German Articles

Das, Die oder Der
To try and guess, I would not dare.
But in my state of near confusion,
A vision comes, a mere illusion.
Das is Der und Der is die,
for what else could it ever be?
Or was I crazy as I was crammin',
But is Das Der und die zusammen?
No matter if Das is Der or Der ist Das,
I still must decide on was ist was.
My professor comes, my time is nigh,
He can see it in my eye.
So, as he stands before my row,
I do "eenie, meenie, mynie, moe."
