Lawrenceville, GA 30045

Dear Ms. Pinder,

As President of the Southeastern Chapter of the American Association of Law Libraries, I invite you to participate in our 2001 Annual Meeting which will be held in Atlanta, April 18 - 21.

Specifically, I invite you address the attendees at our luncheon on Friday April 20, 2001, from noon to 1:45 p.m.. The meeting will be a joint meeting with the Southwestern Chapter. We expect 300 law librarians to participate. The theme of the meeting is Atlanta 2001: East meets West: Librarian Odyssey. We will send you a copy of the preliminary program when it is mailed and invite you to attend any programs that interest you.

I also congratulate you, your library staff and library board on the selection of the Gwinnett County Public Library as Library Journal's Library of the Year 2000. Public internet access is an issue in many of our libraries. While law libraries do not generally have censorship issues, we do deal with users who are not using public terminals for the legal research purpose for which they are provided. Many of our law libraries are accessible to the public, so there are common concerns there as well.

The meeting will be held at the Sheraton Buckhead. I hope that you can join us for lunch.

Sincerely,

Catherine Lemann
