Dear Sarah,

I was so glad to hear of your Mother's improved condition and hope that she continues to make progress toward complete recovery.

Enclosed is a copy of the Minutes of the Chicago meeting which may seem unnecessarily verbose but we thought you would like to have a complete picture of the session. I am also sending a copy to Minnette in case she wishes to include any information therefrom in the Newsletter.

I do think it would be wise to get out the Constitution and By-Laws as soon as you conveniently can. If I can be of any help to you in this matter, just let me know. I can have the stencils cut and run off and the addressing and mailing done here if you would like. It is true that I have a reasonable quantity of clerical help, but the quality certainly leaves much to be desired.

We are in the midst of drawing up furniture and equipment specifications for the new library, and some job it is, too.

Love,

Jane
