BLUE RIDGE CONFERENCE

Every year, early in June, a Y. W. C. A. Conference is held at Blue Ridge, N. C. Blue Ridge is a beautiful place, in the heart of the Blue Ridge Mountains, about eighteen miles from Asheville, N. C. Here southern students gather for ten glorious days of valuable instruction and wholesome good times.

This Conference is conducted by well-known Association workers and other Christian

leaders. Intercourse with them is a source of great help and inspiration, not only for Y. W. C. A. work, but in one's own personal life.

Hollins has now a lovely cottage with Virginia Medical College, beautifully located on the side of the mountain. The Hollins girls use it during the Y. W. C. A. Conference, and the Virginia Medical College boys during the Y. M. C. A. Conference following.

Last year the following girls attended this Y. W. C. A. Conference at Blue Ridge: Helen Hardwicke, Gertrud Rath, Mary Bullington, Virginia Lee Cox, Elaine Sauvage, Doris Peeples, Bernice Green, Jo Andrews, Ethel Russell, Virginia Glover, Iris Jarrell, Betty Witt, and Edna Hadaway.

What are you going to get from Hollins?

What are you going to give in return?

WHY YOU SHOULD BELONG TO THE Y. W. C. A.

(1) The Association is the only religious organization in College, and as such should have the support of every Christian student.

(2) The Association brings you into close fellowship with the other students.

(3) It will deepen your own spiritual life, and will afford you good training in Christian work.

(4) It will present to you the deeper, truer meaning of Christianity.

(5) The Association cannot be a success without the co-operation of all Christian girls.

The Hollins Young Women's Christian Association needs you.

How You Can Help The Association

(1) By attending Morning Watch and all regular meetings.

(2) By joining the Mission and Bible Study Classes.

(3) By prayer at all times.

(4) By being ever enthusiastic in all Y. W. C. A. work, and never discouraging a would-be worker by even so much as a glance.

"Whoever we are, we need to be loved; and friendship exacts a return."

HOLLINS SONGS

The Green and the Gold

Words by Phoebe Hunter, 1909

Music by Alma McConihay, 1910

I

O fair maiden Spring, what hue will you bring
To our cause from your own sunny sheen?
You have brought for your part the hue nearest
your heart,
And spread Hollins' hillsides with green.
And you, frosty Fall, the most brilliant of all,
What color for us do you hold?
You have laid your fair hand with its torch on
our land,
And set our trees flaming with gold.

II

The Green and the Gold, we have loved it of
old,
And to it we will ever be true,
For the memory will last of the days that are
past,
And linger, dear Hollins, with you.
For life, when we're young, is a song that is
sung,
And must pass as a tale that is told,
But honor and praise, to the end of our days,
We will render the Green and the Gold.

III

And still at the thought of the good she has wrought,

Each heart must with gratitude thrill—
So to Hollins we'll sing till the mountainsides ring,

Our jewel of woodland and hill.
There are true, loyal friends that our college life lends,

And treasures of life manifold,
And may kind Fortune bless with eternal success

Our Hollins, the Green and the Gold.

IN 1842

Oh, Hollins people, listen here,
A song I'll sing to you,
Of what occurred at this dear place
In eighteen forty-two-two-two.

CHORUS

Sing, sisters, sing! sisters sing!
And let old Hollins ring, ring, ring.

As Mr. Cocke was passing by,
Said "I'll tell you what I'll do.
I'll start a school at this dear place
For boys and girls like you-you-you-you."

So many came the first school year
Real boys, and not a few;
But this, dear girls, remember, was
In eighteen forty-two-two-two-two.

Soon Mr. Cocke real worried got,
And saw this wouldn't do;
So "Boys," he said, "you stay away;
Girls, I'll run this school for you-you-you-you."

So many years we've come on here
Our hearts are always true
To ideals made and given to us
In eighteen forty-two-two-two-two.

H-o-l-l-i-n-s, Hollins, rah!
Our Hollins College, we'll sing to you,
Pride of Virginia's land.
We love you, yes we do, dear Hollins,
Long may we cherish thee, love and adore,
Sing, praise and honor, forevermore.

I've got a five-pound box of candy,
And it certainly is dandy.
Boom Dee Dee; Yum Boom Bay!
Ever since I got that five-pound box
Each friend of mine comes 'round,
And on my door she knocks.

"Won't you lend me—a tie?" she'll sweetly say,
Boom Dee Dee; Yum Boom;
Boom Dee Dee; Yum Boom;
Boom, Boom, Boom, Boom, Bay!

I began with a lot of money,
And it certainly is funny
Where that money goes!
I lost some in Roanoke, I suppose;
A little went for food,
And possibly for clothes,
But the rest has vanished, who knows—
Where that money—Gee, it's funny!
Where that money goes!

Oh, see those girls of Hollins
A-standing in the line,
And all of them are little friends of mine.
They know just how to work there,
They know just how to play—
Oh, Hollins girls, we cheer you every time!

CHORUS

Now, Sweet Briar's not slow,
Randolph-Macon's on the go,
West Hampton's mighty, mighty fine;
But give us, oh, give us, oh how I wish you would,
Our dear old Hollins College every time!

HOLLINS YOU'RE THE PLACE FOR ME

Words by Elaine Sawage

Hollins, Hollins, you're the place for me.
I'd get tired of such frivolity
For all my college years are very short, I know
And when I leave them I will surely want to go
Right back to—
Hollins, Hollins, oh! We all love you
Just like those in 1842.
It may not be like Paradise
But gee! we think it's mighty nice
To be here
In Hollins Land.

There shall be one Fire Chief, Captains and Lieutenants.

Sec. 3. ELECTION OF OFFICERS

(a) The Fire chief shall be chosen from the incoming Junior or Senior Class at the regular Student Government election.

(b) The Lieutenants and Captains shall be chosen by the Executive Council in consultation with the Fire Chief during the opening week of the College year.

(c) There shall be as many Captains and Lieutenants as are deemed necessary by the Executive Council and Fire Chief.

Sec. 4. The Fire Rules shall be printed and distributed to each officer in the Fire Department within two weeks after the opening of College in the fall.

DUTIES OF THE FIRE CHIEF

(1) To meet with the Executive Council the opening week of the College year to choose the Captains and Lieutenants.

(2) To be responsible to the Student Government Association, to whom she shall submit two formal reports during the year, one at the end of the first semester and one before the end of May.

(3) To read reports in roll call books once a month and to report all misdemeanors to the Student Government Association.

(4) To call all drills and instruct the Captains and Lieutenants and to stand in the middle of the front campus to receive reports at Fire Drills.

(5) To inform the President of the College of the time that she intends to have a Fire Drill.

DUTIES OF THE CAPTAINS

There shall be one Captain for each building. Her duties shall be:

(1) To see that the Fire Chief is notified at once in case of fire.

(2) To see that order is preserved during Fire Drills or in case of fire.

(3) To report to the Fire Chief the names of those missing in their divisions and the names of any additions to their numbers.

(4) To appoint one of her Lieutenants to represent her in her absence.

DUTIES OF THE FIRST LIEUTENANTS

There shall be First Lieutenants on each floor, the number to be decided by the Fire Chief. Their duties shall be:

- (1) To receive orders from the Captains as to which exit to take.
- (2) To lead the lines out of the buildings.
- (3) To see that absolute quiet is observed during Fire Drills.
- (4) To report to the Captain the names of those missing in their divisions.

DUTIES OF SECOND LIEUTENANTS

There shall be Second Lieutenants on each floor, the number to be decided by the Fire Chief. Their duties shall be:

- (1) To see that each room is vacant, windows and transoms closed and doors open.
- (2) To follow line out as quickly as possible and report to Captain any failure of conformity to rules.

FIRE DRILL

- (1) Fire Drills shall be held at least every week the first four weeks of college, and at least once a month thereafter. (There shall be one Drill after 12:00 P. M. each semester.)
- (2) Whenever a Drill is omitted, an explanation of the omission should be made to the President of the Student Government Association.
- (3) The Chief may inform the Captains of proposed Drills and designate stairways to be used.
- (4) The Captain shall give the alarm by ringing the gong.

(5) On the summons of the gong, each person shall provide herself with a towel. She shall close her windows and leave her door open.

(6) The roll is to be called by the First Lieutenants according to a plan submitted to them by the Fire Chief.

(a) It is to be called after the division has marched to its designated place.

(7) There should be an exact division line on each corridor to designate which stairways the different groups shall use. In case of a real fire if the stairway is not available because of smoke or fire, the Captain shall designate which exit to use.

(8) To avoid confusion and to make it possible to hear the orders of the officers there must be neither running nor talking. Failure to obey this rule shall be reported to the Fire Chief at once and by her to the President of the Student Government Association.

(9) Every one in a building during a Fire Drill should go down the stairs designated as the exit for that particular portion of the building, and should report her name to the Lieutenant of that corridor.

(10) The names of those missing from, or added to, a roll call shall be given to the Fire Chief as soon as possible.

Any one who has missed roll call must report immediately *in person* to the Fire Chief.

REGULATIONS FOR ABSENCE FROM CLASS

- (1) Absences allowed for semester:
5 from each 3 hour subject.
3 from each 2 hour subject.
2 from each 1 hour subject.

Absences from a 4 hour subject:
3 from class hour.

3 from laboratory, but all laboratory work must be made up at the convenience of the instructor and the student.

Music and Gymnasium:

No absences, except for illness and absence from the place.

Art:

One (1) day counts as one (1) absence.

(2) No two (2) absences may be taken in succession, except in cases of illness or for such reasons as the Faculty Committee may approve.

(3) No absences (nor half-absences) may be taken on the two (2) days before or after Thanksgiving, Christmas, Easter, nor from an announced test, nor at the beginning and end of the second semester.

Any student may leave the College after meeting her last academic appointment before a vacation. She must, however, return and register before 8:00 o'clock of the day set for the

opening of College after a vacation. The penalty for late registration is \$1.00, with any restriction of privileges which this administration sees fit to impose.

(a) Overabsence, for any reason whatever, must be absolved by an examination (one or two hours) on the semester's work preliminary to the semester examination. A written petition requesting such a preliminary examination and stating the date and reason for each absence must be sent to the Faculty Committee ten (10) days before the semester examination. If the reasons for the absences are adequate, the fee for such an examination is \$2.00. If the reasons are inadequate, the fee is \$5.00 for the first and \$2.00 for each additional examination. Inadequately excused overabsence also involves, for each overabsence, a zero, which may not be absolved, and which lowers the quarter-mark five points.

(b) Overabsence in courses which do not admit of examination (Art, Gymnasium and Music), must be made up hour for hour, in addition to the fee and zero, provided for under (a).

(c) Absence incurred in any of the ways stated under (2) and (3), for adequate reasons, will be absolved by a written lesson on all the subjects missed, with a fee of \$2.00 for each subject. These written lessons should be arranged for with the instructor immediately upon the return of the student to her work.

(d) Absences incurred in any of the ways stated under (2) and (3), for inadequate reasons, will, in addition to the regulations imposed under (b), involve, for each such absence, a zero, which may not be absolved, and which lowers the quarter-mark five points.

(e) All reports of illness should be accompanied by the doctor's certificate.

(f) The receipt for the payment of fees according to (a), (b) and (c), must be presented to the instructor before the examination.

(g) A student who absents herself more than twenty-five (25) per cent. of the semester, must repeat the semester's work, unless her professors recommend to the Faculty Committee an acceptable plan by which the lost time may be made up.

(h) A student, who has not prepared her lesson, may report to the professor at the beginning of the hour, and have her non-preparation count as half an absence (of which not more than four, however, may be taken in any semester) or she may make no report and take whatever mark her recitation warrants.
