Dear Edna,

Congratulations on being chosen as a Standing Committee Member on my behalf in Florida. I am very honored to have your support at the Democratic National Convention this summer in Los Angeles.

After a successful primary season, our campaign is continuing to work hard in preparation for the convention and the general election. The Democratic Party and the nation are undoubtedly in great shape. We Democrats will continue to have vigorous debates concerning the issues that matter most to America's working families—how to expand our economic prosperity, improve and expand our schools, implement sound and responsible campaign finance reform, and with your help and support, reach the ultimate goal of universal health care. As the election grows nearer and the campaign grows stronger, we stand ready to prove to the nation that we are the party that will fight for America's working families.

I am excited about this campaign, which will give voters a real choice. I am counting on your leadership and organizational skills to help me fight for America's working families and to help the Democratic Party convey its message to the American people. If you have any questions, please contact Scott Sebastian, a member of the Gore 2000 Delegate Team, at 615-340-3167. I also encourage you to visit [www.algore2000.com](http://www.algore2000.com) and sign up to receive campaign updates. I want you to know how much I appreciate your commitment to my candidacy and the effort you are making to elect me as the next president of the United States. Together we will win this campaign and make a positive difference for America.

Sincerely,

A handwritten signature in blue ink, appearing to read "Al Gore".
