# COMMENTARIES ON THE CONSTITUTION OF THE UNITED STATES

By **CHESTER JAMES ANTIEAU**

Professor of Law, Georgetown University Law Center

A TREATMENT THROUGHOUT OF: DEVELOPMENTS IN THE  
LAW AND TRENDS IN THE LAW

## CONSTITUTIONAL LAW AS PRACTICED

Emphasis throughout is on the topics of constitutional law faced by lawyers, e.g. the limitations upon the states interfering with firms doing interstate commerce; the requirements both the state and federal governments must respect in prosecuting persons alleged to have violated the law; constitutional limitations upon the state and federal government in taxing persons and business firms, etc.

## DIVIDED INTO TWO PARTS

Part 1 — The limitation of the federal constitution upon the states

Part 2 — The limitation of the federal constitution upon the federal government

Making the work much more usable and readily pertinent to the problems of the practitioner.

- An abundance of illustrations to indicate the significance of constitutional rules in their application.
- Replete with pertinent and well edited quotations from the leading cases to emphasize the reasons behind the decisions and judicial philosophies and attitudes.
- Dissenting and concurring opinions are regularly indicated and the merit of the ideas contained therein evaluated.
