In the above paper, we accidentally included incorrect siRNA sequences for ALKBH1 in the Method Details section. The correct sequences should be 5'-CCCGAGAGAUUCAUUGGUATT-3' and 5'-GGAUGACCAGAAUAGCGAATT-3'. In addition, the order of the complementary strand for the 6mA-containing dsDNA oligo sequence should have been reversed and listed as 5'-AAATACAAGCATGCTTTTCCATAAGGTATCAT-3', and the order of the complementary strand for the 1mA-containing dsDNA oligo sequence should have been reversed and listed as 5'-AAATACAAGCATGCTTTTCCATAAGGTATCAT-3'. These errors have now been corrected online. We apologize for any inconvenience that they may have caused.
