Dear Mr. Edmonds:

I recently read of the "Practice Series" to begin with the next issue (Vol. 7, #2) of the Southeastern Law Librarian. I recently compiled an unannotated bibliography of North Carolina practice materials. It is divided into eight sections: Statutes, Session laws & related materials, North Carolina Court & Court Reports, Administrative Law, Aids to Legal Research, Books, Periodicals, and Order Information. It was specifically oriented to an attorney setting up an office library and practice in the state but could perhaps be modified. I would be delighted to contribute it to an issue of the Newsletter.

I look forward to hearing from you in the near future.

Sincerely,

Judith E. Purcell
