outside and with his fine physical frame, he moves people inside very well. Going into his junior year, we're going to need his experience and leadership."

BIG FIVE HISTORY

The Philadelphia Big 5, a unique affiliation in college basketball, completed its 25th and most successful season a year ago. All five teams, LaSalle, Temple, Villanova, Pennsylvania and St. Joseph's finished in a deadlock for the city championship, a first for the Big 5. Record crowds also filled the Palestra, the home of Big 5 basketball, to see the nation's top collegiate basketball teams such as De Paul, Notre Dame, Georgetown and Syracuse challenge Big 5 schools.

Groundwork for the formation of the Big 5 began in 1953, and the idea became a reality when the group was officially announced at a press conference on November 23, 1953. On December 3, 1955, LaSalle hosted Muhlenburg and Rhode Island visited St. Joseph's in the inaugural games for the Big 5.

More than three million people have seen the games at the Palestra during the first 25 years and millions are regular viewers on local television. Over 140 different opponents have been met over the years and it is a certainty that the Big 5 has advanced the cause of college basketball in Philadelphia more than any single team could do on its own.

1981-82 OUTLOOK

Third-year coach Dave "Lefty" Ervin has several difficult tasks ahead of him in the 1981-82 season. As the coach himself says, "Replacing four starters is task number one." The second task then is preparing a young team for a schedule in December that looks more like an NBA roadtrip than a college schedule.

The four starters gone are guards Kevin Lynam and Greg Webster and forwards Stanley Williams and Don Word. The only returning starter is center Tom Piotrowski. Ervin, however, feels confident he can overcome the problems lurking before his team. "With the growth of the returning players and some excellent new faces, I think we will be playing well as the season progresses," says Ervin.

Of those returning players mentioned by Ervin, the coach is hoping to see continued improvement from 7'1" Piotrowski. The junior center averaged 7.6 points per game last season and the coach is hopeful that Piotrowski can take on more of the scoring load this year.

Another top returner on the forward line is sophomore Brent Hagwood. At 6'8", Hagwood showed flashes of brilliance in his freshman season and his strong effort to the Explorers is very much needed. Along with Hagwood on the front line is freshman Albert Butts, another strong scorer and rebounder at 6'8". Butts played last year at Frederick Military Academy and is definitely one of the excellent new faces which Ervin mentions.

At the small forward position, Ervin has several "greyhounds" who can run and jump with the best. Sophomore Phil Burton had a fine season a year ago contributing to several key wins, most notably, the triple overtime win against Villanova. The smooth Burton had an outstanding summer and bigger and better things appear to be in his future. With Burton at the forward slot is sophomore Calton Clark, another outstanding leaper. Clark starts his first season with LaSalle after transferring from St. Petersburg Junior College, and his fine passing and leaping ability will obviously help the Explorer cause.

Also on the front line is junior Dave Kerins who has two years seasoning and appears ready to make his contribution. The 6'6" Kerins is a very physical player who is a strong rebounder and defender. Freshman Ralph Lewis

is another forward with fine physical tools who should help the Explorers.

With that strong group of big men on the Explorer roster, Ervin is safe when he says, "Our obvious strength should be our ability to play above the rim."

With the graduation of last year's backcourt, several players are in the hunt for guard jobs. Paul Harter, the only senior on the roster, is an outstanding shooter who can score with a textbook jumper. As the senior citizen on the Explorers, Harter's leadership and experience will be as valuable as his jumper. Also looking for additional playing time are juniors Dave Davis and Ralph Gilmore. Davis is another fine outside shooter who causes problems for opposing defenses with his 6'4" size in the backcourt. Gilmore has been grooming for the point guard position for two years and is a leading candidate to be the quarterback of this year's team. Steve Namiotka, a walk-on a year ago, will also be fighting for playing time.

Two of the other "excellent new faces" referred to by Ervin are guards Steve Black and Pete Tiano. Black is an outstanding talent and should contribute big things immediately. Tiano, a well balanced performer, can help LaSalle at either the point guard or off guard slot.

With a large cast of characters working hard to make Ervin's first task easier, task number two then, the schedule, is something which time will only judge. The Explorers open the season against ACC power Duke in Durham, NC. After returning north for Delaware, Bucknell and West Chester, Ervin must take his team on the road for three tournaments in three different time zones. First LaSalle visits Provo, UT for the Cougar Classic and then travels to San Francisco for the Golden Gate. The team makes a stop in Santa Clara before returning east for the Connecticut Mutual Classic to close the month of December.

If the Explorers think they are out of the woods after the first month of the season, all they have to do is look at the January schedule which has Notre Dame visiting the Palestra for the first game of the new year.

As Ervin says, "The early schedule is not a hurdle. It's a mountain."
