Celebration of Student Scholarly Activity

We recently hosted the 5th Annual Student Research and Creative Activity Fair, a campus-wide recognition of our outstanding student scholars. Over 170 students from all six of UNO's colleges and UNL's College of Engineering participated. Featured was the scholarship of undergraduate, master's, and doctoral students. The oral presentations, performances, poster sessions, and exhibits took place on March 8, 2013, in the Milo Bail Student Center.

Awards were given for Best, Outstanding, and Meritorious in each category, with corresponding monetary amounts of \$200, \$100, and \$50. The award winners can be found at <http://www.unomaha.edu/orca/rcaf/RCAF%202013%20awardees.pdf>.

A suite of 19 volunteer judges from the community faced the daunting challenge of evaluating the great diversity of scholarly presentations. Their contribution is much appreciated. We also appreciate the participation of all the students and the support provided by faculty advisors.

Save the date: the 6th Annual Student Research and Creative Activity Fair will take place on Friday, March 14, 2014.
