## DIAGNOSIS, PROGRESSION AND INTERVENTION IN SjÖGREN 'S SYNDROME

The research described in this thesis was performed at:

- the Department of Oral and Maxillofacial Surgery, University Medical Center Groningen
- the Department of Rheumatology and Clinical Immunology, University Medical Center Groningen

In collaboration with:

- the Department of Ophthalmology, University Medical Center Groningen
- the Department of Pathology and Laboratory Medicine, University Medical Center Groningen
- the Department of Hematology, University Medical Center Groningen

This research was financially supported by:

- the Dutch Research Foundation (ZON-MW)
- JK de Cock-foundation
- BOOA
- Innovation Fund of the University Medical Center Groningen
- Roche Netherlands

The printing and distribution of this thesis was financially supported by:

Roche Netherlands, Nationale Vereniging Sjögrenpatiënten (NVSP), 3I Implant Innovations, Nederlandse Vereniging voor Mondziekten en Kaakchirurgie, Pfizer BV, B. Braun Medical, Synthes BV, Straumann BV, Liebrecht + Partners, Titamed, Marned BV, Sense Medical BV.

Lay-out: Saar de Vries ([www.sgaar.nl](http://www.sgaar.nl))

Cover: Titanium Lashley-cup. Photographed by Roelof Bos

Printed by: Ipskamp PrintPartners, Enschede, the Netherlands

ISBN: 90-367-2662-X
