**UNIVERSITY CURRICULAR COMMITTEE
RECOMMENDATION**

SR-18-19-27 CC

Recommends approval of the listed **UNDERGRADUATE COURSE CHANGES** in the following college and/or schools/programs:

RATIONALE:

College of Arts and Media

Name of Course: THE490 Theatre Internship

Rationale: Approved off-campus experiences are not limited to "Internships". They include experiences ranging from professional employments, certification programs, and extensive workshops in addition to traditional internships. In addition to the expanding exposure to off-campus professional development experiences the research and application process required for job searches or advance training opportunities prepare students to enter the workforce upon graduation.

College of Science

Name of Course: NRRM360 Sustainable Tourism

Rationale: The new course title better fits the direction for the course. Sustainable aspects of recreation and tourism in the course will be integrated in other courses such as NRRM362 (Ecotourism: Administration and Management) and NRRM361 (Visitor Behavior and Management in NRRM)
