

**METAMORPHOSIS**

# Metamorphosis: How children change cities

Nick van Apeldoorn MSc  
3th of October 2019,  
Civitas, Graz, Austria

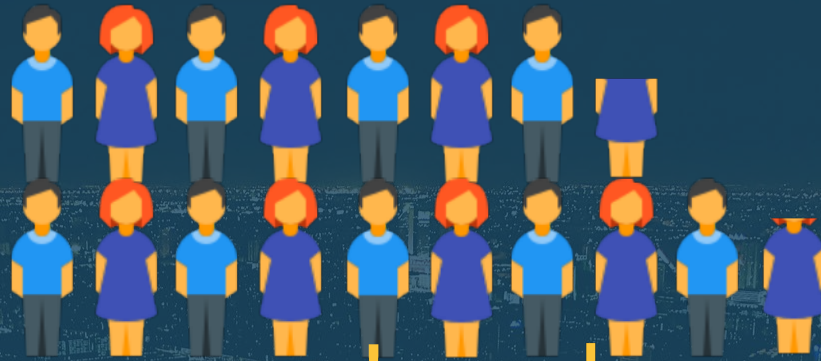

THE CIVITAS INITIATIVE  
IS CO-FINANCED BY THE  
EUROPEAN UNION

2018: 7,6 Bn

2050: 9,8 Bn

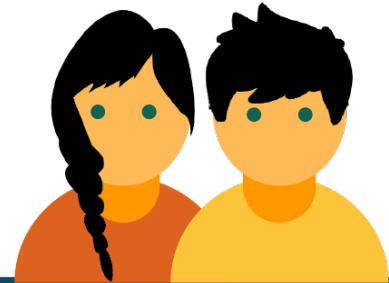

2018: 55%  
2050: 68%

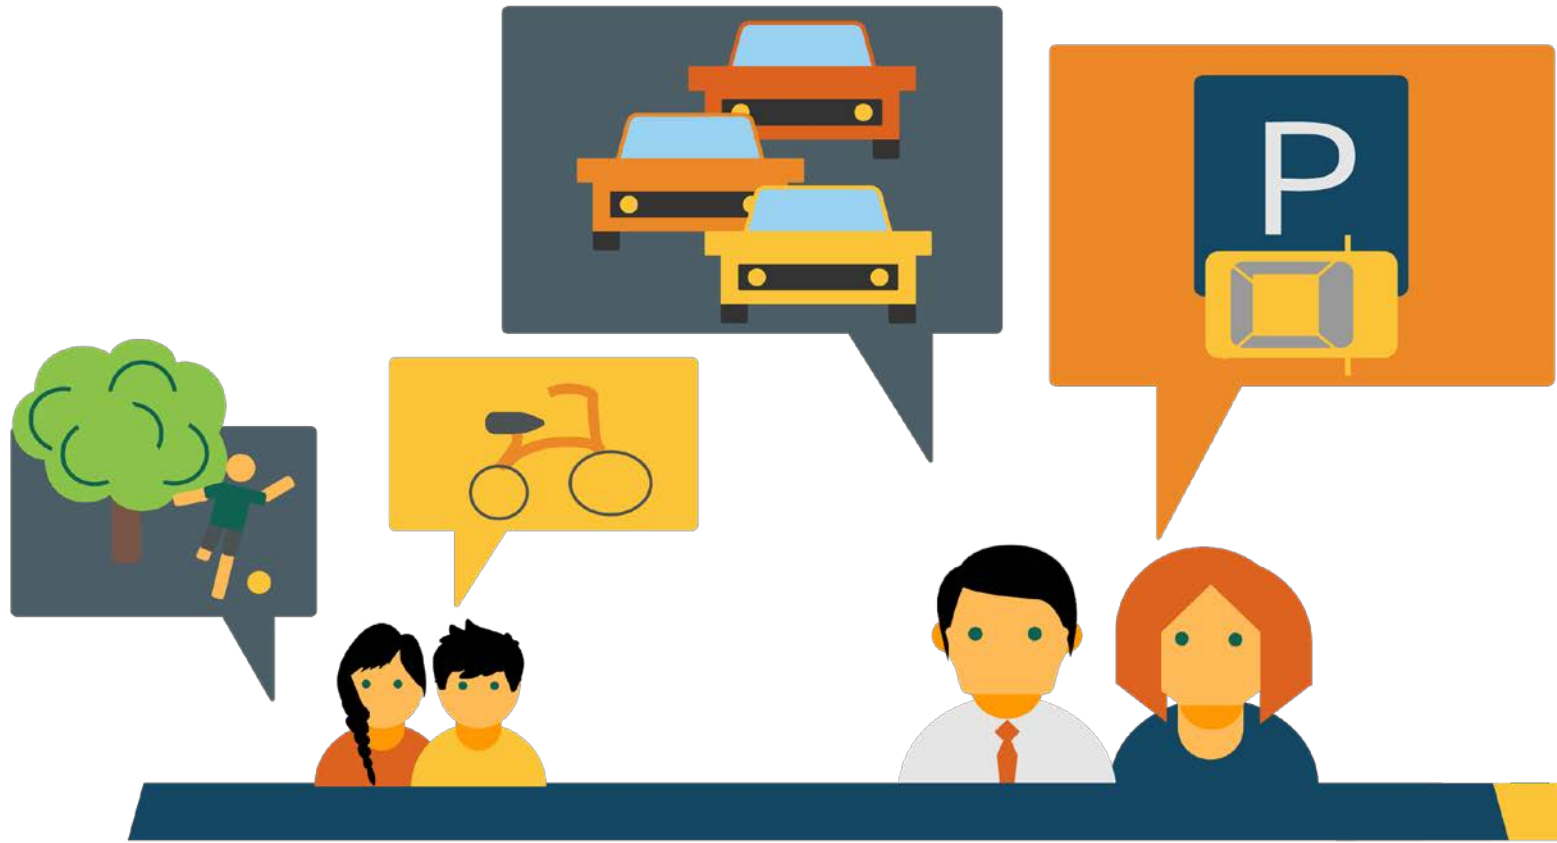

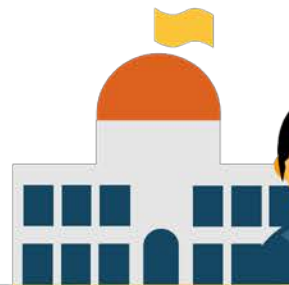

More kids grow up  
between cars.

UN, 2017  
UN, 2018

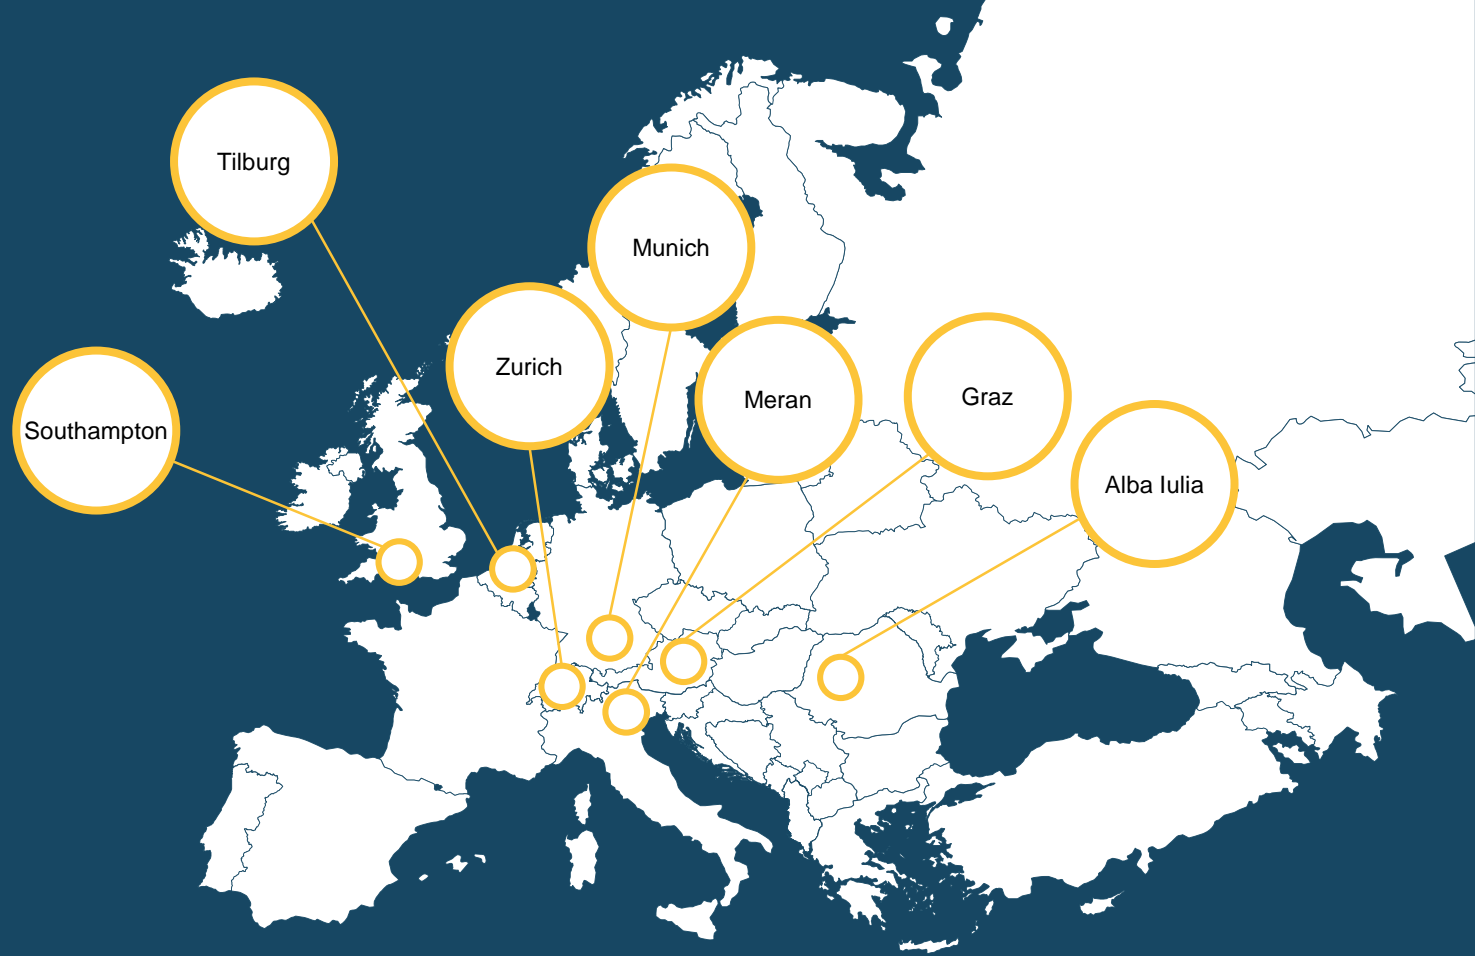

A photograph of a street scene with parked cars and trees, overlaid with a semi-transparent blue filter and yellow text. The text is centered and reads: "Develop and implement bottom-up measures with children to achieve lasting behavioural change to create child-friendlier neighbourhoods".

Develop and implement bottom-up measures with children to achieve lasting behavioural change to create child-friendlier neighbourhoods

Tilburg

Munich

Zurich

Meran

Graz

Southampton

Alba Iulia

Temporary street closures

Interventions in public space

Educational and innovative tools

Empowerment of active mobility

Crystallisation points

Planning procedures and integration in SUMP

# Plan with children

**Built with  
children**

# Build coalitions around children

**Change the city with  
the perspective of  
children**
