UNO's second annual Celebration of Student Research and Creative Activity:

UNO is glad to have the opportunity to recognize its outstanding student scholars. This year's event, held jointly with the Honors Symposium, had over 160 student participants from all six UNO colleges and UNL's College of Engineering. The oral presentations, poster sessions, performances, and Honors presentations took place on the evenings of April 6-7, 2010, in the Milo Bail Student Center. Awards were given for the 1st, 2nd, and 3rd places in each category. A monetary award of \$200, \$100, and \$50 was provided to each award winner in a token recognition of their accomplishment, and award certificates were presented at the Student Honors Symposium held on April 8th. A list of award winners can be found on our website at <http://www.unomaha.edu/spr/research.php/>

UNO was pleased to feature the scholarship of our undergraduate, master's level, and doctoral students. A suite of 12 volunteer judges, mainly from the Omaha metropolitan community, put in long hours, up to 8 hours each, in the daunting challenge of evaluating the great diversity of scholarly presentations, and their contribution is much appreciated. We also appreciate the participation of all the students and the support provided by faculty advisors.

We look forward to next year's event!

SPR has a new Contracts Specialist!

Mike Mohatt joined the Sponsored Programs and Research team in April 2010 as a Contract Specialist. His duties will include reviewing and negotiating contracts and subagreements and managing/tracking the process. Mike possesses a Bachelors Degree in Business Administration from the University of Nebraska- Lincoln and an Associates Degree in Legal Assistance from Lincoln School of Commerce in Lincoln. His previous contract experience was with Nebraska Public Power District in Columbus. Mike enjoys spending time with family and friends, photography, all sports, and traveling the world with his wife.
