My dear friend:

For a long time I've intended to send you this clipping for your files... It must be a source of satisfaction to you to know that you will leave an AFTERGLOW of respect for children to follow in regard to their parents...every boy and girl in America are BETTER BOYS AND GIRLS because of you...and they still have a LONG WAY to go... I work with FRIENDS OF YOUTH...12 boys at the GRIFFIN HOME. Sprague used to be on the Board...we love the work for we are trying to make good men - and FATHERS - for CENTURY 21.

Am off to Santa Barbara on the 17th for the SOURDOUGH CONVENTION.

Much love,

Lulu
