Miss Mary Oliver, Librarian
Carolina Chapter, AALL
Law Library
University of North Carolina
Chapel Hill, North Carolina

Dear Miss Oliver:

Thank you for your earlier letters which I received and failed to answer. Due to pressing affairs and the uncertainty of whether I could attend the meetings, an answer was procrastinated from day to day. I am glad that I was able to meet with you and feel that the very successful meeting offered much to every one. Personally, I enjoyed seeing everyone and having an opportunity to visit your library and that of Duke University Law School Library. I am sorry that I did not get to visit Wake Forest College.

A full program was well planned and arranged but not overcrowded until one felt rushing in trying to crowd everything in to a short period of time. Among the other interesting and entertaining events, I wish to say that I particularly enjoyed the Planetarium show. Too, the luncheon by the Carolinas Chapter was certainly a thoughtful and well planned part of the program which was much enjoyed and appreciated. Please accept the thanks of Dr. Sanford and myself for including both of us in the various social functions. He wishes to be remembered and sends his best regards. Since the camera was on the blink, we did not get any pictures the last evening. We got only blanks.

Will you please send me the correct names and addresses of the librarians at Duke and Forest. I thought that I had them, but when checking the directories I find that they substantiate neither my facts nor fancies.

Thanking you again, I remain

Sincerely yours,

Willie Mae Sanford
