ABOUT THIS ISSUE

You've seen the show. You know about the missions, the clues and of course, the Winnie. For our take on MTV's traveling show "Road Rules," we've called upon loyal Eastern alumnus John Young.

The 40-foot Allegro bus on the front cover belongs to Young, manager of Kentucky Farm Bureau Insurance in Richmond. Young graduated from Eastern in the late 60s, but has never really grown up as we learned during our cruise to photograph the RV in familiar campus spots.

The two young men in the

picture are Daniel Kaner and Ben Harrison, students from Lewis County High School who just happened to be at band camp at Eastern. Instead of practicing with the band that morning, they volunteered for adventure. Thanks, Dan and Ben.

In MTV's "Road Rules," Chadwick, Shayne and Susie are given missions and clues to find their "handsome rewards," which might be money or trips. Our mission with this special section of the Progress was to give clues and information about campus and Richmond for new and returning students. We hope

our readers are rewarded with the answers to many questions they may have about studying, working and playing in Richmond.

Many thanks to the folks on campus and in Richmond who provided information for this issue. Thanks also to the physical plant crew that helped us get the RV onto Hangar Field for our front cover shot, also taken by George Mitchell. And thanks to John for the use of his RV. All we had to do in return was promise to lobby the powers-that-be for an guaranteed parking spot for his RV at football tailgates.

ACADEMICS MISSION #1 MAKE THE GRADE

Academic advising

Each student with a declared major is assigned an academic adviser in the department offering that major. The adviser must be consulted before the student can register for the next semester. Students who are undeclared are assigned an adviser by the Advising Office in Keith 133.

For help locating your adviser (or if you're having trouble remembering your adviser's name or getting an appointment), go to Keith 129. This office is also the place to go to change majors or advisers. You can also seek out your department chair whose office phone number and e-mail address are listed below. All e-

mail addresses include ACS.EKU.EDU if your mailing off campus.

Drop-Add/ Withdrawal

Students can drop or add classes using The Colonel Connection telephone system (x2020) or in person at the Registration Center in Combs 218. To use the phone system, students first must receive their Registration Access Code (RAC) number from their adviser.

The last day to drop a full semester class without a grade of "W" is Aug. 29. After that date, a student has until Oct. 16 to drop a class with a grade of "W." Be sure to check with your adviser and

formally drop the class. Otherwise you will receive an F for the course. Partial semester classes can be added up to the day the class meets and can be dropped through the halfway point of their duration.

Students who must withdraw from the university because of an emergency or illness should report to the Registrar's Office in Coates 15 or call x2410 to initiate the process.

Library Services

The John Grant Crabbe Library and Thomas and Hazel Little addition are located on University Drive. In the basement are periodicals such as popular

magazines and academic journals and newspapers from across the nation and the world as well as weeklies from across Kentucky. The basement also houses the University Archives and Special Collections and an extensive collection of microfilmed publications.

The main floor contains the circulation desk, the reference room and InfoTrac computers which provide electronic access to popular and scholarly publications. The Learning Resources Center is located on the third floor and the Law Library and Documents Room on the fourth floor.

The university has a computer-

ized system for locating items in the library. The Online Public Access Catalog (OPAC), located in the circulation room of the library, allows the user to search over 420,000 documents, including books, microfilm and microfiche. OPAC can also be accessed through the university's VAX system.

Other libraries on campus include The Woford K. White Law Enforcement Library (Stratton Building) and The Elizabeth K. Baker Music Library (Foster Building).

University Writing Requirement

You have to write an essay proving you can think and write at the same time before graduating from the university.

You must schedule the University Writing Exam after you have passed ENG 101 and 102 AND earned 60 hours or your dean will get on your case and

eventually prevent you from enrolling for any other classes. Register for the UWR when you schedule your classes.

If you forget to show up for the one-hour essay exam, you will automatically fail. If you take the essay and fail, see your adviser immediately to work out a remedial program so that you can reschedule the exam.

A handbook on preparing for the UWR with examples of passing and failing essays and tips on taking the test is available in the campus bookstore for \$1. You can take the test at 9 a.m. Aug. 29 or 5 p.m. Oct. 16 in the Combs Building.

COMPUTERS MISSION #3 GET CONNECTED

Eastern offers extensive and easy access to computers on campus. Internet accounts are available, and various computer labs are located throughout campus and in residence halls.

ResNet is the residential computer network service provided to students living in residence halls at ECU. ResNet lets you connect your personal computer directly to ECU's computer network and, through the university network, to the Internet. ResNet connection does not use a phone line or modem. Instead, attach your computer directly to the university's data communications network using a 10BaseT Ethernet adapter.

These halls have ResNet access: Brockton (700 and 800 blocks), Burnam, Commonwealth, Keene, Palmer, Sullivan, and Walters.

If you have questions about ResNet, call x3050 or e-mail ResNet@acs.eku.edu.

At no charge to students, VAX accounts give ECU students access to the World Wide Web (text only), various programming and e-mail. VAX accounts are available through the Academic Computing and Telecommunications Services (ACTS) office in Combs 207 (x1986). To obtain a VAX account, students must go to the ACTS center and complete forms, as well as sign a code of ethics.

All pre-registered students are assigned a VAX account and an e-mail address. For students not pre-registered, the accounts are available the business day after paperwork is submitted. Your e-mail address will include the prefix *stu* and five characters from your name, followed by @acs.eku.edu.

There are several computer labs on campus, the largest of these being Case Annex Lab (176), Combs Lab (230), and the Combs College of Business Lab (328).

The Case Annex Lab is open Mon.-Fri. 8 a.m. - 4:30 p.m. and additional evening hours will be announced during fall semester.

The Combs Lab offers 100 terminals including Macintosh and IBM compatible systems. They also offer Netscape Access and laser output. It is open to all students Mondays and

Wednesdays 8 a.m.- 11 p.m.; Tuesdays 8 a.m.- 9 p.m.; Fridays 8 a.m.- 4:30 p.m.; and Sun. 3-9 p.m.

The Combs College of Business operates three labs with 116 terminals equipped with the appropriate College of Business software programs, as well as Netscape, Windows 95 and laser output. The lab is open to all students Mon.- Thurs. 8 a.m.- 10 p.m. and Fri. 8 a.m.- 4:30 p.m. The labs are used as classrooms, which may limit availability during class times.

The university's website at www.eku.edu includes a student and faculty directory with phone and e-mail listings; course listings and information pages on registration, financial aid, admissions, housing, and of course, The Eastern Progress. (www.progress.eku.edu)

HOUSING MISSION #7 MAKE YOURSELF AT HOME

Hallelujah! You're finally out of your parent's house and more than ready to live on your own. Freedom. But, before you plan a 72-hour dorm room party with your favorite beverages and all those cute guys or girls you met at orientation, let's go over a few rules for housing.

Q. Where do I find the rules that I need to follow at EKU?

A. Rules that students must follow while at EKU are written in the Residence Hall Guide, the student handbook and other university publications. The Residence Hall Guide and student handbook will be provided the day you move into the residence hall.

Q. How can I change rooms or roommates?

A. See your area coordinator to make an authorized room change. Unauthorized room changes will result in a \$50 charge and each student must return to the room originally assigned and loses the privilege to change rooms for the remainder of the semester.

Authorized room changes are available on designated dates after the semester begins. In-hall room changes are completed by the area coordinator within the hall. Inter-hall room changes require a trip to the housing office. The residents must then check out of their current hall with the resident assistant and then with the area or assistant area coordinator. Following check-out, the resident may check into a new room. See the calendar for deadlines.

Q. Can members of the opposite sex come to my room?

A. Guests of the opposite sex are allowed in your room from noon-12 midnight Sunday to Thurs. On

Progress file photo
Residents on the 13th floor of Telford consider themselves lucky.

Friday and Saturday nights the open-house hours are extended to 2 a.m. The resident and guest(s) must register at the front desk of the hall. Residents should also inform the front desk of any overnight guests of the same sex and complete a registration card.

Overnight guests of the same sex are allowed for a maximum of two nights.

Q. What is room inspection?

A. During room inspection, hall staff members check your room for fire, health and safety hazards.

MEET THE DIRECTOR

Kenna Middleton replaces Amber Culver as director of housing. Although new to the position, she is a familiar face at Eastern. Middleton received her master's and bachelor's at Eastern. She has been employed by Eastern since 1990 and has held various positions including director of residential development. She is also the Kappa Delta faculty adviser and is vice president of the Kentucky Association of Women. Her husband, Rich Middleton, is the coordinator for campus custodial services. They have two children, Jarrod, 9, and Jesse, 3.

They also check for illegal items, such as alcoholic beverages, which will be confiscated. Consult your student handbook for health and safety guidelines. Your RA is required to give you 24-hour notice prior to room inspection.

Q. Where can I study?

A. Residence halls have designated areas for studying. Ask your RA or staff at the front desk where these areas are located. The Crabbe/Little Library is also available. (See pp. 4-5 for library info.)

Q. How do I make local and long-distance phone calls from my room?

A. If you are calling an on-campus number, dial the last four digits of the number. For local calls, dial 9 + number. For long-distance phone calls, each student is provided with an AT&T Acus Service Card. To use this card, dial 9 + number (including area code); include your personal security code located on the card. Call 1-800-445-6063 if you have any problems using your Acus card.

Q. How can I get cable TV channels in my room?

A. All rooms have basic cable hook-up, which includes Lexington channels, USA, QVC and ESPN, for any cable-ready television. A deluxe cable package is available with 44 channels. If you want pay cable channels, American Cable Entertainment has an office in Burnam Hall and tables set up at other halls. For more information, call 623-6163.

Q. May I stay in my room during vacations and breaks?

A. All halls are closed for vacations and breaks, except for the Brockton apartments. Students from any residence halls may apply and register by the posted deadline for guest housing during a break period with the housing office. There is a daily charge to help defray the cost of staffing and utilities.

Q. May I request a private room?

A. Yes, however, most private rooms are filled by returning residents. Private rooms are allowed on a space-available basis. The cost for a private room is approximately one-and-one-half times the cost of a double-occupancy room.

HOUSING Continued from Page 14

Q. What is consolidation?

A. Consolidation is the process by which students in a double room without a roommate, who do not want to pay for the room as a private are able to be located in a new room. This process occurs and continues throughout the semester. Students receive a series of letters explaining the process and are requested to meet with an Assignments Staff member of ECU Housing to receive assistance.

Q. What appliances are allowed in dorm rooms?

A. Pop-up toasters, microwaves, televisions, computers, hot-air popcorn poppers, crockpots or slow cookers, thermostatically controlled coffee pots, and floor and desk fans are allowed. Appliances not allowed include: hot plates, toaster ovens, deep fryers, electric frying pans and any appliance with an open heating element. All appliances must be registered with the Resident Assistant.

PARKING MISSION #10 FIND A SPACE THAT SUITS YOU

Since Aug. 17, employee parking lots are being patrolled and vehicles without a valid employee permit will be ticketed and towed. During the move in period students who live in residence halls will be allowed to park in the Ellendale, Martin and Case Lots for unloading only on Aug. 19 and 20. Once unloading has been completed, the vehicle must be moved to a student lot. Vehicles parked for more than two hours in these lots may be ticketed and towed.

All students must renew permits. Vehicle registration is at the Keen Johnson Building daily from 8 a.m. - 4 p.m. through Aug. 28. Students must bring receipt for paid parking permit and auto registration. Campus police start patrolling student lots Sept. 6 and

will ticket for not having a parking permit.

Shuttle Bus

The EKU shuttle buses run scheduled routes each day along Kit Carson Drive, stopping at Case Lot, Ashland Fire Science Lot, Perkins Lot, Keen Johnson Building Lot, Stratton Building and in front of the Alumni Coliseum. New schedules will be available from the bus drivers or in the Brewer Building.

After-dark Transportation

Students have the option of calling for a shuttle van to pick them up and take them to and from their residence halls between 6 p.m. and 2 a.m., Sunday through Thursday.

The number for the nighttime

shuttle is 2821. Phones are located in the Lancaster, Van Hoose, Alumni Coliseum, Brockton and Stratton (lobby) lots.

Taxicabs

For excursions to the mall, grocery store or somewhere else in town you might not be able to drive back from, there are a couple of taxicab companies serving the Madison County area.

How much filth is
inside your air ducts?

Studies show that more than 40 pounds of dust and dirt enter your home each year. Most of this ends up in your heating and air conditioning duct system. It contains pollen, mold spores, living mites and all kinds of bacteria. It grows and multiplies daily causing itchy eyes, coughing, sneezing, allergies and a multitude of respiratory problems. Our approved duct cleaning process can make the air you breathe in your home safe, clean and mountain fresh. MISSION #11 HOW TO GET THE NEWS

Campus paper — The Progress

The Eastern Progress is distributed each Thursday morning, starting Aug. 27. The student-run paper covers news, sports, campus organizations, arts and entertainment and provides students, faculty and staff with information about university services. The Progress also sells classified advertising space. If you have a car or bike for sale, drop your copy by, and we'll print it at the bargain rate of \$2 per 10 words. If you find something that isn't yours, we'll place a FREE classified ad in our Lost & Found section of the classifieds to help you locate the owner.

The best way to get into a paid position is to work on the staff as a contributor or staff writer or as an advertising assistant. Staff writers who sign up for JOU 302, a one-hour practicum course, can receive credit for reporting and writing the equivalent of a story a week. For paid editorial staff positions, please visit the Progress office or our website at

www.progress.eku.edu.

The best number to reach the ad staff is 622-1881. The best number for news and editorial staff is 622-1872. Offices are in the Donovan Annex located by the Model School playground.

Campus TV MCCN

Madison County Cable News (MCCN) is Richmond's only locally produced TV newscast. Students enrolled in advanced broadcast news courses produce

the six-minute reports to inform residents about news and sports stories in Madison County. MCCN airs Tuesday and Thursday evenings at 24 minutes and 54 minutes after the hour on CNN Headline News, Channel 28 on the FrontierVision cable system.

Campus radio — WXII

WXII Radio is Eastern Kentucky University's campus station, programmed 24 hours a day, seven days a week by the students in the Department of Mass Communications. The station is a Top 40 station playing today's hit music. In addition, the "X" sound and talent are available for parties. If you have a TV, you've heard the station on the audio portion of channel 12. It's on the Internet at www.wxii.eku.edu or call x1883.

Arizona Jack's Grinders & Pizza has become a favorite of ECU students. Fresh bread, baked daily, is the first ingredient on those great hot-from-the-oven subs we call **GRINDERS**. Add a crisp salad or one of our specialty soups or original **MILD MESA** or **GRAND CANYON CHILI** and you'll know why everybody likes Arizona Jack's! Some say we serve the best **PIZZA** in town, especially with a cool draft beer! **ARIZONA JACK'S GRINDERS & PIZZA**

SPORTS MISSION #12 CHEER ON THE HOME TEAM

Colonel fans will have five opportunities to see Eastern in action this upcoming season. Eastern begins the season at home against Kentucky State on Sept 5.

The Colonels will follow that contest with an away game against Kentucky — a game no one will want to miss. That game is followed by a road trip to Bowling Green against arch-rival Western.

All students with a valid student ID will be admitted to home football games for FREE. Tickets for family and friends can be ordered through the ticket office located in A.C. 126 or by calling 2122. Reserved seats are \$10 and general seating is \$8. Special rates apply to senior citizens, and children.
