## Dayton Regional Green

- I. **Overview:** DRG is trying to start a competition for mentoring. She was hoping to connect with our group in order to jump start her program.
- II. **Looking For:** Potential summer co-op over the summer with DRG to help set up sustainability mentorship group 15 hours a week.
- III. Potentially working with Americorp as a sponsor
  - A. Local Volunteers - Like Peace Corps
  - B. Starting Sustainability Clubs locally
- IV. Possible Functions that can be held:
  - A. EPA is willing to lend air monitoring testing device
    1. Shows difference in air
    2. Kids decide how to improve certain areas in the school
  - B. Lunch and Learn
    1. Fridays for the Future
    2. Connect Professionals with schools
      - a) Project over two weeks
    3. Healthy lunch options for kids
  - C. Healthy School Challenges
    1. Program among all schools
    2. Green certification
    3. track energy
    4. engage students
    5. People that can get involved: Mentors, teachers, students
- V. Function would have a point system
  - A. Professionals get points for doing certain project
  - B. Prizes awarded to most involved people
- VI. Healthy school challenge as well (Sustainability=health and wellbeing)
- VII. Conclusion: We could bring professionals, DRG bring schools, Americorps Liason brings experience
- VIII. Challenge Dates: August 2017-August 2018
