From the Director:

The MDiv program is proud to announce to the world all our study opportunities like the Hybrid, Dual degrees, concentrations, etc. This is why we are advertising in Dialogue Magazine the official General Conference Collegiate journal that goes to all world divisions. We are doing this in 4 languages: English, Spanish, French and Portuguese. We still need translators for a short ad into Portuguese and French. Would you be willing to volunteer to be one of the translators? Please write to Kurt at osena@andrews.edu if you would be willing. Thanks!
