LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

April 8, 2002

April 12th, 2002

To: The La Salle University Community

From: Ray Ricci, Vice President, Enrollment Services

The Lasallian Distinguished Educator Award is given annually to honor the exceptional men and women who have put St. La Salle's vision of committing oneself to the real needs of students into practice. Each year, Lasallian schools across the nation are invited to name honorees and in this way preserve the memory of the Founder and work of The Institute.

To ensure that the custom of giving this recognition continues, the President has formed a committee that is responsible for recommending future award winners to him. Consequently, on behalf of the Lasallian Distinguished Educator Award Review Committee I am inviting the campus community to submit nominations for the next award. I ask that you provide the Committee with the name of those whom you feel meet the qualifications for this award as described on the reverse side of this letter. A statement describing why you feel your nominee deserves to be considered should accompany a nomination.

Brother John Johnston, the Director of Education, has asked that special consideration this year be given to those who have made contributions in the fine and performing arts. However, all faculty, staff and administrators are eligible for consideration. For your information, Brother Gerard Molyneaux, Anna Allen and Brother Emery Mollenhauer are past award recipients and thus are not eligible for consideration this year.

I ask that you submit your nominations to me by May 1st either via campus mail (box 838) or via email. Should you have any questions regarding this award, please feel free to contact me or any member of the nomination committee.

Committee Members:

Janice Beitz, Associate Professor, Nursing
Marianne Gauss, Assistant Professor, Management
Brother Gerard Molyneaux, Professor, Communication
Dr. Richard Nigro, Provost
Raymond Ricci, Vice President, Enrollment Services

***Campus News* is distributed weekly to foster communication and encourage information sharing among University departments. The Lasallian Distinguished Educator Award

The Lasallian Distinguished Educator Award is given annually to honor the life, the educational vision, and the practices of St. John Baptist De La Salle, the namesake of the university, the founder of the Christian Brothers, and the patron saint of all teachers.

The award is given to those who exhibit in their daily lives an understanding of and a commitment to Lasallian priorities and traditions: the paramount importance of teaching in a values framework, of working in association with others to build genuine community, of putting the needs of students first, of demonstrating a true sensitivity and respect for the uniqueness of the individual student. This award recognizes those who have opened their hearts and minds to these ideals and devoted themselves to this work.

Award winners build others up and encourage the heart. By doing so, they help colleagues and students experience the university's heritage and its unique Lasallian identity. They teach by example. To paraphrase the words of St. La Salle, they "put into practice what we want our students to believe."¹ As a result, they impart to all in the La Salle community the values that have animated and sustained the university. In this way, they help the university transform students and, thereby, influence the kind of people they will become.

Because the university believes that **all** members of its community contribute to an environment in which we "touch the hearts of students,"² the Lasallian Distinguished Educator Award is open to faculty, staff and administrators.

Meeting Minutes
February 27, 2002

Present: J. Cicala (chair), T. Abrahamian, M. Gordon, S. Shaver, J. Talaga.

Because quorum was not achieved, no formal business was conducted. Informal discussion centered on two proposals under consideration by the Division of Student Affairs, one concerning revisions to our disciplinary hearing procedures and the other concerning procedures for evaluation and withdrawal of students in psychological or medical distress. Both proposals will be formally discussed at our next meeting.

Ms. Shaver also sought and received advice and counsel from those in attendance regarding a proposal likely to be advanced next year by the Commuter And Off-campus Students (CAOS) Association to the Activities Funding Board for a funding strategy similar to that employed by the residential area governments.

Health Advisory Committee Meeting

March 27, 2002

Present: Dina Oleksiak (co-chair), Michael Imperato, Sr. Eileen McGowan, Nick Angerosa, Bonni Zetick, Scott Tajirian, Janice Beitz, Chris Mickels

Absent: Lane Neubauer, Mary Ellen Wydan, Leah Wheeler, Alexis Karras, Danielle Landwher.

I. Health Fair

- A. Dina Oleksiak thanked the committee for all their hard work and support in helping to make the fair a huge success. A special thank you to Lane Neubauer and Alexis Karras who were the chairs of this year's Fair.
- B. Bonni Zetick summarized the Health Fair evaluations that were overwhelmingly positive. It was approximated that about 450 students, faculty and staff were in attendance. Suggestions for next year would be to get the faculty involved in announcing the fair to the students and to have definite cut-off times for the vendors at the end of the day.

II. Meningococcal Meningitis Vaccine Approved

- A. This vaccine will become mandatory for all incoming students in the next academic school year.

III. Basketball Marathon

- A. HAC placed an ad in the SGA Ad book; contributions should go to Lane Neubauer.

IV. Olney Hall Air Quality

- A. Dina Oleksiak spoke to Mike Lopacki, Director of Physical Facilities, who felt that air quality testing was not necessary but will check the standards for this and keep the issue alive.

V. Smoking Survey

- A. Scott Tajirian reported the favorable results from the 510 smoking surveys. The results overwhelmingly state that LaSalle students, faculty and staff support making the public dining areas smoke free. The HAC recommends that all public inside dining areas be smoke free with designated outside smoking areas that are away from the main entrances of the dining establishments.
- B. SGA also recommends smoke free dining areas with a designated smoking area in Backstage and behind B&G Dining Commons. We are awaiting a response from RSA.

Next HAC meeting will be on Wednesday April 24th at 3PM in the Counseling Center. Mike Lopacki will be the invited guest as we discuss ADA issues. Committee members are asked to bring any ADA campus issues to this meeting.

Respectfully submitted by:

Dina M. Oleksiak, MSN, CRNP, Co-Chair

You can experience that winning feeling, but only if you purchase a raffle ticket(s) by April 19.
