## FOREWORD

To the FRESHMAN CLASS OF 1942:

If in previous wars, each person was obliged to assume such responsibilities as best fitted him in the service of his country, in modern "Total" war this duty is a thousand times more manifest.

You who have elected to attend college at a time of national "testing" have assumed a much greater responsibility than the ordinary peacetime college student. His responsibility was mostly one of personal preparation for a future state of life. Yours is a vital national role.

Your duties will be outlined to you just as much as those of the army regular in Africa or Asia. Your preparation is vastly more important than that of the new army private. His mission is one of mastering a particular skill so that he may be most useful to an efficient fighting machine. Your training is one calculated to help you develop those essential leadership traits required to help run that machine.

Going to college in such times as these will undoubtedly subject you to a great many temptations. Repeatedly you will be tempted to throw away your books.

Some of your closest friends will perish on far-distant battlefields while you just "go to school." The call to arms will ring loudly in your ears!

At other times you will see ill-trained men and women earning great salaries, more than you, a college-trained man, can ever hope to receive, and again you will be tempted to forsake your higher education.

However, you have made your decision. College it shall be! Now stick to it and put everything you have into it.

Your college life will present diverse activities. Studies, of course, head the list. In four years or less you will have graduated and your potential employers will ask "What were his marks?" "Was he a good student?" Every bit of knowledge gained now will be indispensable in the future.

On the other hand, do not make the mistake of neglecting all other activities for studies.

Every man owes it to himself and to his country to be physically fit. Various opportunities such as morning hikes, gym classes and intra-mural sports will be presented. Avail yourselves of these

occasions and do not be afraid to suggest others.

If you are to develop real leadership ability, social events furnish the means. Throughout the year you will find clubs inviting new members, various class dances, athletic contests and a host of other activities. Participation as members and as officers will prove to be not only a distinct pleasure, but also a source of real profit. It is in such activities that you will learn how to get along with people.

College as it has been described, seems to be a full-time job. It is. If you must work or participate in outside activities your college education will suffer. Of course, sometimes these things must be done. That is understandable.

But no matter whether you must work and thus sacrifice some aspects of your college life or whether you can spend all of your time around school, you are due for a very pleasant four years, four years that will fly as a single second and remain in your memory an eternity.

The best of luck to you all.

Members of this group supervise and advise the classes taken as a whole in all of their activities such as election of officers, dances, Junior Week, Senior Week, etc. They advise as to the time, place and purpose of the meetings as well as to the method of procedure. Counselors meet at the times stated in

the calendar of the "Agenda" and at other times when necessary. At class meetings they may give advice or information when they think it necessary or when requested.

The students should feel that the Counselors are there to assist them in every possible way and not to be a check or hindrance. This method has always been very effective at La Salle and we know that it will continue to function well.

### CULTURAL ACTIVITIES

turers and entertainers as well as for the weekly Student Assembly.

If representatives of any Student Activities wish to make announcements at the weekly assemblies a request, in writing, should be presented to the Secretary of this committee. This request, with reasons therefore, should be made on the day before the meeting at the latest.

This committee meets during the registration period at the beginning of the scholastic year and also after each term examination to determine the scholastic ratings of the students. Each student who is delinquent in his studies appears before it at a specified time and is informed as to what he must do to recover his good standing or he may be asked to withdraw. Such students must follow the directions given them by the committee.

## STUDENT ADVISERS

Student Advisers have been selected because of their practical knowledge of the moral as well as the scholastic difficulties met with by College men. They consider it their duty and pleasure to give individual advice to any and every student who requires or needs it. ## ACCELERATED PROGRAM

La Salle College was one of the first educational institutions in the country to adopt this method by which a student may receive enough credits to merit a Bachelor of Arts or a Bachelor of Science degree in three years or even a little less. This does not lower the high standard of the College in any sense. The student will have to cover the same subjects as are required for the full four year course. He can do this by attending Summer School conducted by the College. Being a fully accredited college the program has the sanction of the Army and Navy, including the Marines and Coast Guard. Under the conditions laid down by these branches of the service those students who are accepted by them may be able to complete their college work or the part specified, before they will be called for active service unless there is a great necessity. These students will not be subject to the Selective Service Act directly.

## PHYSICAL TRAINING

Physical training is required by all Military and Naval Services if the students are to receive recognition from them as candidates for the Cadet Officer Classes. This training is obligatory upon all La Salle students unless they are exempted by competent medical examiners. The course is outlined in the Catalogue.

## HEALTH CERTIFICATE

Each candidate for admission to the College must present a health certificate signed by a physician and attesting to the physical, nervous and mental ability of the applicant to carry college work.

## SCHOLASTIC REGULATIONS

The principal scholastic regulations are included in the La Salle College Catalogue.

Notices placed on the bulletin boards or elsewhere, and which refer to the Catalogue will have the Catalogue number preceded by the letter "C," for instance, "C 16." For those which refer to the "Agenda," the number will be preceded by the letter "A," as "A 16."

## REGISTRATION AND ROSTER

1. *Freshmen.* Freshmen are required to be on the campus three days before the upper classmen report. This time is called "Freshman Week." The new student consults with an Adviser or with the Dean or Registrar regarding his curriculum. He takes the necessary tests, learns about the extra-curricula organizations of the College from their respective representatives, and in general becomes acquainted with the College, the Faculty members, and the other members of his class.

2, Every student must deposit a copy of his registration card with the Dean, the Registrar and the Bursar.

3. Copies of the approved roster of each student must be presented to the Dean and the Registrar on or before the date specified in the calendar. A student should be ready to produce his roster card upon the request of the Dean or of the professors.

## EXAMINATIONS, GRADES, CREDITS

4. Absence from term examinations, as well as from the mid-term tests, is recorded. Only for very serious

reasons may any examination be taken outside of the regular schedule and then only with the permission of the Dean. It will be recorded as "Delayed Examination."

5. The Delayed Examination must be taken before the beginning of the next term. A charge of one dollar is made for each Delayed Examination.

6. The term grade of a student in any subject consists of two parts. First, the class work of the student for the whole term counting not less than 40% nor more than 70% of the total; second, the term examination covering all the work of the term supplying the remainder of the 100%.

7. If a student wishes to change his Course he must secure the permission of the Dean within one week of the beginning of the term. He must follow the subjects required in the new Course and which he has omitted. If he wishes to drop or change a subject he must receive permission of the Dean within two weeks of the beginning of the term otherwise it will be recorded on his record as a Failure (F).

8. Examinations will begin at the scheduled time. No student will be ad-

mitted to the examination hall after another student has left it. No time allowance will be made for lateness and the student must hand in his paper at the appointed time. If he wishes to take an examination he must obtain a special permission from the Dean and it will be counted as a "Delayed Examination." If there is a conflict in the schedule it may be adjusted by the Dean, the Registrar, or the teachers concerned.

9. No student will be allowed to carry a text book, note book, papers of any kind into the examination room. In some cases table books, such as logarithms, may be used but only with the written consent of the teacher of the subject. This permission must be presented to the Proctor in charge who will examine the book before the student will be allowed to retain it. "Cribbing" or copying is absolutely forbidden and will be heavily penalized.

10. A student's grade for a full year subject will be based upon the work of the two terms. An exception is made in the case of a student who has an "F" in the work in a subject for the first term. In this case, if a student has not performed much better work during the first half of the second term

he will be dropped from the subject and the mark "F" will be placed on his record. If a student's average mark is "F" for a full year subject, that subject will have to be repeated.

11. If at the end of any scholastic year, a student has grades of less than "D" in one-half of the credit hours of that year, he shall be asked to withdraw.

12. Credits from correspondence or extension courses are not recognized by the College.

13. No one but the teacher of a subject can give or change a grade in that subject.

14. Any question as to the correctness of a grade or credit must be raised before the end of the following term.

15. The official reports of examinations are issued by the Registrar's office at the end of each term.

16. It is well for the student to keep carefully the term reports sent to him. From these he may at any time take his scholastic record to date. The offices do not give out grades to students between reports except at the special request of the parents or guardians.

17. Applicant for a degree from La Salle College must perform all the work of the Senior Year at the College.

18. Students who enjoy scholastic scholarships must maintain at least a "B" average throughout their course. If the average falls below the minimum, the holder of the scholarship may be penalized by the permanent or temporary loss of his privilege. Students who are receiving other forms of assistance must maintain good standing throughout their course or withdraw from the College.

19. An "Incomplete" or "No Standing" is graded FAILURE, "F," unless the subject has been completed before the next term begins.

20. No subject may be taken unless its "Prerequisite" has been satisfied.

## ATTENDANCE

25. Students reporting to classes more than ten minutes late shall be registered as absent and be given a "cut." Less than ten minutes late will be counted as a "half-cut." The teacher shall decide as to whether or not the student has a reasonable and legitimate excuse and may act accordingly.

26. The student must present, in writing, his reasons for absence to the Dean or his representative within

twenty-four hours after his return to classes otherwise they shall not be considered. The Dean shall decide as to whether or not they are acceptable and shall so notify the teacher and the student. Excuses given over the telephone will not be accepted.

27. Even though a student may have a legitimate reason for absence it will not be accepted if, in the opinion of the Dean and Faculty, he has impaired the efficiency of his work.

28 Professors have the right, and should use it, to require the recitations of omitted assignments.

29. A class is to be considered dismissed if the instructor does not report to duty within ten minutes from the beginning of the scheduled period unless it receives other instruction from the Dean's office.

30 If a student has reached the number of "cuts" or absences allowed per term he will not receive permission from the Dean to accompany the teams or engage in other activities detrimental to his attendance at classes. His absence from classes will add to his demerits.

## MISCELLANEOUS

35. Degrees are conferred by the College only at the public commencement. All candidates for degrees must be present at the Commencement.

36. To be eligible for any class office, including chairmanships of committees, a student must have clear academic and disciplinary records.

37. Students are held responsible for information and notices posted on the bulletin boards within twenty-four hours after posting. Anyone who neglects a summons to the executive offices of the College will be suspended from all classes as long as necessary.

38. Smoking is forbidden in all parts of the College except in those places designated.

39. The dress, posture, actions, language, and tone of voice of a cultured college man is expected at all times.

Every student is expected to wear collar, tie and coat in class, Auditorium and elsewhere in the College buildings. Students should refrain from loud noises in the Quadrangle, classrooms and corridors of the College buildings as they would cause annoyance to classes in session.

40. In case of injury to any building, or to furniture, apparatus, or other property of the College, the damage will be charged to the student or students known to be immediately concerned.

41. Insignia of any kind which gives an impression that it refers to La Salle College or any of its subordinate functions or activities must have the sanction of the Dean. The wearing of unauthorized insignia in the College or premises or any affair connected in any way with the College is strictly forbidden and may be penalized by temporary exclusion from classes.

42. No solicitation or acceptance of advertising material may be made by any student of the College for use in any publications, programs or announcements connected with the College in any way unless both the purpose of the advertising and the names of the prospective advertisers are approved by the Class Counselors, Moderators or Dean.

43. Students are forbidden to engage in merchandising of any kind on the premises of the College.

## DEAN'S HONOR LIST

After the completion of each set of term examinations, those students who receive ratings of not less than "B" in every subject required by his course will be placed upon the Dean's Honor List and will be designated as an Honor Student. He must have complied, also, with the disciplinary regulations of the College. He is entitled to wear the special insignia until the time of the next term examinations. Honor students are exempted from the regulations which refer to attendance in all subjects except Ethics. - This privilege will be revoked if the credit of the student falls below "D" in any subject in the mid-term tests.

## HONORS AT GRADUATION

A candidate for a Bachelor's degree who has an average of 3.8 in all courses for which he has registered at La Salle College will be designated as "MAXIMA CUM LAUDE." "MAGNA CUM LAUDE," for those who received a 3.5 average. "CUM LAUDE" for those who have 3.2 average credits. These honors are reserved for those students who have no conditions or failures on their college records.

## SENIOR ORAL EXAMINATIONS

Senior students who have a scholastic index of less than 2.5 as an average for their first seven terms will be required to take an oral examination in their major subject, besides their final written examinations. Three examiners for each subject will be selected by the Committee on Degrees.

## COMPREHENSIVE EXAMINATIONS

For the duration of the National Emergency the Senior Thesis will be substituted by a Comprehensive Examination which must be passed successfully by the candidate for a degree. This examination will be based upon the candidates' major subject and two minor subjects. The candidate will be required to take the general senior examinations with the exception of the one in his major.

## MAJORS AND MINORS

The various courses of instruction are divided into four groups as follows:

### *Group I*

English  
Ethics  
French  
German  
Greek  
Spanish  
Journalism  
Latin  
Philosophy

### *Group II*

Economics  
Education  
History  
Political Science  
Sociology

### *Group III*

Accounting  
Business Law  
Finance  
Insurance

### *Group IV*

Biology  
Chemistry  
Mathematics  
Physics

Every student who intends to ask for a degree in regular courses is required to complete a major in one department. One of his special minors must be taken from the same group as his major and the other special minor from a separate group.

The major sequence requires the completion of one department of study with a minimum of twenty-four credit hours.

A minimum of twelve credit hours must be earned in any one subject before it will be considered as a minor. The total number of credit hours for the two minors and the major must be a minimum of forty-two.

The major must be selected and recorded before the end of the sophomore year, and therefore no change of a major will be permitted without the consent of the Dean and of the student's major Adviser. Even in this case the number of credit hours, originally planned, must be completed.

## SCHOLARSHIP INDEX SYSTEM

This system has been adopted by the majority of the colleges as a practicable method of grading the students.

A is valued at 4 marks

B is valued at 3 marks

C is valued at 2 marks

D is valued at 1 mark

Multiply the numerical value of each grade by the number of hours per week for each given subject. Divide the gross total of marks by the number of hours per week to find the average.

## EXAMPLE

Grades	Subject	Value	Hours	Marks
B	Ethics 101	3	2	6
C	English 101	2	2	4
C	History 123	2	2	4
C	Mathematics 101	2	3	6
F	Biology 117	0	3	0

## CLASS OFFICERS

The class officers shall consist of a President, Vice-President, Secretary and Treasurer. An Executive Committee will be elected by the class and among other duties it shall plan the business to be transacted at the meeting. Any member of the class who has a failure in his studies may not serve as a class officer, member of the Executive Committee, or Chairman of any committee representing the class or the student body as a whole. This rule applies also to clubs and societies. If any of the above officials acquires a failure, he loses his office automatically and another student, in good standing, may be elected to fill out the unexpired term.

All elections and meetings must have the consent of and be supervised by the Class Counselors. The Minutes of the meetings must be available to the President and Dean of the College upon their request. Elections, appointments, as well as general or particular business of class or general student bodies, may be nullified by the President or Dean of the

College when they consider it necessary for the common good.

Class officers for the scholastic year will be elected on the dates specified in the Calendar. The Freshman Class may elect trial officers during the Fall term but their term of office will last only for the time specified by the Class. The final election for the Freshman year will be held at the end of the Fall term. The Senior Class representatives for the Alumni group will be elected during Senior week and will retain their positions until the next regular meeting of the Class. Nominations for officers of all classes should be in the hands of the Counselors and Nominating Committee at least two weeks before the elections.

The method employed in the elections shall be similar to that used in civic elections. In general, this shall mean a written ballot to be cast at a central polling place.

To insure the integrity of the vote, each ballot shall bear a number which shall tally with the number before each student voter's name as it appears on the official voting list secured by the Counselors from the office of the Dean within the week before the date of the elections.

That the election be considered valid, two-thirds of the total possible vote must be polled for any office in question.

A committee of three, appointed by the Class President, shall comprise the official Board to count the ballots and to announce the election returns. This Board shall be under the direct supervision of the Counselors.

## THE BLUE AND THE GOLD

*Music by* WALTER F. PHILIPP, '27

*Words by* BROTHER E. FELIX, F.S.C.

Fling out the Blue and the Gold

And wave it wild and free

While La Salle is marching

On to victory.

Rah! Rah! Rah!

Sing out your cheers loud and bold

And join the jubilee.

Fight! Fight! Explorers for victory!

## "MEN OF LA SALLE"

Men of La Salle we are marching  
With our colors of Blue and Gold  
Meeting our foemen with valor  
For we'll fight for the glory of old.  
So let's to the battle with courage  
For our goal is now in sight;  
And we'll hope, fight, and cheer  
With all our might so strong  
Till nobly we have fought and won the  
fight.

### CHORUS

Fight on to victory!  
Onward our watch word be.  
We're out to win this game with all its  
honor.  
For you La Salle we'll always fight and  
conquer.  
Fight on to victory!  
Let all your courage see.  
And homeward we'll cheer thee  
As sons of La Salle  
So fight on to victory.
