Dear Sis:

Received your V-mail letter of Mar. 3rd, yesterday. Was ~~glad~~ glad to hear that you finally had received one of my letters. I was quite worried when I read in your last letter that you hadn't received any mail for quite some time. It probably was held up for a good reason because I know that our mail travels quicker than that.

About myself, I am still feeling fine and keeping my fingers crossed so that I won't get any more of those pesky boils. Each and every day I try to learn more and more so that not only I but also those who come in contact with might benefit from my knowledge. I think that in the past three months I have learned more than I did in the nine previous months. I only hope that some day my chance will come

and I may be able to put what knowledge
I have acquired to a good use.

How are the children getting along? Hope
that the new pictures of Dennis George
arrive soon. I have just about worn the
others out from looking at them. I bet
now that Diane is playing in looks
mighty good. Hope that I am home in
time to see the first snow next fall.

I had to hear that Eddie is alright
and most of all I am really relieved to
know that he is exempt. That had me
worried for quite a while. How about
Mimi, Mom, you and the children buying
a picture made of the fire of you. I had
to hear that Mom is saving her money,
but as I said once before its all for her
I dont expect her to save it for me.

Thats all for now so until later
so long and my love to the fire of you
As Eger
