WEST VIRGINIA LIBRARIES is the official organ of the West Virginia Library Association. It is published quarterly in March, June, September and December. Contributions and other communications should be addressed to the editor and should be received no later than the first day of the month in which an issue is to appear. Subscription is included with membership dues. Annual subscription to non-members is one dollar.

Section Editors:

College and University Libraries: Mr. Donald Strong, West Liberty State College, West Liberty, West Virginia.

Special Libraries: Mrs. Laura C. Smith, Veterans Administration Hospital, Beckley, West Virginia.

Public Libraries: Mrs. Florence A. Taylor, Morgantown Public Library, Morgantown, West Virginia.

School Libraries: Mr. Harold Apel, Marshall University Library, Huntington, West Virginia.

Trustees: Mrs. Mark Russell, Williamson Public Library, Williamson, West Virginia.

FROM THE PRESIDENT'S DESK

"Machines and the Library" will be the subject of the Annual Conference of the West Virginia Library Association in Charleston on November 2-4, 1967. Though recently many of the State's libraries have had more money to spend, they are still hampered by insufficient staff and space. Machines may be used by a library to resolve these problems. But an understanding of the limitations of machines is necessary so that their employment will not compound the problems they were supposed to solve.

The Conference will start with a session which will be devoted to a simple explanation of how such machines as computers work. Mrs. Hage of Prince George's County will tell of her experience in planning for automated library operations in that county. A visit to the Union Carbide Computing Center will take you to the other end of the automation scale. There you will see examples of very advanced computing equipment.

Our exhibits will allow you to inspect machines you may have been considering for future purchase. And of course, you will also see the books and other materials essential for the operation of a library.

To remind us of the importance of books, Mrs. Augusta Baker of the New York Public Library will speak on the need for beauty and imagination (as well as information) in children's books. The Public Library and Trustees' Sections also will be discussing an important subject. Their joint meeting will consider retirement plans. Nick Winowich of the Kanawha County Public Library hopes that you will find a chance to visit their library to see how the old post office building has been transformed into a bright and attractive building.

We think that you will find attendance at this Conference both pleasant and profitable -- pleasant because you will be meeting new and old friends -- profitable because of the information you will take home with you.

Idair Smookler
President
