Dear Minnette:

I have asked Sarah to send you a copy of the Minutes of the Chapel Hill meeting immediately even though she may not have them in final form. She wanted to include remarks made by various people at some of the sessions and was waiting for approval of some of the participants before putting the Minutes in final form. I feel sure she will get this to you this week.

I certainly agree that this first issue should be devoted primarily to a resume of the Chapel Hill meeting and an announcement concerning the informal breakfast meeting in Chicago scheduled for 7:30 a.m. Friday, July 8th. Reservations for the breakfast may be made at the registration desk where a notice concerning the meeting will be posted.

At the Chicago meeting we should have time to discuss some of the questions raised by Doris Fenneberg in her excellent analysis of the problems that confront us. I hope we can formulate a general statement of policy governing the contents of the Newsletter and enlist the cooperation of the members in sending news items to you.

It might be nice to include the names of winners of various scholarships to the Institute in this issue if such information is available to you. Mr. John D. M. Folger, assistant librarian here, was the fortunate winner of one of the Matthew Bender \$100 scholarships. We are real proud.

Please excuse this hurried reply to your letter but I did want to get it in the mail before leaving town for the week-end.

Most sincerely,

State Librarian
