## BLUE RIDGE CONFERENCE

Every year, early in June, a Y. W. C. A. Conference is held at Blue Ridge, N. C. Blue Ridge is a beautiful place, in the heart of the Blue Ridge Mountains, about eighteen miles from Asheville, N. C. Here southern students gather for ten glorious days of valuable instruction and wholesome good times.

This Conference is conducted by well-known Association workers and other Christian leaders. Intercourse with them is a source of great help and inspiration, not only for Y. W. C. A. work, but in one's own personal life.

Hollins has now a lovely cottage with Virginia Medical College, beautifully located on the side

of the mountain. The Hollins girls use it during the Y. W. C. A. Conference, and the Virginia Medical College boys during the Y. M. C. A. Conference following.

Last year the following girls attended this Y. W. C. A. Conference at Blue Ridge: Mary Bullington, Alice Signaigo, Emmalina Roberson, Constance Echols, Helena Edmonds, Sarah Hunter, Lucille Crim, Jesse Paterson, Gertrude Gill, Margaret Warren, Mozelle Meyers, Louise Cooper, Sarah Redwine, Josephine Andrews, Sarah Yow, Gertrud Rath, Miss Loulie Snead.

What are you going to get from Hollins?

What are you going to give in return?

#### WHY YOU SHOULD BELONG TO THE Y. W. C. A.

(1) The Association is the only religious organization in College, and as such should have the support of every Christian student.

(2) The Association brings you into close fellowship with the other students.

(3) It will deepen your own spiritual life, and will afford you good training in Christian work.

(4) It will present to you the deeper, truer meaning of Christianity.

(5) The Association cannot be a success without the co-operation of all Christian girls.

The Hollins Young Women's Christian Association needs you.

#### *How You Can Help the Association*

(1) By attending Morning Watch and all regular meetings.

(2) By joining the Mission and Bible Study Classes.

(3) By prayer at all times.

(4) By being ever enthusiastic in all Y. W. C. A. work, and never discouraging a would-be worker by even so much as a glance.

"Whoever we are, we need to be loved; and friendship exacts a return."

You are cordially invited to

## HOLLINS SONGS

### The Green and the Gold

*Words by Phoebe Hunter, 1909*

*Music by Alma McConihay, 1910*

#### I

O fair maiden Spring, what hue will you bring  
To our cause from your own sunny sheen?  
You have brought for your part the hue nearest  
your heart,  
And spread Hollins' hillsides with green.  
And you, frosty Fall, the most brilliant of all,  
What color for us do you hold?  
You have laid your fair hand with its torch on  
our land,  
And set our trees flaming with gold.

#### II

The Green and the Gold, we have loved it of old,  
And to it we will ever be true,  
For the memory will last of the days that are  
past,  
And linger, dear Hollins, with you.  
For life, when we're young, is a song that is sung,  
And must pass as a tale that is told,  
But honor and praise, to the end of our days,  
We will render the Green and the Gold.

So many came the first school year  
Real boys, and not a few;  
But this, dear girls, remember, was  
In eighteen forty-two-two-two.

Soon Mr. Cocke real worried got,  
And saw this wouldn't do;  
So "Boys," he said, "you stay away;  
Girls, I'll run this school for you-you-you-you".

So many years we've come on here  
Our hearts are always true  
To ideals made and given to us  
In eighteen forty-two-two-two-two.

---

H-o-l-l-i-n-s, Hollins, rah!  
Our Hollins College, we'll sing to you,  
Pride of Virginia's land.  
We love you, yes, we do, dear Hollins,  
Long may we cherish thee, love and adore,  
Sing, praise and honor, forevermore.

---

I've got a five-pound box of candy,  
And it certainly is a dandy.  
Boom Dee Dee; Yum Boom Bay!  
Ever since I got that five-pound box  
Each friend of mine comes 'round,  
And on my door she knocks.  
"Won't you lend me—a tie?" she'll sweetly say.  
Boom Dee Dee; Yum Boom;  
Boom Dee Dee; Yum Boom;  
Boom, Boom, Boom, Boom, Bay!

I began with a lot of money,  
And it certainly is funny  
Where that money goes!  
I lost some in Roanoke, I suppose;  
A little went for food,  
And possibly for clothes,  
But the rest has vanished, who knows—  
Where that money—Gee, it's funny!  
Where that money goes!

---

Oh, see those girls of Hollins  
A-standing in the line,  
And all of them are little friends of mine.  
They know just how to work there,  
They know just how to play—  
Oh, Hollins girls, we cheer you every time!

CHORUS

Now, Sweet Briar's not slow,  
Randolph-Macon's on the go,  
West Hampton's mighty, mighty fine;  
But give us, oh, give us, oh how I wish you  
would,  
Our dear old Hollins College every time!

## Hollins You're the Place for Me

*Words by Elaine Sauvage*

Hollins, Hollins, you're the place for me.  
I'd get tired of such frivolity,  
For all my college years are very short, I know  
And when I leave them I will surely want to go  
Right back to—  
Hollins, Hollins, oh! We all love you  
Just like those in 1842.  
It may not be like Paradise  
But, gee we think it's mighty nice  
To be here  
In Hollins Land.

## REGULATIONS FOR ABSENCE FROM CLASS

These rules are made by the Faculty and administered by the Committee.

The Committee has the power to interpret all debatable matters that arise regarding these rules.

Each student must keep her own record of absences, together with date and reason for same, which, in case of overabsence, must be submitted to the Committee at once.

All absences not specifically allowed under Section I must be reported to the Committee immediately.

All excuses for illness must be accompanied by the doctor's certificate.

All fees must be paid at the Business Office and the receipt for the fee presented to the instructor *before* the examination.

No student may attend another section of her class than her own, except at examination time, when she may do so with the permission of the instructor.

For Late Registration after vacations and mid-year examinations, see Constitution and By-Laws of Student Government Association.

### (I) Absences allowed for each semester:

2 from each 1 hour subject.

3 from each 2 hour subject.

5 from each 3 hour subject.

6 from each 4 hour subject, of which 3 are allowed from the class hour and 3 from laboratory, but all laboratory work must be made up at the convenience of the instructor and student.

8 from Gymnasium. All other absences, from Gymnasium must come before the Committee, who will decide whether or not the absence constitutes an "overabsence."

From Music lessons no absences are allowed except for illness and absence from the place. All such absences must come before the Committee.

From Art the student is allowed for her individual studio work as many hours absence a semester as she takes hours a week in the studio. These absences may be taken at her discretion except that she may not take them on *three* successive days.

(II) No two absences may be taken in succession, except for illness or for such reasons as the Committee may approve.

(a) For each successive absence taken without

adequate reason, the student receives zero, which lowers her quarter's mark five (5) points.

(III) No absences, nor half-absences, may be taken two days before or after the vacation at Thanksgiving, Christmas and Easter, nor two days before and after the mid-year examination period as announced nor two days before the final June examinations, except for illness and such reasons as the Committee may approve.

(a) For each such absence, or half-absence, without adequate reason, the student receives a zero.

(IV) Absence from an announced written lesson, i. e., a written lesson announced one week in advance, involves making up the written lesson and paying a fee of \$2.00.

(a) For such absence for inadequate reason the student, in addition to complying with Regulation IV, loses five (5) points from her quarter's mark.

(V) Overabsence in academic subjects, for any reason whatever, must be absolved by an examination (one or two hours) on the *semester's* work and this preliminary taken before the semester examination. A written request for such an examination must be sent to the Committee *as soon as the overabsence occurs*. The Committee will then authorize the examination to be taken within the ten days preceding the examination. The fee for such an examination is \$2.00.

(a) In case of overabsence for inadequate reason, the student, in addition to complying with Regulation V, receives a zero for each overabsence.

(VI) Overabsence in courses which do not admit of examination (Art, Music and Gymnasium) must be made up hour for hour, for which instruction the student pays *one* fee of \$2.00. In addition, she receives a zero for *each* overabsence.

(VII) A student who absents herself from class more than twenty-five per cent. (25%) of the semester, must repeat the semester's work, unless her professors recommend to the Faculty Committee an acceptable plan by which the lost time may be made up.

(VIII) A student, who does not wish to participate in the work of the class hour, may report to the professor at the beginning of the hour and take a *half-absence* (of which, however, not more than four may be taken in any semester), or she may make no report and take whatever mark her recitation warrants.
