## SENIORS CONDUCT CHAPEL EXERCISES

The Usual Program  
Out With Much  
Dignity

Last Wednesday proved a day in the making of Seniority which will never be forgotten. Even early in the morning seemed to be full of a kind of pressed excitement, yet no one seemed to know what it was all about upon entering the assembly (wherein the most enjoyable of the day is spent) smiling new faculty members looked into ours. What could it mean, this was not an entirely new just when the students there were quite well acquainted with all. No, reassurance came there, but how exceedingly well looked! Surely they had a fountain of youth and had it abundantly, and too, they were playing Senior colors.

In his usual way, President (who, by the way, proved to be other than our fellow student Lane) called the house to order and the seniors had given some and ringing cheers for the President. Mr. Stewart (later recognized as Denny) led the singing in an effective style. After the singing of "Forward March," we all gathered in prayer. The singing of "The Rambling Song," made all the more impressive by the excellent directorship of Lane.

Hereupon, the president announced from the faculty Mr. Robinson sounded his voice to those whose high school were not on file. Mr. Keith called a course in World War to be given next semester. called a meeting of the "Progress" staff, though not what for. Mr. Caldwell in his usual silence and much regret Mr. Park was ill.

Dr. Grinstead (whose name was found to be Mr. Mullin) asked permission from the president to speak concerning the inattention of a few young couples at the concert who were not attentive themselves but kept near around from listening. Mrs. Deane, as is her wont, to assure him that all were in attention and that there were great many who did enjoy it.

The ladies were now given to speak, but being rather shy, very few of them honored with spoken words, though in the rooms experience has taught them they are quite talkative. Miss Rick, Miss Harmon, Miss Rice, Miss Myers all declined to say anything; however, Miss Schrieffer fellow student, Mrs. Ellis) most thoughtful talk on being efficient and showed how to make pluses on a note-book. Mrs. announced that a party was to be given, but there must have been a mistake, probably she said one been given.

So Senior Day passed away, but not the class spirit it had aroused.

The cafeteria opened its doors to the students Sunday morning, January 27. From the very first everything points toward its success. The attractive surroundings, well planned menus and excellent service are due to the supervision of Mrs. Karr. It has proved so popular that many of the students have had their dining room cards exchanged for cafeteria tickets.

## MONOLOGIST VISITS EASTERN

Newens Proves Himself to  
be an Artist of Unusual  
Ability

Evening, January 14, a large audience gathered in the chapel to enjoy the second number of the Lyceum Course. Mr. Newens, noted monologist, introduced by Professor Keith. Addressing his audience by a reference to Billy Bryan, Newens and himself as three men from Lincoln, Neb. Newens gave a short synopsis of "A Message from Mars." He proceeded to give his hearing interesting and vivid description of an impersonation of Horace, a wealthy English gentleman pseudo-scientist, a cross, concealing and selfish man in the life.

Newens' guilty conscience because of his failure to attend a party with his aunt with whom he had a quarrel. He had a message from Mars which "A messenger from Mars" was the leading part. The monologist relates how he has been on earth and cannot return because he has found the most beautiful earth and made of him a generous spirit. Mr. Newens' portrayal of how the experience in his dream actualized this wonderful feat to interpret a real artist, and his entire rehearsal. The dramatic expression and his response to the tense mental feelings demanded by the monologist made the whole of the very real. The control of producing the great variety of colors demanded in the characters was truly marvelous. The effect was he that one felt almost see Horace and Aunt Martha and the messenger Mars all on the stage upon expressions. Joy, sorrow, grief, gladness, excitement, emotion was registered by the voice and manner. The story itself a compelling plea for "other-world" portrayed with rare dramatic ability of the artist.

### IN THE ADMINISTRATIVE FORCE

Miss Carroll and Josephine have resigned their positions in the Dean and Registrar. Miss Carroll has gone to her home, and Miss Mitchell has accepted a position at Prestonsburg. Miss Carroll and Miss Mitchell are well known on the campus and in town. A great number of friends are leaving and especially those who have had the privilege of working with them.

Although we are sorry to have Miss Carroll and Miss Ellis leave us, we are glad to extend a hearty welcome to Miss Elizabeth Comer and Miss Flora Mitchell, who take their places.

Miss Comer comes to us from Lawrenceburg, Tenn., and Miss Mitchell comes from Providence. They are graduates of the Bowling Green Business University. Both Miss Comer and Miss Mitchell are very efficient girls.

EARLE COMBS

## EARLE COMBS SOLD TO WORLD CHAMPIONS

Former Eastern Athlete Now A  
Member of Best Club in League  
Winters Here

Earle Combs, former Eastern Normal all-around athlete, who for the past two years has been starring in the outfield for the Louisville Club of the American Association, has been sold to the World Champion New York Yankees. The price paid for Combs was not made known but it is understood that \$50,000 in cash and two players were sent to Louisville for Combs. One of the players is Elmer Smith, who clouted a home run for Cleveland in a recent world series with the bases full.

Last year Combs was the leading outfielder in the American Association. He hit for an average of .380 which placed him second in the averages of the Association. His fielding record was well above the average. In stolen bases he was among the league leaders and with 42 to his credit for the entire season.

It is not known where Miller Huggins will use Combs. Some think he will displace Whitey Witt and others believe he will be used at short. It will be remembered that Combs played short in brilliant fashion in his college days at Eastern. His heavy batting has been a feature of his baseball career.

Earle is spending the winter in Richmond and is an employee of the Richmond Motor Co. He has purchased a lot in this city and will build on it some time within the next spring. It is with regret that many of the fans saw him sent so far away. Many here hoped that he would be in the National League at any rate so that he could be seen performing at Cincinnati. The students at Eastern wish him the most success possible.

### INTERMEDIATES GIVE A FAREWELL PARTY

The Intermediate Class gave a tacky party, Monday night, January 21, as a farewell to the departing members of the class. The party was held in the foyer of Burnam Hall, where games and an all round good time were to be had.

The class advisor, Mr. Tapp, was rather surprised when he saw many of the young, lively girls of the class turned to cold, stern, gossipy old

## EASTERN GIRLS' FIVE CLEAN RECORD TO DATE

Eight Straight Victories to Their  
Credit—Normal Boys Won  
Five Out of Ten

The Eastern basketball teams have been most successful in their starts so far this season, the Normal girls being contenders for the state championship with eight straight games to their credit, while the boys have split even in ten games played.

The latest games were played at Cumberland College, Friday, Feb. 1, where Eastern won both games, the boys by a 31 to 25 score, and the girls by a 37 to 21 score. The games were hard fought from the start. In the girls game the Cumberland girls started off in the lead but were overtaken and simply run to death by Eastern in the last half. Miss Young and Yates starred.

In the boys game the passing was excellent with Eastern winning in good form in spite of the flashy work of Ellison who almost saved his team by his brilliant work in tossing eight field goals. The lineup follows:

| Eastern 31 | Cumberland 25 |
|------------|---------------|
| Hampton 6  | Rodehaver 6   |
| Stone 12   | Ellison 16    |
| Denny 5    | Gatliff 2     |
| Hurst 8    | Estes 1       |
| Word 8     | Perkins       |

Substitutes—Cumberland: Stemer for Gatliff.

Referee—Johnson, Illinois.

### Girls Game

| Eastern 37 | Cumberland 21 |
|------------|---------------|
| Young 17   | Haag          |
| Yates 12   | Tarter 3      |
| Renick 7   | Elliott 4     |
| Knox 8     | Mauney 4      |
| Perkins 1  | Estes         |

Substitutes—Cumberland: Perkins for Haag, Keethpler for Tarter, Crolle for Mauney.

Referee—Johnson, Illinois.

The Maryville College game here, Thursday, Jan. 31, was the poorest performance of the year made by the Eastern boys, who were defeated 29 to 12. At no stage of the game did any of the players show the ability and passing necessary for victory. With Risky and Music doing effective work in shooting and guarding, respectively, Eastern had little chance. The line-up follows:

| Eastern 12 | Maryville 29 |
|------------|--------------|
| Stone 4    | Riskey 10    |
| Clouse 6   | Shores 4     |
| Denny 6    | McMurray 9   |
| Word 6     | Music        |
| Combs 4    | Veach 4      |

Substitutes: Eastern—K. Hampton for Stone, Hurst for Combs, M. Hampton for Denny, Stone for Clouse, Mainous for Word and D. Hampton for K. Hampton; Maryville—McCall for Shores, Shores for McCall, Sneed for Shores, Gamble for Veach and McCall for Music.

Referee—Lassiter, William and Mary.

Two of the best games played by Eastern to date were played Saturday, Jan. 26, when the Eastern girls defeated Transylvania, closest rival for the state championship, 27 to 18, and the boys lost a close game to Centre College, 30 to 27.

The end of the half in the girls' game found the score 11 to 11, but the game found five came back in the last half and cleaned up in fine form. Misses Renick and Young were the high lights of the Eastern five. The quick breaking from defense to offense gave the Eastern girls several goals.

### WELCOME NEW STUDENTS

You who have joined us at the beginning of this semester, some of you having been here before, but others who are beholding the wonders of Eastern for the first time, we rejoice to have you in our midst.

Whether you are a Freshman or a Senior, whether you hail from the rugged mountains of Pike or Letcher or the blue grass fields of Clark or Bourbon, it matters not to us. Eastern is a democratic institution alive with the spirit of true Kentucky democracy. We are all here for teachers training, qualifying ourselves to be real, genuine teachers, and most of us are Kenuckians; these two things we have in common.

It will be only a matter of a few days until we are all acquainted with each other.

It is always a source of pride to us older students to see such an intelligent, eager looking group of men and women standing in line to enroll in the classes of dear old Eastern. We are proud of you, we are for you to the last. Then you must be loyal to Eastern, rally round her standards, and help us to chisel her name so deeply in the corridor of fame that all the elements of time cannot erase it.

You should come to our pep meetings, learn the yells, go to the games and help cheer our team to victory.

Boost the ball teams; these things you must learn as well as your lessons.

A grades don't always mean A students; before you can be classed as a good student you must manifest an interest in athletics, become active in literary societies, and show that you are an all round good worker.

If you are at any time desirous of obtaining information or need help in getting yourself adjusted to your new surroundings do not hesitate to call to your assistance any of the older students. They will always extend to you a helping hand.

The Eastern Progress, the students, the faculty, the city of Richmond all join together in giving you their best wishes, and extend a cordial hand to bid you a hearty welcome.

## SEVERAL SENIORS PUT THEORY INTO PRACTICE

### All Will Return to Don the Cap And Gown on Commencement Day

There are several of the Seniors who are completing their work this semester and leaving. Among them are the following: Miss Lunata Hayden, who is going to teach in the rural schools near here. Miss Hayden's friends are glad to know that she can visit the campus occasionally as her home is near here.

Miss William Boyer is leaving to teach at Crestwood, Ky. She is taking the place of Miss Catherine Hall, a former Eastern student, who is entering this semester. The Milestone staff loses one of its most valuable members as Miss Boyer was one of the associate editors.

Miss Elizabeth Rye finishes her work at Eastern this semester. Miss Rye is planning to enter State University. She has an excellent record here and will surely make good wherever she goes.

The Misses Ethel and Clara Campbell are spending a few days in Lexington before returning to their home at Grays, Ky. Their many friends will be glad to know that they are coming back in March to finish their work.

Miss Elizabeth Whaley is leaving to teach in the primary grades at Covington. She will be greatly missed by her host of friends, but we are all glad to know that she will be here again commencement week.

Miss Allie Dyche has gone to Hazard, Ky., to teach. Although Miss Dyche does not room on the campus she is very popular with students and will be greatly missed by them as well as by her friends in town. She will return commencement week for graduation exercises.

Miss Kate Brown finishes her two years' work at Eastern this semester. Miss Brown goes to Louisville to teach. She is a very attractive girl and has a host of friends on the campus as well as in town.

Miss Gertie Smith is returning to her home at Hindman, Ky. She will be back in school in March to finish with the other members of the Senior class. Miss Smith's friends are glad to know that she is coming back.

Our best wishes go with each and every Senior who is leaving.

maids, by a few extra frills and specks.

The fact that it was leap year showed very well at the party, for the boys seemed rather shy. Everybody knows that the "old maids" wanted a man, so the few that were there had a wonderful time.

At the appointed time the old maids and bachelors were lined up to be judged. Miss Adra Crockett and Mr. Tom Jennings received prizes for being the tackiest. After the winners were congratulated a very abundant supply of peanuts, stick candy and chewing gum was served.

Everyone went home hoping that the Intermediate class would entertain their new members in the same manner.

The boys' game was featured by Eastern's come-back in the second half after trailing 22 to 12 at the end of the initial half. The second half saw the Eastern boys forge ahead to victory after trailing the visitors 13 to 12 at the end of the first half. The game was hard fought throughout. Payne starred for Milligan, while Clouse and K. Hampton played best for Eastern. The line-up:

On Saturday night, Jan. 19, the Eastern fives won a double header from Union College in easy fashion. The girls had an exceptionally easy game with Miss Young tossing the goal almost at will. Many of the second team got in the game. The

game ended with Eastern leading 30 to 4.

One of the strange facts of the Eastern play this year, that of coming back strong in the second half showed itself again in this game which the Maroons annexed by a count of 29 to 13. Captain Denny did the leading scoring for the Eastern boys by dropping in six field goals in the last half. The lineups follow:

One of the fastest teams ever to appear in Kentucky defeated Eastern 48 to 17 in a game in the college gym Friday, Jan. 18, when the Valparaiso University five appeared here. The visiting team was no doubt of the best ever to appear here. Their passing was lightning fast and right to the man. They took the lead and at no stage were in danger of defeat. In six games played that week in Kentucky Valpo did not lost a single contest. Eastern put up a plucky game but was outclassed. The line-up:

Eastern had a hard game with the independent Dudley Coal Company five here Saturday, Jan. 12, but won out by a 37 to 23 margin. The first half saw the Dudley team threatened the Eastern lead at one time, but the Eastern boys called out their reserve strength and proceeded to victory. Denny led the Eastern five in scoring while K. Hampton, an old Eastern player, registered 13 points for the visitors.

## TERRIBLE TRAGEDY OCCURS TUESDAY

Well Known and Well Liked  
Eastern Boy Meets Untime-  
ly Death

It was with tearful eyes and aching hearts that the students of Eastern appeared Wednesday morning, following the announcement on Tuesday evening of the death of one of the best known and best loved boys in school, I. M. Hungry.

He appeared at the supper table Tuesday evening in a weakened condition, suffering from the lack of sufficient sustenance. After waiting ten minutes and yet no food, he could stand it no longer and he passed to the great beyond. His last words were, "I'll see you all in heaven."

Mr. Weak, sitting next to him, and hearing this remark, reached for an invisible plate of toast, attempting to save his life, but, alas, it was all in vain.

Since a lad he had been accustomed to going to the family larder and securing whatever his appetite desired, and as he grew older his appetite craved still more, but it all ended, his parents having decided to send him to a boarding school and oh what agony he suffered.

Our beloved I. M. is survived by two brothers, I. B. and U. R. Also two sisters, Always and Anon. All four of them have planned to come to Eastern if they can starve to death.

The funeral services were held in the kitchen of Sullivan Hall and the entire student body turned out as though it were a football game, and wept tears of bitter sympathy for what might be forthcoming to them also.

After a fervent prayer that such would not be the case, appropriate remarks were made, some of which are quoted below:

"The good die young and who wants to be a dead one."

"I am glad it was starvation and not freezing that caused his death."

"Gone but not forgotten by those who are soon to follow."

At the close of the service the students presented a petition for a "square meal" on the following Sunday, and we are glad to say it was granted.

### MESSRS. AULT AND SMITH STAGE RADIO CONCERT

Pr-r-r-ee-ek!

Mr. Radio wishes a word with you in regard to a concert he's going to give, made possible by the aid of Messrs. Smith and Ault, so that on Monday evening of last week you were able to sit in the assembly room of University Hall and hear men speaking and bands playing just as distinctly as if they were right at your elbow, however, looking around, observation brought to view only the dear familiar faces of fellow students. Yet there it was just as plain as could be, an orchestra playing "Springtime" somewhere in Texas, another number "Drifting Back to Dreamland" from some other state, and still other numbers from Florida and West Virginia.

Wonderful invention—Mr. Radio's machine—and men fear that it will soon be so perfect that friend husband at his club can hear his friend wife singing that most delightful tune "Why Out So Late Tonight?" However, that day has not arrived but the day did arrive when the concert of Monday night was enjoyed with great pleasure by all those present.

So, as that's all Mr. Radio wishes to say, farewell.

### ELEMENTARY CLASS GIVES KID SOCIAL

On Monday evening, January 21, the Elementary Class gave a very interesting party in the form of a "kid social." They came appropriately dressed as children and enjoyed themselves in such games as drop the handkerchief, London Bridge and clap in and clap out. Prizes were given to the boy and girl who looked the

most "kiddish." The boys' prize was won by Mr. Sewell, and the girls' prize by Miss Hale.

Much merriment was created by the unique way in which the guests had to "earn" their refreshments, which consisted of apples, peanuts and chewing gum. One only got his share of these good things by repeating a nursery rhyme, or telling a joke. About 75 guests were present and everyone was loud in his praise of Miss Handley and Miss Harp, who were responsible for the enjoyable evening. The chaperones were Miss Eliza Hughes and Mr. Smith Park, advisor of class.

Dear Dad: I am asking you for some cash sooner than I had hoped, but you see several things have come up—books, dues, laboratory fees, room rent, etc. Please send me a check for eighty dollars.

My dear Son: I received your special today and am enclosing the amount you asked for. I was in college once myself, you know.

With best wishes,

Your loving father.

P. S.—Is she good looking?

At a Christmas party ehld at cottage No. 3 Mr. Parks was given a fishing hook. We all know that he has the line.

Lawrence—"I can't express my love in words."

Elizabeth—"Perhaps you can in figures."

The girls on the campus have been singing this song:

I might not be handsome,

I may not be so cute,

But I'm a lovin' gal

Right from a Normal School.

It was said that Mr. Stuart was so stingy on Christmas Eve he told his children that Santa Claus had died.

When your palm itches your are going to get something, and when your head itches you have it.

"Think of the mighty oak—it once was a little nut like you."
