FRESHMEN WIN.

Annual Bulletin Board Rush Awarded to 1913.

Whole College Marches Down Town.

The annual Bulletin Board Rush, which was formerly held in the afternoon was this year held in the evening and the freshman class was victorious. Two fires were built on either side of the Bulletin Board and with the lights from the surrounding rooms afforded illumination enough.

At a few minutes before 6:30 o'clock the sophomores packed themselves in front of the Bulletin Board while the freshmen assembled about twenty-five yards away on the campus. At the signal given by Captain Henshaw of the football team the freshmen started at the other class. Just before they reached the walk, four sophomores, two on each end of a rope, ran out and impeded the progress of the rushers somewhat. But the numbers of the freshman class were too much for those of the sophomores and after a struggle of less than a minute, McCreary '13 touched the board and was immediately followed by two other members of his class. After this several informal rushes between the two lower classes were held in which the freshmen scored a decided victory.

The sophomores' forces were led by George T. Bates, the class president, while J. E. McCreary was in charge of the freshmen.

After the rushes the undergraduates assembled on the campus and sang Trinity songs and other campus "harmony."

At 7:15 the drum corps provided by the freshmen appeared and the students formed in lines of four, headed by the seniors. The procession proceeded to the President's house where Doctor and Mrs. Luther were cheered. At the cry of "speech," the President made a brief address of welcome. Professors Gettell and Flynn were also given "Trins" at their respective homes. At the State Capitol the entire college body assembled under the south arch and "My Country 'This of Thee" and "Nearth the Elms" were sung. This last is a custom which has been followed since the days when Trinity was located where the present capitol is.

From the capitol the procession marched up Asylum street where the students did the "serpentine dance." At City Hall Park the students circled about until weary, when all proceeded to Germania Hall, where the freshmen offered entertainment for about an hour.

NEW TRIPOD MEN.

At the meeting of the candidates for the Tripod Board, held Wednesday, the following men reported: Marsden '13, Brown '13, Cook '13, Whitehead '13, Foot '13, Barney '13 and Dillard '13. More men are needed and should report to Merrill '10 as soon as possible.

MEETING OF COLLEGE BODY.

An Enthusiastic Demonstration.

A meeting of the undergraduates was held in Alumni Hall last evening for two purposes, the first of which was to arouse enthusiasm over the coming football season, the second was to hear the annual report of the graduate treasurer of the Athletic Association for the past fiscal year. This report will be found in another column of this issue.

Though while the number of undergraduates present was not as large as could be wished, still a good deal of enthusiasm was shown by those who did get there.

President George C. Capen of the Senate presided. The first speaker was Captain Henshaw of the football team, who stated that while many new men would probably play on the team, Trinity should be represented by a strong aggregation this fall on the gridiron. He also said that whoever did make the team would have to have the spirit and will to play their hardest, but support was also needed from the undergraduates. The way to get that spirit was to come out every day and watch practice, but not get in the way of the players, and also to be on the stands, and cheer at every game.

L. A. Stansfield '10, cheer leader, also spoke on the need of better cheering and singing at the games. Last year the cheering was only fair and this year every effort will be made to increase it both in volume and quality.

Professor and Coach Gettell was the next speaker. He said that at present it was impossible to tell how much we would beat Wesleyan or any other team. He urged that the undergraduates should not expect too much of the men at first, as the crude material which would have to be used in the vacancies caused by the graduation of some of the members of last year's team, would not be able to develop the best of team work in the early weeks of the season. What was needed was the right kind of spirit which Trinity is fast getting. Coach Gettell also said that men who had been playing on the scrub should not be discouraged if they don't get into the game on Saturday, but to keep on coming out and thus help perfect a winning 'varsity. A coach will be provided as soon as possible to coach the second eleven.

Mr. John F. Forward read his report next and urged that the men get together and subscribe a sufficient sum to meet the indebtedness as soon as possible. Mr. Forward remarked that he hoped it would not be long before the Athletic Association need not show a deficit at the end of each year. In order to do this it will be necessary to have at least ninety per cent of the undergraduates as members of the association.

C. B. Judge '10 spoke on the need

of every man helping to support the Athletic Association financially.

R. L. Wright '10 was the next speaker along the financial lines of athletics. He said it was every man's duty to pay the five dollars for the terms dues immediately and not wait until just before the elections, as has often been customary. Wright said it would in nearly all cases be necessary to sustain from some other things in order to subscribe to the association, but it was up to the men to do this and do it at once.

G. C. Capen '10, the association's president, said at present about forty men had joined, which was better than in years past at this time, but at least a hundred more would have to join within the next few weeks or the remainder of the schedule would have to be suspended.

A subscription was then started and after singing a number of Trinity songs the meeting adjourned.

NOTICE.

A meeting of the Tripod Board will be held at 6:30 p. m. on Monday in 20 Jarvis Hall. Everyone is requested to be present and be prompt. A meeting of all the new men who are to try for the positions on the board will take place at 6:45 p. m. on the same evening and in the same place.

WORCESTER TECH. TO-MORROW.

Men Are Well Prepared for the Game.

During the past week the football squad which is the largest ever had at Trinity has been putting in good stiff practice. Scrimmages have been held since last Saturday, and the large amount of new material this year is fastly being rounded into a good working machine. At this time it is impossible to pick the team as the men have been shifted around so much lately. Captain Henshaw and Ramsdell, who scored six touchdowns in the game with Wesleyan last year, seem to be the men for the half-back positions. "Joe" Carroll who has played tackle for two years will probably play fullback. That makes a backfield that it will be hard to beat. H. W. Cook has been playing quarter back and also does the punting. H. C. Neff and O. Gildersleeve are also doing good work at this position in the scrub. The ends, Capen and A. L. Gildersleeve have been playing these positions for the most part, while Collet, a new man, and Bassford are substituting. The tackle positions will without doubt be filled by C. H. Howell, Breed and Woodbury. The men who have showed up best at guard are Loveland, Breed, W. J. Nelson, Green '11, and McCreary. McElroy, who was kept out of the game by injuries last year, Barney, and Bleecker are all showing up well at center.

The Worcester Tech team is stronger than their team of last year and a good game will be assured for tomorrow.

FALL TENNIS TOURNAMENT.

Much Interest Shown.

There is considerable interest manifested in the Fall Tennis Tournament for the championship of the college. A cup is to be given to the winner and a large list of entries has been made up to date. The entrance fee for singles is twenty-five cents. Following is the list of those entered for the tournament:

A. Pulford '11, Nelson '11, D. Pulford '13, Haight '11, Brainerd '11, Carpenter '12, Rosebaugh '11, Livingston '09, Swift '13, Welton '11, T. Hsi '13, Craik '12, Burgwin '13, Moberly '13, Kendall '12, Maxon '11, Short '12, Dillard '13, Baumgardner '13, Whitehead '13, Harrison '11, Robbins '13.

EDITORIAL.

The first home game of the football season will be held tomorrow afternoon at 3:30 P. M. on the Trinity Athletic Field. For the benefit of the entering men and as a reminder to the men who have been here a year it is always necessary that all undergraduates be on the bleachers at every athletic contest and cheer the 'varsity teams on to victory. The men who are not athletes can support the team in this way; for it is an acknowledged fact that a team well backed up by its undergraduates will play better than one that is not. Every victory that a Trinity team makes brings the college stronger before the public eye; and that is where we want Trinity to be. Our academic standing is at the high mark as compared with other colleges and we want our athletic standing to be the same.

The outlook thus far for a strong football team this year is exceedingly bright, but the support of every undergraduate is needed to make the season a success. The two ways that the undergraduates can support the college is first by joining the athletic association at five dollars per man and secondly by being in the cheering section at tomorrow's game and cheer and sing to the best of your ability.

Last year the season of the Musical Clubs was not a success, which was due more to the lack of proper spirit than of sufficient material. This year an

effort is being made to have a good season along the musical lines. Coming in with the entering men are some very good musically inclined men. Everyone of these should come out, as well as everybody who has the least ability along these lines and help make a successful season. The undergraduates in charge, R. L. Wright '10, L. A. Stansfield '10, and Alfred Howell '11 are arranging a schedule which will include joint concerts with Wesleyan and Syracuse besides several concerts in this part of the state. At the call for candidates everyone should report for the "tryouts."

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

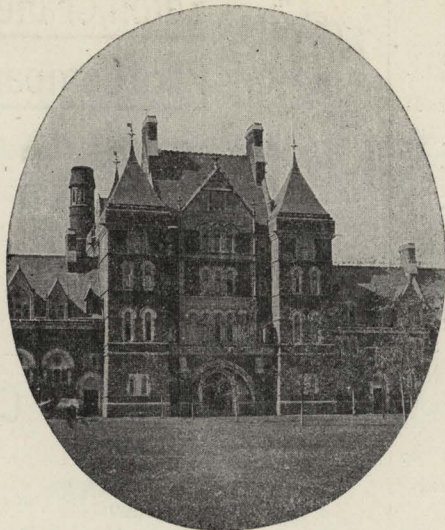

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.
