Dear Ruth:

Reggie Hamner has asked me to respond to your letter to him of January 12, 1994.

I do not see any problem with distributing the brochures that you described in your letter. Occasionally, we will put together a packet of materials that we distribute to each registrant at the annual meeting. This year's annual meeting will be in Orange Beach, July 18-21. I do not know at this time whether or not we will put together such a packet. If we do, we will be happy to include your brochures with these materials. If we do not put together a packet, I am sure that we can come up with another way to help disseminate this information to those who will be attending the annual meeting.

As we get closer to the annual meeting and have a better idea of what we will be doing with respect to convention materials, I will give you a call or drop you a note to let you know. In the meantime, if you have any thoughts or questions, please let me know.

Sincerely yours,

Keith B. Norman
