Wes -

Attached is the letter I finally sent out to my committee. My apologies for being so late in contacting them.

Would it be possible for SEAU to pay for the data entry for the directory? I have a person who is very fast and accurate for \$10.00/hour. I do not think it would take her all that long and I hate to ask my firm to pay for this directly. Let me know how you feel on this - it would hopefully run between \$100-200.
