## Reminder

On March 21 Mr. Joseph Merlino will lead a workshop on constructivist approaches to teaching and learning. Joe is a co-director of the Interactive Math Project. He will demonstrate a problem-based approach to teaching mathematics, and then will lead a discussion about the approach and how it differs from traditional instruction.

Joe's particular workshop, given its content, is especially appropriate for math and science faculty. However, constructivist techniques can be used in all disciplines, so arts, business, and nursing faculty will most certainly find the information about the process useful.

This workshop will actively engage participants in a non-threatening way. It will be held on **Tuesday, March 21 from 12:30 PM to 1:20 PM in Holroyd, room 4.** The workshop is being co-sponsored by the IAMST.

TO: The La Salle University Community

Dear Colleague:

We are experiencing an alarming number of automobiles being stolen and/ or burglarized from our surrounding off-campus area. From February 9, 1995 to March 14, 1995, we have encountered approximately 12 such violations.

The primary targeted areas center around Olney Avenue, between 18th Street to Hayman Hall, and the 5500 block North 20th Street.

It is strongly suggested that the secure, manned parking lots at Hayman, South Campus, and Good Shepherd be utilized. Shuttle service and/or escorts are available from these locations.

Another area of concern is that a black male has passed counterfeit American Express Cheques at the La Salle Store. This has also occurred at Temple University. The American Express Traveler's Cheque is \$50.00 or \$100.00 denomination and the series is RF366655817. Please be on the lookout for this individual or cheques.

Student Health Service

Dear Department Heads:

On **Tuesday, March 28, 1995**, the Health Services Advisory Committee is sponsoring the **Third Annual Health and Wellness Fair** in the **Union Ballroom** from **11:00 a.m. - 3:00 p.m.**

This year's fair promises to be bigger and better than ever! Students and employees will have the opportunities to have their cholesterol, glucose and hearing tested. They will also have the chance to learn about many other health issues, such as, testicular cancer, heart disease, AIDS, self defense and many others. All this absolutely free and also the chance to win one of many wonderful door prizes!!

We continue to look for prizes to improve our raffle. If any department has goods, services or just plain cash to donate to this raffle we would be delighted to accept.

Please encourage **ALL** your employees to take advantage of this wonderful opportunity. Any questions or contributions, please call me at x1565. Thank you in advance for your support.

Sincerely,

Laura K. McKenna, MSN, CRNP

RE: Charter Week Activities (March 19-24, 1995)

Most of us have seen the full page ad that the Collegian donated for the Charter Week events, but I am writing to give you specific details on how you might become involved.

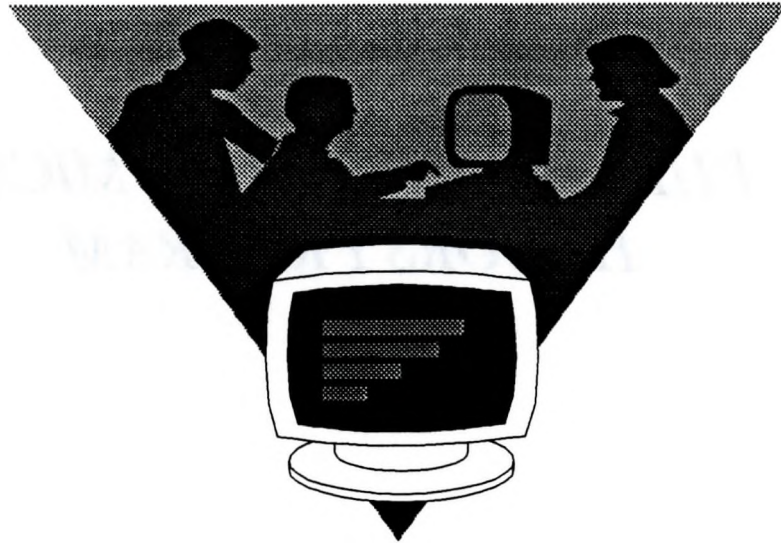

1. **Banner Contest** - Any campus group (formal or informal), office or department is invited to create a banner and submit it to Administration Center 307 by 4:30 PM on Monday, March 20, 1995. Banners will be judged on Tuesday, March 21 and the winning banners will be announced on Friday, March 24 at the final event of the week. Banners will be available Wednesday morning (after the judging) if groups wish to hang them from the Union balcony. We are also encouraging groups to retrieve their banners and walk with them in the banner parade during the afternoon of Friday, March 24. Prizes for banners will be \$50 and \$25. Creativity, style, use of color and correlation with the theme will be the criteria for judging. The theme for the week and the banners is "Giving Back the Gift."

2. **Time Capsule** - Any campus group, office, department, etc. is invited to provide an item to be placed in the time capsule. The concept is to provide items that respond to the question, "Ten years from now, what do you want people to know about our community and our La Salle?" Groups planning to participate must contact extension 1374 by 12 noon on Friday, March 24, 1995 to inform us of who will present the item for your group. (This will assist us with the afternoon's logistics.)

3. If you don't feel like you can create a banner or contribute to the time capsule, there are still ways to become involved! On Friday, March 24th we are asking everyone to consider wearing "**La Salle**" clothing whether it shows affiliation with a particular campus group, says "La Salle University" or is simply blue and gold! Additionally, we are hoping that those persons who are unable to make and march with banners will **join the Banner Parade as it passes** the various buildings on campus.

I look forward to seeing you at the many Charter Week events!

(Please note: There was an error on the original posters. Sunday morning mass will be held at 11 a.m. rather than 12:30 p.m.)
