Going Against the Grain

University of Dayton Human Rights Center
Social Practice of Human Rights Conference, Oct. 1-4, 2019

Community Based Global Learning

Presented by:

Anthony N. Talbott, *University of Dayton*

Molly MacCready, *Child Restoration Outreach Support Organization*

Matt Maroon, *Determined to Develop*

Session: Community-Based Global Learning

Abstract:

This panel explores frameworks for effective implementation and assessment of community-based learning. Relationships between universities and community partners must be just and reciprocal—meeting student learning outcomes and improving the capacity of the partner organizations. Case studies of both international and US-based community engaged learning will be presented.
