Dear Ms. Fortenberry:

In response to the two additional letters of application for the SE/AALL scholarship, I did not change my mind in regard to the order of applicants. However, since there are now six applications instead of four, I would prefer to see three awards, one of \$250 and two for \$125.

All the applicants are far enough from Toronto that any amount of award will be helpful. All are close enough to drive to one of the other meetings. The two later applications are deserving also, but I would have preferred to see more individuality in their letters of recommendation. I would list Ms. Pine as my 5th choice, since of the two people from the same library, she has the greater experience, and Ms. Hartke as my 6th choice.

Sincerely yours,

Sue W. Welch
