TRINITY 12, WESLEYAN 6. A Battle Royal, Fought to the End. Third Victory in Three Successive Years. Light Team's Pluck Wins Out.

Trinity defeated Wesleyan Saturday in one of the fastest games ever seen on The Trinity field by a score of 12-6. teams fought from start to finish, and there was very little unearned ground. Trinity had the better of Weslevan in that the latter were hardly able to gain their distances until about the last 15 minutes of play, and then only as they put in their substitutes. The blue team played one of the snappiest, cleanest, and spectacular games in the history of the college, every man in the game every minute, and it is worth notice that there were no stars-since every one of the eleven men played the game of his life.

The day was rather dark, with little or no wind to hinder the kicking, and a bit too warm for ideal football. The crowd which attended was a recordbreaker, over 3,600 spectators cheering their favorites, and both the college bodies showing excellent college spirit, cheering their teams in the darkest minutes of the play. The game was exciting to watch as there was no sure thing for either team, since Trinity scored on rush work in the first four minutes of play, neither were able to cross the line during the rest of the first half. Trinity's score in the second half was the result of a punt to Pazetti, which went about a yard from the goal line and on a fumble Howell pushed the Wesleyan men away from the ball while Carroll fell on the ball back of the line. The only score which the red and black was able to tally was by line bucking, when the ball was far down in Trinity's territory, and their fresh men gave a new life to the team. Pettigrew was responsible for this as he had just been substituted for White, the fullback. Pazetti kicked the goal and this ended their scoring, although they once succeeded in pushing the ball to Trinity's 15-yard line in the last of the second half, and by an attempted forward pass lost the ball to Trinity, who were quick to get the ball out of danger. Trinity's pluck was of the highest calibre as they stuck to the contest although up against men who averaged 15 pounds heavier, and succeeded in pulling out a victory due to the most excellent coaching of Professor Gettell, combined with the fighting "Trinity spirit" shown by each man every minute. There was almost a lack of so-called trick plays, and even the forward pass was not used by either team more than three times, and the onside kick but twice. The game developed into an exchange of punts at the last when either side was fighting against time, and both the quarterbacks got off some beautiful kicks. It finally ended with the ball in the middle of the field being carried down towards the Wesleyan goal line as fast as the plays could be ripped off by Trinity. The home team used but four substitutes, while Wesleyan put in five, and the most noticeable fact in the line-up, except the difference in weight, was that Captain Henshaw was not used in the game at all, Bassford taking his place at right half and putting up one of the most plucky games ever seen.

The runs of Burdick, Bassford, Carroll and Ramsdell; the tackling of Howell, Gildersleeve and Capen: the punting of Cook, and the blocking of the men in the line were the features of the game. - Trinity outplayed Wesleyan in every stage of the game, and were only temporarily swept off their feet by the new men, since as soon as they reciprocated they made noticeable gains almost at will. The time of the halves was nearly too much for the players, and both teams were utterly exhausted when time was called at the end of the second half, a great deal of playing being done on sheer nerve toward the last. At the end of the game the Trinity rooters swarmed on the field, and carried the team to the gymnasium on their shoulders.

This victory makes three straight for Trinity over Wesleyan, since in 1907 the gold and blue won by a score of 5-0 in this city, and last year in Middletown the red and black were swamped 42-0.

First 'Half.

Ramsdell, as acting captain, won the toss and chose to defend the north goal. Pazetti kicked off for Wesleyan at 2:45 to Bassford who was able to tear off 20 yards before being stopped. In an incredibly short space of time by a succession of line plunges and end runs, Trinity was able to score. Carroll gained 8 through the line, followed by Ramsdell for 10, and Gildersleeve for 9, then Burdick went around left end for 28, and Ramsdell circled right for 20 more, Carroll added 6, Gildersleeve 3, and with the ball on Wesleyan's 6yard line Cook went over for the first score of the game, behind excellent interference. He then punted out to Ramsdell on the fifteen yard line and Gildersleeve kicked an easy goal. Score, Trinity 6, Wesleyan 0.

Cook kicked off for Trinity to the 5yard line, and the ball was rushed back 15 yards before it was stopped. By a run around left end Wesleyan gained 15 yards, but on the next play through the line they could only make three and Pazetti was forced to punt 40 yards to Cook. By plunges Ramsdell gained 15, Bassford 3, and Carroll 5, but being unable to go farther, the ball exchanged hands and Wesleyan made small gains of first 1 yard and then 3, and Pazetti was again forced to punt 45 yards to Cook who dedged back for 12. Bassford went through tackle for 15, Burdick gained 6, but Ramsdell was unable to add anything, so Cook punted for 35 yards and the Wesleyan man was dumped where he stood by the speedy Carroll. Again the red men were able to gain but 3 and 2 yards on the first two downs, and Pazetti was called on to punt for 40 yards, a Wesleyan man re-covering the ball. They gained 2 yards through the line, when they were penalized 15 for offside, and were then able to gain only two yards on the next two plays. Wesleyan punted to Cook behind the goal line. The ball was put in play by Trinity on the 25-yard line, and Bassford made 15 yards the first crack, but on the next play Burdick was thrown back for 5. Gildersleeve was good for 8, but Cook was forced to punt 35 yards and the Wesleyan player was dumped, this time by Ramsdell, before he was able to move. Again Wesleyan were unable to gain their distance making but 11/2 and 31/2 yards respectively on the first two downs. Pazetti punted 45 yards to Carroll who did not recover much. Burdick was not able to gain anything around right end, and Bassford only 3 through the line, so Cook punted 40 yards and Wesleyan ran it back 20 yards. They then gained their distance by 2 yards to spare but were again penalized 15 yards for being offside and on the next two downs did not gain a single inch as Trinity's line was like a rock. Wesleyan punted 40 yards outside the field and the ball was Trinity's on their 12-yard line. Carroll went around right end for 30 yards Gildersleeve ripped off 9, but Trinity was penalized 15 for holding, and on the next play Gildersleeve was only able to gain 5, so Cook punted 40 yards and Wesleyan did not gain a yard. They

tried line plunging but did not gain much more than their expectations, since they made only a yard in two attempts and then punted 45 yards to Cook who fumbled but quickly recovered. Ramsdell gained 10, Bassford 2 and on a skillfully executed forward pass, Ramsdell to Bassford, 18 more yards were secured. Carroll got nothing on the next play and on a forward pass attempted by Cook, Wright saw the ball first and came back with it for 7 yards. Wesleyan then made 4 and 11/2 yards before being forced to punt 45 to Cook who ran it back 12 yards. The Red and Black were penalized 15 yards here for an illegal tackle. Gildersleeve gained 4 yards, Carroll got 15 on an onside kick and Ramsdell added 15 more around right end, followed by Carroll who made 5 more. Cook tried an onside kick for 10 yards but Wesleyan got the ball and came back for two yards, and again had the pleasure of being penalized for 10 yards. On having the ball again Cook gained twenty by a punt and Wesleyan ran it back 18 yards, when time was called. Score, Trinity 6, Wesleyan 0.

Second Half.

Cook kicked off for Trinity to the 8-yard line, and Wesleyan gained 17 in running it back, followed by a plunge for 3 more, and then another which failed to gain. Having a penalty of 5 yards imposed on them for offside, they were then thrown back for a loss of 5 yards, so Pazetti punted 40 yards to Cook who discounted it 15 by dodging through a broken field. Carroll gained 6 and Bassford 1, then Cook punted 40 yards, and on a misjudged bounce the ball went over the goal line, Howell pushing off two opponents while Carroll fell on the ball, scoring Trinity's second and last tally. Cook punted out to Carroll on the 25-yard line near the west side of the field, and Gildersleeve kicked the goal from this difficult angle. Score, Trinity 12, Weslevan 0.

Pazetti for Wesleyan kicked off to the 2-yard line and Bassford sprinted for 20 yards, Ramsdell dug out 3, then Burdick made a wonderful run around left end for 33 yards. Being unable to make first down again Cook punted 35 yards, and Wesleyan gained 4, 4, 0 and 2 yards before Pazetti was called on to punt 50 yards to Cook who ran it

surprises in every way but the result, as far as Trinity is concerned, and in every way from a Wesleyan point of view. All the predictions were that Wesleyan's line would be as the proverbial stone wall, and Trinity's gains would be around the ends; while Wesleyan, when on the offensive, was expected to have no difficulty in plunging through the light line of Trinity, though the weight and consequent slowness of Wesleyan's backfield was expected to

hinder that team in end plays. Almost the direct opposite proved to be the case. Trinity tore through the heavy red line almost at will, but met with difficulties more often in open formations and wide runs; while Wesleyan's chief gains were outside tackle, her mass plays being seldom successful. The reason for this lies no doubt in the coaching of the past week. Coach Get-

tell has been training the men in de-

fense of line plays, while coach Reiter has been showing his team how to stop

The \$25,000 accumulated by the sale of these certificates is to be used for one purpose only—buying machines at the factory to fill orders. The machines are then shipped C. O. D. to the purchasers. Thus there is no credit risk, and the investors' money is neither tied up in equipment nor dis-sipated by expenses, but is either in cash on hand or convertible thereto at short notice.

credit Fisk, and the investors money is nemicir thed up in equipment nor dissipated by expenses, but is either in cash on hand or convertible thereto at short notice.
Investors in this purchasing fund have the option of withdrawal of principal before maturity. A strong National Bank has agreed to act as Trustee of this fund for and on behalf of investors—to see that it is kept intact and used only as a purchasing fund. This bank will pay dividends as they fall due and will return to any certificate holder, upon sixty days' notice, the amount of his investment or any part of it, should he desire to withdraw same at any time before maturity.
The total issue is only \$25,000, each certificate being for \$25. For the present, with each \$25 certificate is given one share of 8 per cent preferred are given. This unusual opportunity really brings the net return up to about 12 per cent, with the prospect of selling the preferred for nearly enough to pay for the whole investment. We make this offer so that it will not be necessary for this announcement to appear extensively, as previous issues have been largely oversubscribed.
If interested in absolute security of principal, large and definite interest return, and opportunity of speedy withdrawal of principal before maturity if desired, this investment should receive your immediate attention. Communications and orders should be addressed, and checks made payable to,

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company. In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost. For further information, address
