PREFACE

The seventeenth annual edition of the Ninth Circuit Survey analyzes decisions of the Court of Appeal for the Ninth Circuit. This issue contains notes and summaries of important cases decided in 1991.

One article has been selected for publication in this issue. The article, by Richard D. Harmon, discusses co-use of private easements by cable television franchisees and should be of particular interest to communications law practitioners.

The staff chose a variety of topics to review and analyze. This issue should be of interest to practitioners, students, and researchers.
